UNDERCOVER

“Clandestine or secret; engaged in **securing confidential information.**”

What people don't realize is that before John the Baptist came on the scene fulfilling the most important of all the prophecies, Jesus had to keep an extremely low profile about being messiah. The big deal for the Jews, past and present, is that the prophet Elija (Elias) would precede the messiah heralding not only the coming of the Kingdom of God but also the “end of days.” Jesus recognized John as the reincarnation of Elija and identified him to his disciples who “understood” what he was **teaching** them. *Matthew 11:1-15 & Matthew 17:10-17* ...and what I am **teaching** you now.

Up until the baptism which began his official ministry Jesus did not reveal to anyone that he was the messiah. It was only days before, when rumors were running rampant that the people were wondering if Jesus was the promised messiah. The disciples didn't know because Jesus didn't say, and Jesus did not want to commit because Elija had not yet appeared before him. But he had the faith that he would.

So one day Jesus tested the messianic waters and said to his disciples, “Who do people say the son of man is?” They replied: ‘Some say John the Baptist, others say Elija; and still others Jeremiah or one of the prophets.’ “But what about you?” He asked. “Who do you say I am?” Simon Peter answered: ‘You are the messiah, the son of the living God.’ Jesus replied: “Blessed are you, Simon son of Jonah, for this was not revealed to you by man, but by my Father in heaven.”

It was now **implied**, but not explicitly stated to the masses, that Jesus was the messiah. Simon Peter explicitly stated it to Jesus only. Jesus merely asked a loaded question. Jesus didn't say it, Simon did. Not until the baptism would Jesus officially go public but stayed behind the scenes, exactly like I am doing now. I, too, AM waiting for the 21st century Elija (sign) to make itself known.

JESUS-PAST LIFE-CAUSE

Passover Plot page 100. “Jesus most carefully **concealed** his identity as messiah in the early part of his ministry.”

Passover Plot page 166. “Never **confided** his plans.”

Passover Plot page 123. “**Confided** to no one.”

BRUCE-PRESENT LIFE-EFFECT

Saturn sextile Neptune- “**Undercover** work is something he (Bruce) does well.”

Saturn conjunct Pluto- “**Secretive** about his plans. He **does not share** his innermost thoughts with anyone.” This personality trait has evolved in this lifetime. I have been shouting from the roof tops since 1973 that I AM HERE. I have been sharing my story all these years but no one was willing to listen. “Those who have ears will hear!”

North node in the 12th house- “**Work behind the scenes.**”

SECRETS

“Done, made, or carried out without the knowledge of others; kept from general knowledge; hidden from sight; concealed; a mystery; a reason or explanation not readily apparent.”

Not only did Jesus have to conceal his identity up until right before his baptism, there were plans he was making that were absolutely **top secret** that he would not and could not share with his disciples and those closest to him. Jesus’s very life and survival of the crucifixion depended on keeping his plans **secret**.

When you read the past life events of Jesus and see them actually frozen in time through the cellular memory of the astrological aspects do we begin to see clearly the

tremendous complexity of the order of the universe. Ponder this. The Creator of all there is THOUGHT this entire cosmic system and process of involution and evolution out from no-thing; i.e. nothing. Now, that is beyond genius and a master mind. This can only be the work of a consciousness capable of such an “intelligent design.”

JESUS-PAST LIFE-CAUSE

Passover Plot page 68. “Jesus contemplated what was to come and dare not betray his **secret.**”

Passover Plot page 55. “...closely guarding **his secret thoughts** from those nearest and dearest to him.”

Passover Plot page 92. “He ordered them to **keep his identity secret.**”

Passover Plot pages 138,162. “Making **secret** arrangements.”

Passover Plot page 138. “**Secret** arrangements of the dramatic kind.”

Passover Plot page 111. “The greatest **secrecy** demanded...”

John 7:10- “He went to the feast, not publicly, but in **secret.**”

Passover Plot page 119. “Arrangements he had made **privately.**”

Passover Plot page 162. “...made **private** arrangements.”

BRUCE-PRESENT LIFE-EFFECT

Saturn conjunct Pluto- “...**secretive**, he does not share his innermost thoughts with anyone.” Jesus-”Closely guarding his secret thoughts.”

Saturn sextile Neptune- (Bruce)”can be trusted to maintain **secrecy** about confidential information.”

Pluto in the 3rd House- “Through various circumstances he (Bruce) will often be responsible for exclusive or **secret** information pertaining to matters of great importance.”

Pluto in the 3rd House- “He tends to travel in **secret** for mysterious reasons encountering strange circumstances.”

Neptune in the 5th House- “**Secret** intrigues.”

Venus in the 12th House- “**Secret** love affairs and romantic intrigues.”

PROJECT

“A plan or scheme; a large or important undertaking.”

No one can say that Jesus’ plans were small. His **project** was so huge in scope he planned another lifetime to finish it. As they say, planning something takes away 80% of the work doing it. Jesus, knowing it was all being recorded (in the cosmos), knew he would wake up from the illusion and remember who he was in the next lifetime as Bruce. Without hypnosis in a past life regression my chances of remembering who I was were slim to none, but I had faith that God would reveal the past lifetime when the time was right and ripe.

In 1971 and 1972 I began feeling that I was Jesus in a past life. Until 1973 the thought of a past life as Jesus was only a dream. In 1973 the thought became real. My **project** would be to reconstruct the memory of the past life in a scientifically verifiable manner in a way the world would understand. Quite the **project**.

JESUS-PAST LIFE-CAUSE

Jesus CEO page 128. “Jesus was so committed to his **project**.”

