

MESSIAH FOR HIRE

CURRICULUM VITAE (CV) COURSE OF LIFE

PART VI

LOVE

“A profoundly tender, passionate affection for another person; a person toward whom love is felt; a strong enthusiasm* or liking; feeling **love** for.”

*Filled with God.

Jesus said that all the teachings and all the commandments could be found in the first two. “**Love** God and **love** thy neighbor as thyself.” **Loving** your neighbor (everyone) is an act of **loving** God. You cannot **love** God and not **love** your neighbor. Neighbor is just a code word for another human being. The command is to **love** all human beings as you would your own self, brothers and sisters, fathers and mothers. We are all inter-connected and we are all ultimately part of the ONE God.

The Third Jesus page 55. “The lesson about divine love that Jesus taught is that **love** is so full of grace, it leads to transformation, it changes a person’s whole being.”

Reincarnation: The Missing Link In Christianity-Elizabeth and Erin Prophet (1997). “Reincarnationists saw Jesus as a man who showed us how to become One with God as all of us as sons have the potential to become the Christ as Jesus did. Jesus not only affirms the *Law of Karma* as set forth by Moses, he goes beyond it by establishing the law of life as the standard and for perfecting the soul. Jesus is saying: ‘The Law of Karma cannot be broken, but it can be fulfilled through Divine Love.’”

INSPIRATION

“An *inspiring* or animating action or influence; something **inspired**, as an idea; to fill with an exalting influence; to achieve or generate; to guide or control by **divine influence**, to give **inspiration.**”

Sometimes it just takes an act of God to kick start things going. After my 1973 encounter with God experience I was so **inspired** I lived in constant excitement. **Inspiration** and enthusiasm are cousins. Enthusiasm means “filled with God. **Inspiration** is to be “guided by divine influence.” Turn it over to God and watch the miracles that will happen in your life. For Jesus, fulfilling the prophecies was totally awe **inspiring**. He was literally “dying” to do this!

This “divine influence” reveals itself in Bruce in two astrological aspects.

HEALING

“To restore to health or soundness; to repair or reconcile; to effect a cure; to become well or sound.”

Healing comes in many shapes and forms. Jesus made it a point that the **healing** came by the person’s own faith that they will be **healed.** The faith creates the change within.

JESUS-PAST LIFE-CAUSE

Jesus CEO page 128. “Jesus was committed to **healing.**”

BRUCE-PRESENT LIFE-EFFECT

Sun trine Pluto- “**Healing** abilities.”

ACCOMPLISH THE TASK

“To bring to a successful conclusion; any piece of work; a matter of considerable difficulty.”

Bringing about personal transformation may be the most difficult **task*** of our life or it can happen rather suddenly and effortlessly and not be all that difficult. It all depends on what it is that we want to accomplish. I have set my sights on bringing about global spiritual transformation. Nothing has changed psychologically since the past lifetime.

The **goal*** is still the same.”

John 19:28-30. “That all things were now accomplished that the scriptures might be fulfilled.”

OPPORTUNITIES

“An appropriate or favorable time or occasion; a condition favorable for attainment of a goal; a good chance, as for success.”

Spiritual **opportunities** are all around us for the taking; like low hanging fruit. We need to upload our awareness level enough to begin the process. Start with the smallest of

good deeds and build on that. That will open the door to another **opportunity**. You are going to have to wake up from the dream you have been living in. The illusion and duality of the 3D world.

If you want the advantage in this world, do something for the world. God knows everything we are doing so do something for God.

JESUS-PAST LIFE-CAUSE

Passover Plot page 59. “He had the need for the **opportunity** to pursue the matters with which his mind was burdened.”

BRUCE-PRESENT LIFE-EFFECT

Sun trine Saturn- “He inherently knows how to take advantage of **opportunities** when they arise.”

STIR THINGS UP

Jesus did not sit back and wait for fate to happen. He went out and made it happen. He got out there and told the people what to do and how to do it. He got people excited. He showed the way and all he asked of them was that they have faith. **He stirred things up** with loving kindness. He gave the world the road map to get back home. **Stir things up** in your life, and in the life of others.

