

URANUS SQUARE NATAL PLUTO

November 10, 2021

On April 2, 1948 at 8:38 A.M. in Chicago, Illinois I returned to the earth plane of the 3rd dimensional reality of duality and illusion. On that day Pluto, Saturn and Mars were all in conjunction in Leo in my third house. Pluto was 12 degrees 39 minutes of Leo in the first decante of Aries ruled by Mars. On this 10th day of November 2021 the planet Uranus is exactly 90 degrees (square) to my natal Pluto. Uranus is at 12 degrees 33 minutes of Taurus in the Taurus decante in retrograde motion. The square is exact within six celestial minutes. Here is what it means. The information is from the book *Planets in Transit-Life Cycles For Living* by Robert Hand published in 1976.

“Pluto is in approximately the same part of the zodiac for everyone who was born about when you were. Therefore you and others within a couple of years of your age (73) will experience this transit at about the same time. As changes induced by this transit begin to affect your life, you may notice parallels in the lives of your friends.

The effect of this transit is to sweep away all the old and outworn structures that you have built up in your life. Pluto is the principle of death and regeneration, which is now combined with the Uranian principle of **sudden change***. The effect of the combination can be **to create a total revolution in your life.**

Your life is probably circumscribed by many elements from the past that no longer serve any useful purpose in your life. You have not gotten rid of them because they represent a certain security, but they are getting in the way of your continued growth and therefore must be cleared away from your life. The events that occur now will force this change upon you, if you have not already begun to change voluntarily.

Pluto’s forces do not operate suddenly. They are deep psychological forces that operate very slowly over a long period of time. They keep you moving and growing, make you throw off the old and enter new ways of living. This transit represents a time when **these forces have built up to a critical point and must be released.** Uranus provides the trigger.

It is not possible to say exactly what will pass away from your life at this time. If you look into yourself, you will realize that what is happening now is not really a surprise. You were hoping that this new force would go away if you ignored it, but it didn’t and now you have to deal with it.

Because this transit affects a whole **generation,**** the drastic changes you encounter now may be partly the result of social and economic forces beyond your control. You may even feel like an unfortunate puppet moved by historical events. But these forces, even though they appear to be impersonal, play a vital role in your individual development. Accept this as a challenge to you as an individual, and **allow the old order and old ideas to pass away***.** They will pave the way for **your rebirth into a new way of life,** where you will have the opportunity to be more alive.” Page 414

the sight of gods and men, is received into the circle of those who foster the spiritual life and thereby attains a significance that endures beyond time.”

****Matthew 24:34.** “Truly I tell you, this **generation** will certainly not pass away until all these things have been fulfilled.” Those born around 1947 to 1949.

***** Matthew 24:35.** “Heaven and earth will **pass away** but my words will never pass away.” *Mars sextile Uranus-* “**Challenge old ideas** and doctrines that have outlived their usefulness.” Read: *We Are All Messiahs* at: [www. IAMLOVE.tv](http://www.IAMLOVE.tv)

Uranus will be square to my natal Pluto from November 10, 2021 at 12*33’ going retrograde to 10*49’ on January 17, 2022 when Uranus goes direct. On March 27, 2022 Uranus will be back exactly square Pluto 12* 39’ and will still be in aspect until April 20, 2022 at 13* 56’.

From March 12th to the 20th 2022 Saturn in Aquarius will be conjuncting my midheaven in Aquarius. This is very interesting that this energy is happening nearly at the same time as Uranus Square Pluto on March 27, 2022.
