** This "exact" **"planetary configuration"** from whence our **"energetic signature"** emanates from is none other than the zodiac. The **"exact"** soul of Jesus is now in his new reincarnated body. "The soul's history is written in the stars, and the heavens are her chronicles and tell the story at once of her and of God..." *The Message of the Stars* - Max and Augusta Heindel 1927

"After all it is written in the stars..." John Lennon 1979

"And God said, 'Let there be lights in the firmament of the heavens to divide the day from the night; and let them be for signs, and for seasons and for days and for years.'"

Genesis 1:14. "Signs" means literally "signs" and "signs" also means "signs" of the zodiac/mazzaroth. "Seasons" means precessional epochs, ages and dispensations of approximately 2,000 years each.

"O Lord our Lord, how excellent is thy name in all the earth! Who has set thy glory above the heavens." *Psalms 8:1*

"Seek Him that maketh the seven stars and Orion." *Amos 5:8*

"Thus saith the Lord, which giveth the sun for a light by day and the ordinances of the moon and of the stars for a light by night. The Lord of Hosts is His name." *Jeremiah 31:35*

Seek God above all. "He telleth the number of the stars; He calleth them by their names." *Psalms 147:4*

"Canst Thou bind the sweet influences of the Pleiades or loose the bands of Orion? Canst Thou bring forth Mazzaroth in his season? Or canst Thou guide Arcturus with his sons? Knowest thou the ordinances of the heavens. Canst Thou set the dominion thereof in the earth?" *Job 38:31-33*. When God challenged Job to answer these questions, God was challenging humankind to answer the questions of how the heavens go. Mazzaroth is the Hebrew word for zodiac. God was challenging Job/humankind to "bring forth," that is, understand our **"energetic signature"** of our horoscope/**"planetary configuration"** of the zodiac and put to effect its plan for us on earth, that is; "Set the dominion thereof in the earth." The three stars in Orion's belt line up with the three pyramids on the Giza plateau in Egypt. God was telling Job to let go of his grip on the material world. "Loose the bands of Orion" The Jews were in bondage and slavery in Egypt. The Pleiades in Job's time was in the constellation of Taurus the sign of the earth or material world. God is telling humanity to let go of its focus on materialism and rather set its focus on the spiritual way, the bright light of "Arcturus."

There is an ancient Jewish saying that it is every Jew's obligation to "Repair the World." This is referred to as *Tikkun Olam*. The literal translation is "world repair" which is the spiritual purpose of life. It also means "perfecting the world" and the "social action in the pursuit of social justice." It is every human being's obligation to "repair the world." When we strive to do this "repair" we enter into the Messiah or love vibration which is available to each and every human being. This is achieved merely by loving everyone and everything unconditionally. The only way to "repair the world" is for humanity to be united and not divided. *Koran Surah XLII 13*. "...Be not divided therein..." Messiah=Christ which is Love which is King.