JESUS-PAST LIFE-CAUSE

Jesus CEO page 87. “What good does it do to **stir up** a crowd if you do not give them a constructive outlet for their energy.”

BRUCE-PRESENT LIFE-EFFECT

Mars sextile Neptune- “Bruce will **stir up** dissent to provoke necessary changes.”

TEACHER

“A person who **teaches**; to give instruction; to impart knowledge or skill; to help to learn, as by example.”

Jesus was a Rabbi, a Jewish scholar and **teacher**. He **taught** and instructed the people, not in the religious laws of the Jews but in the spiritual laws of the universe. His message wasn't so much about salvation as it was for personal transformation and transcendence, over our lower self. Jesus **taught** the method on how to achieve this. He also taught the mysteries of the universe to the people in parable and if they had “ears to hear” they would understand the message. He **taught** at all levels. He has returned to continue the **teachings**.

Matthew 23:10. “For you have one **teacher**-the Christ.”

Decoded: Love is the only **teacher** for Christ is Love.

JESUS-PAST LIFE-CAUSE

Jesus CEO page 128. “Jesus was committed to **teaching**.”

Jesus CEO page 210. “Education is his #1 priority.”

Jesus CEO page 13. “Jesus will **teach** people about a better way of life.”

Passover Plot page 88. “**Teacher** of righteousness.”

Passover Plot page 85. “Parabolic** **teaching**.”

**”Expressed in parables.”

The Third Jesus page 9. “Jesus **taught** his followers how to reach God consciousness.”

The Third Jesus page 1. “What Jesus **taught** was much more radical.”

The Third Jesus page 55. “To follow Jesus’ **teachings** on Love is to match them with your own level of consciousness.”

The Third Jesus page 55. “Jesus’ **teachings** are truly learned only when you become the **teaching.**”

The Third Jesus page 46. “The seed that falls on waste ground that doesn’t sprout is his **teaching.** The waste ground is a mind unprepared to receive the truth.”

Matthew 22:16. “**Teacher,**” they said. “We know you are a man of integrity.”

Matthew 22:36. “**Teacher,** which is the greatest commandment in the law?”

BRUCE-PRESENT LIFE-EFFECT

Mars sextile Uranus- “All levels of **teaching** give Bruce the satisfaction of making a significant personal contribution to others.”

Saturn in the 3rd House- “He is a good **teacher.**”

Sun trine Mars- “Bruce can gain prominence working with young people as a **teacher** or guidance counselor. Guidance counseling is especially suited to his capabilities.”

Neptune in the 5th House- “He is a **teacher** of mystic matters.”

CREATIVITY

“Having the quality or power of creating; resulting from originality of thought; imaginative.”

Amit Goswami, a prominent physicist who writes exclusively on a self aware universe says that **creativity** is just another face of transformation.” 41

JESUS-PAST LIFE -CAUSE

Jesus CEO page 66. “Jesus’ **creative** ability.”

BRUCE-PRESENT LIFE- EFFECT

Aspect unknown- “**Creative** abilities.”

Sun trine Saturn- “An abundance of creative energy and almost without effort he can mobilize his talents **creatively** to gain his objectives.”

Aspect unknown- “**Creative** inspirational action.”

EXCITEMENT

“An **excited** state or condition; something that **excites**; to stir up the emotions or feelings of; arouse; to arouse (emotions or feelings); awaken; to stir to action; stimulate.”

Transformation is a very exciting proposition. Jesus was very **excited** that he was changing people’s lives. I am equally as **excited**.

JESUS-PAST LIFE-CAUSE

Jesus CEO page 240. “Jesus **excited** people.”

BRUCE-PRESENT LIFE- EFFECT

Uranus in the 1st House- “Bruce has a desire for constant change and **excitement**.”

Aspect unknown- “Bruce is **exciting** to be around.”

Aspect unknown- “His **excitement** is knowing he’s made a positive contribution.”

POSITIVE

“Confident in opinion or assertion; sure.”

