

ARIES

MARCH 21-APRIL 19

CARDINAL, FIRE
RULERS: MARS, PLUTO

KEY WORDS: INITIATIVE,
ACTIVITY, ENTERPRISE

Aries, the first sign of the Zodiac, is the sign of new beginnings. The Arian's present life indicates a new cycle in his personal evolutionary development. Arians are aggressive and direct in expressing themselves. The key phrase for Aries is "**I AM.**" *

Arians are full of creative energy and enthusiasm (because Aries is a fire sign ruled by Mars and Pluto); and, because Aries is a cardinal sign, Arians initiate new activities, which keep them occupied until the novelty wears off.

These people have a tremendous psychological drive to prove themselves to themselves through action. Arians are not satisfied merely to intellectualize about their concerns; they are impatient to do something about them...Since they are highly competitive, Arians seek to be first and best in whatever they do. They make good leaders, seeking fame and recognition more than wealth and comfort..They have a desire for authority and superiority...Arians must be first! But much of their strength arises out of their refusal to admit defeat. They are never daunted .by failure and will always seek new avenues of expression.

Arians need to learn the lesson of love, so that they can relate to others and reach out to them with consideration. By reflecting on the overall consequences of their actions, they can learn this lesson.

The more highly evolved Arian types possess great willpower, spiritual self confidence, and regenerative ability due to the Sun's exaltation in this sign.