BRUCE-PRESENT LIFE-EFFECT

Saturn conjunct Pluto- “He knows his **project will have a transforming effect upon**

the world.” What you are reading is part of the “**project**” which should have a “**transforming**” effect upon you. It has for me! I have been totally transformed.

WITH OR WITHOUT YOU

If no one is willing to support you in your cause you must **go it alone**. That is exactly what I did in the 1990’s and I went to federal prison for it in January 2009.

JESUS-PAST LIFE-CAUSE

Jesus CEO page 128. “Jesus was willing to do it **with or without someone else.**”

Jesus CEO page 26. Jesus was “willing to **stand alone.**”

BRUCE-PRESENT LIFE-EFFECT

I stood alone when I contested the validity of the personal income tax on labor in 1997. I asked **no one to stand with me**. I did it **without anyone else**.

HUMOR

“A comic quality causing amusement; the faculty of perceiving and expressing what is amusing or comical; a mood or frame of mind.”

Finite and Infinite Games by physicist James Carce p 303. “**Humor** opens the mind. It relieves the tension of concentration and exposes the vulnerability of a merely intellectual comprehension. Physicists like to make jokes about their work and it’s implications.”

JESUS-PAST LIFE-CAUSE

Jesus CEO page 266. “Jesus had a **healthy sense of humor.**”

BRUCE-PRESENT LIFE-EFFECT

Sun sextile the Ascendant- (Bruce) "... has an **infectious sense of humor** injecting charm and **humor** into discussions."

JOY, HAPPINESS AND LAUGHTER

It is what the world needs now.

Finite and Infinite Games pages 25,26. "The **joyfulness** of infinite play, its **laughter**; the infinite play of life is **joyous**."

JESUS-PAST LIFE-CAUSE

Jesus CEO page 165. "He came **to bring life**."

Jesus CEO page 138. "He will **pour out the best of himself**."

Jesus CEO page 267. "Jesus embodied **Joy**."

Jesus CEO page 30. "Jesus came from a very **happy** place."

Jesus CEO page 266. "He reflected **joy and laughter**."

Jesus CEO page 265. "He **played** and had **no boundaries**."

Passover Plot page 120. "The **light of great gladness**."

BRUCE-PRESENT LIFE-EFFECT

Sun in the 11th House- "In communicating his hopes to others there is a vigor which he emits and his ideas and enthusiasm (filled with God) extend to those who relate to him."

Moon trine Venus- “His **positive** and **happy** disposition spreads to everyone around.”

Sun trine Mars- “He **plays** enthusiastically.”

Dalai Lama- “The ultimate source of our **happiness** is our attitude.”

“Attitude-a settled way of thinking or feeling about someone or something, typically one that is reflected in a person’s behavior.”

Charles Swindoll- “The longer I live, the more I realize the impact of attitude on life. Attitude, to me, is more important than facts. It is more important than the past, than education, than money, than circumstances, than failures, than successes, than what other people think or say or do. It is more important than appearance, giftedness or skill.

It will make or break a company...a church..a home. The remarkable thing is we have a choice everyday regarding the attitude we will embrace for that day. We cannot change our past...we cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is play on the one string we have, and that is our attitude. I am convinced that life is 10% what happens to me and 90% how I react to it. And so it is with you...we are in charge of our Attitudes.”

Bruce Lee- “As you think so shall you become.”

Proverbs 23:7. “As a man thinketh in his heart, so is he.”

In the 5th century A.D. Saint Augustine observed: “I am not alone in this desire [for **happiness**], nor are there only a few who share it with me; without exception we all long for **happiness**... They may all search for it in different ways, but all try their hardest to **reach the same goal**, that is **joy**. (*Confessions*, X 21, cited by John Piper. *The Legacy of Sovereign Joy*. Crossway Books page 70.

John 15:11. Jesus told the disciples that he spoke to them so that his **joy** would be made full. “These things have I spoken unto you, that my **joy** might remain in you, and that your **joy** might be full.”

Revelation 21:4. “He will wipe every tear from their eyes. There will be no more death, or mourning, or crying or pain, for **the old order of things has passed.**” God has promised eternal, lasting **joy** for us in heaven/28.

Remember “heaven” is not out there. *Luke 17:20,21*. “Don’t look outward for the kingdom of heaven for it lies within.” Heaven can only be “here.” Heaven is first Love, then **joy** and **happiness**. Heaven=28 because I AM 28. *John 14:3*. “And if I go and prepare a place for you, I will come again and draw you to be with me that you also may be where I AM.” Which is here, now! Rapture anyone? No one is excluded. Everyone is welcome in my Father’s house. *Love Is The Key*** that opens the gate to the Kingdom of God...which is here, now! Heaven or hell depends on our attitude.

Love Is The Key: Song. Messiah For Hire-Poems From Inner Space 1966-1982. Page 65 (1974). I would like Stevie Wonder to write the music for this song. I have the same sweater that I purchased in London in 1984 that Stevie Wonder wore on the cover of Life Magazine for *We Are The World* April 1, 1985 the day before my birthday. Mine has a hoodie and his didn’t.

The “rapture” Christians speak of is not some event that happens somewhere out “there” being “caught up” with Jesus in the sky. That ain’t gonna happen. I keep saying this. There is no “there.” There is only “here.” I AM HERE, now!! How much more of a “rapture” do you want? I said: “I will come again” *John 14:1-3*, and I have.

The rest of the “rapture” is up to you. When you get “there” looking for the “rapture” it will not be “there.” You cannot wait for it because it cannot wait for you. You need to get on the rapture train that is here now. *Baba Ram Dass (Richard Alpert)* said it best: “*Be Here Now!*”

Bobby McFerrin. “Don’t worry, Be **Happy!**”

Galatians 5:22. “*The fruit that the Holy Spirit produces in the believer is first love, then joy.*”