There are two forces in the material universe to choose from. **Positive** and negative. Transformation towards the divine can only be achieved by pursuing the **positive** force. The lower self most closely identifies with negative egoistic energy. Being **positive** is a very attractive force. Negativity is just as attractive and much easier. It’s our choice.

JESUS-PAST LIFE-CAUSE

Passover Plot page 173. “Jesus was **positive** he was the messiah.”

Passover Plot page 183. “The **positiveness** of Jesus.”

Passover Plot page 77. “Jesus spoke **positively**.”

BRUCE-PRESENT LIFE-EFFECT

Mars sextile Uranus- “Bruce will make a **positive** contribution.”

Moon trine Venus- “His **positive** and happy disposition.”

OPENNESS

“Candid or frank; generous; to reveal or become revealed; to make or become receptive to knowledge; exposed to general view or knowledge; open disregard to the rules.”

Look at “call it out.” *Sun sextile the ascendant*- “Bruce will not observe old rules.”

We have to be totally **open** with those with whom we want to bring about change.”

Cutting Through Spiritual Materialism page 210. Chungpa Rimpoche. “If a person is totally **open**, his response to life will be very direct, even outrageous.”

JESUS-PAST LIFE-CAUSE

Jesus CEO page 196. “Jesus was totally **open**.”

Passover Plot page 121. “Jesus had the most **open** manner.”

Jesus CEO page 188. “Jesus was **open** to people and their ideas.”

Passover Plot page 91. “Reveal himself as messiah and abandon his incognito.” I am about to “abandon my incognito.” It’s April 25, 2020 and *COVID-19* is raging.

BRUCE-PRESENT LIFE-EFFECT

Jupiter in the 7th House- “An **openness**.”

BENEVOLENT

“Characterized by goodwill; desiring to help others; charitable; established for good works.”

Benevolence characterized Jesus’ career and life.

JESUS-PAST LIFE-CAUSE

Passover Plot page 66. “**Benevolent** affection.”

Jesus CEO page 138. “He poured out affection freely.”

BRUCE-PRESENT LIFE-EFFECT

Jupiter in the 7th House- “**Benevolence**.”

Sun trine Mars- “He likes everyone and gets along with most people.”

COMMUNICATION

“The act of **communicating**; to make known; to give to another; transmit; to give or interchange thoughts, information.”

If you are going to deliver a message, communicating it is of paramount importance. If you cannot make known transformative information what good is it?

JESUS-PAST LIFE-CAUSE

Jesus CEO page 26. “As a leader, Jesus had **communication** skills.”

BRUCE-PRESENT LIFE-EFFECT

Mercury in the 10th House- “Bruce’s judgment and ability* to comprehend and **communicate** will greatly affect the outcome of undertakings.”

Mercury in the 10th House- “An ability* to **communicate** with the public.”

Moon sextile Mercury- “Bruce has the ability* to convey ideas simply and directly and to **communicate** easily with others.”

*Ability- Power or capacity to do or act; talent; skill, aptitude-”

ACCEPTANCE

“The act of **accepting** or state of being **accepted**; to receive willingly or with approval.”

Jesus’ disciples for the most part were not very educated or sophisticated in any way.

Spirit looks only at the heart. Jesus **accepted** them without conditions, He gave love without conditions, and **accepted** what life had to offer without conditions.”

JESUS-PAST LIFE-CAUSE

Jesus CEO page unknown. “**Accepts** people for who they were.”

Jesus CEO page 206. “Jesus treated others as equals.”

BRUCE-PRESENT LIFE-EFFECT

Sun trine Mars- “Bruce **accepts** people for what they are and he expects the same treatment.”

ON HIGH

“Lofty; exalted, as in rank or station; elated high spirits; a **high** point, place, or level. 23. **On high.** a. above b. in heaven.

It is no coincidence that Jesus should be described in such a manner and that this energy carried over into the next lifetime as Bruce.

The Cosmic Code page 305. “...someone who like the ancient prophets has a pipeline to the Godhead.”

