## CURRICULUM VITAE/CV/COURSE OF LIFE

### PART X

#### FREEDOM

“The state of **being free**; political independence; personal liberty; ease or facility of movement or action.”

It is what we all want. Liberation. What kind of **freedom** do you want? The Great Pyramid of Giza has a passage that means liberty or liberation. The only true freedom comes from being liberated from the world of duality and illusion and free from the karmic wheel of birth, death and re-birth. Having a ton of money will not buy you **freedom**; it may enslave you unless you become spiritually free.

#### JESUS-PAST LIFE-CAUSE

*Passover Plot* page 77. “The more straight laced of them winced at some of the things he said and were offended by the **freedom** of his conduct.”

#### BRUCE-PRESENT LIFE-EFFECT

*Moon in Sagittarius*- “You need emotional **freedom** and independence. You simply need your **freedom**.”

#### PATIENT/PATIENCE

“**Patient**-tolerating delay, provocation without complaint or anger; persevering or diligent.”

At the time of this writing at the *Federal Detention Center* in Honolulu, Hawaii I turned 62 years on the chronological linear timeline on April 2, 2010. After 2,000 years I am “tolerating the delay” still “persevering” and still “diligent.”..and still waiting. Some things just take longer to manifest and my destiny is one of them.

*The Complete Idiot’s Guide to Theories of the Universe* by Gary F. Moring, M.A. page 300,301 (2002). God is in it’s 51<sup>st</sup> year of life and it’s total life span is a little over 3 trillion years and God, too, is still waiting for the fulfillment of its plan for humanity. Now, that’s **patience**. What’s your excuse?

## **JESUS-PAST LIFE-CAUSE**

*Passover Plot* page 66. “It was his nature to **patiently** pursue a chosen course to the end.”

## **SINCERITY**

“Free of deceit or hypocrisy; genuine; real.”

## **JESUS-PAST LIFE-CAUSE**

*Passover Plot* page 146. “**Sincere.**”

*Passover Plot* page 184. “Utter **sincerity** in all his dealings.”

*Passover Plot* page 41. “We have to accept the absolute **sincerity** of Jesus.”

## **BRUCE-PRESENT LIFE-EFFECT**

*Sun trine Saturn-* “He is very **sincere.**”

## BROTHERHOOD

“Fellowship.”

Jesus’ life was devoted to bringing about the “**brotherhood** of man.” Jesus was intimately aware that **brotherhood** depended upon unity and oneness of spirit. As long as humanity sees itself as being different or better than his brother there can be no **brotherhood**. Our common bond is that we are all created in the image and likeness of God. How can you hate another when you may have been that other in another lifetime? And maybe you are that “other” now to experience what it is like to be the object of another’s hatred. We are all ultimately related. We are all children of God.

## BRUCE-PRESENT LIFE

*Sun in the 11<sup>th</sup> House*- “A sense of **brotherhood**.”

## INTENTION

“The act of determining upon some action or result; the end or object **intended**; purpose or attitude toward the effect of one’s actions.”

*The Lost Symbol*-Dan Brown page 57 (2009) “The mind’s ability to affect the physical world could be augmented through practice. **Intention** was a learned skill. Harnessing the true power of thought required practice. This is the missing link between modern science and ancient mysticism, the key to our scientific future, is hidden in our past.”

*My Past Life As Jesus-An Autobiography Of Two Lifetimes* page iii Preface (2001). “In the process of writing this book I have remembered in this life what I **intended** to do when I was Jesus in the past life. As Bruce, I Am the effect of the cause of my **intention** as Jesus to willfully reincarnate as Bruce. Cause and effect. Bruce is the manifestation of the thought of Jesus, created by the deliberate and willful **intention** to come again...”

*The Active Side of Infinity*-Carlos Castaneda pages 9,10. (1998). “...you can’t depend on

us to bring you back. Your decision is needed then. Only you can decide whether or not to return...you must know that your decision to stay or to return is not a matter of **intending** it...if you choose to come back, you must tighten your belt and wait like a true warrior-traveler until your **task**, whatever it might be, is finished, either in success or in defeat.”

*Magical Passes* by Carlos Castenada page 27 (1998) “Unbending **intent** is the essential tool of those who journeyed into the unknown.”

Pages 857 to 861 are missing from the original manuscript. Lost but will be found.

Herein ends part **10** at 10:18 =**28** =**10** pm on May **28**, 2020 =19=**10**.. The universe is perfectly ordered.