JESUS-PAST LIFE-CAUSE

Jesus CEO page 13. “Jesus came from **on high.**”

Jesus CEO page 13. “Reveal himself as messiah.”

Jesus CEO page 116. “Jesus was God’s lightning rod.”

Passover Plot page 90. “Identify himself as messiah.”

Psalms 68:18. “Thou hast ascended **on high**, thou hast led captivity captive.”

BRUCE-PRESENT LIFE-EFFECT

Sun opposition Neptune- Bruce “regards himself as being inspired from **on high.**”

GENIUS

“An exceptional natural capacity of intellect; a person having such capacity; natural ability or talent.”

Having this quality takes many lifetimes of learning, experience and dedication. Jesus did have an advantage by being the chosen messiah and having the prophecies to follow as a guide and fulfilling them to the letter. Because of this he was branded as a **genius**. This energy has been transferred to Bruce who does not consider himself a **genius** but rather a servant doing what is required of him; i.e. to do the will of God.”

C.W. Ceran- “**Genius** is the ability to reduce the complicated to the simple.”

Cosmic Code- page 305 “A **genius** is someone who like the ancient prophets has a pipeline to the Godhead. It is kind of madness. But it is correct.”

Cosmic Code- page 305 “There are two kinds of **geniuses**; ordinary and extraordinary or devious **geniuses**. Extraordinary **geniuses** are quite different. It is not at all clear how they think. They seem to work by a set of rules of their own invention, yet arrive at remarkable insights.” Jesus and Bruce are both “devious **geniuses.**”

Cosmic Code pages 305, 306. “From time to time in the sciences, a true **genius** will emerge. The **genius** ability of the physicist to concentrate, remember and create is much greater than ours.”

JESUS-PAST LIFE-CAUSE

Passover Plot page 132. “It was a nightmarish conception and undertaking, the outcome of the frightening logic or of a sick mind or of a **genius**.”

Back cover of the *Passover Plot* 40th anniversary edition 2005 by Dr. Hugh Schoenfield.

“The *Passover Plot* shows us the historical evidence that Jesus was a mortal man, a young **genius** who believed himself to be the messiah and deliberately and brilliantly planned his entire ministry according to the Old Testament prophecies-even to the extent of plotting his own arrest, crucifixion and resurrection.”

BRUCE-PRESENT LIFE-EFFECT

Uranus in the 1st House- “People with *Uranus in the 1st House* are people of **genius** who will make important discoveries in their chosen fields. There is a strong drive for person freedom in his behavior. Bruce possesses unusual scientific and intuitive talents, regarded as eccentric, unusual or advanced in some way. He has little concern for conventional behavior. There is a desire for leadership in groups and organizations, especially the type that promotes, reforms, new ideas and advanced spiritual concepts becoming involved with the new, the untried and the inventive.”

Henry Ford. “...**genius** is experience..the fruit of long experience of many lives.”

No, Mr. Trump. You are not any kind of **genius**; especially not a “stable **genius**” as you call yourself. You are unstable and incompetent to be the President of the United States of America. Be an example to your base. Inject some cleaning fluids into your body. Walk the walk. Your lemming* followers believe you. They believed Jim Jones and look what happened to his followers.

* Lemming. “A person who *unthinkingly* joins a mass movement, especially a headlong rush to destruction.”

This brings us to “intelligence” which Mr. Trump is seriously deficient.

INTELLIGENCE

“Capacity for learning, reasoning and understanding; manifestation of a **high mental capacity**; information received or imparted.”

The intelligent thing to do in these tumultuous times is to pursue spiritual matters. We are heading into some very troubled waters (this was written in 2009) and humanity is going to need a lifeline of spirituality to make it safely through.

The Third Jesus page 148. “When Jesus told his followers that God sees and knows everything, he was describing the complete intimacy between the Self and the **intelligence** that pervades the universe.”

JESUS-PAST LIFE-CAUSE

Passover Plot page 56. “Bright **intelligence**.”

Passover Plot page 124. “...Jesus was too **intelligent**...”

Passover Plot page 132. “A very **high** order of **intelligence**.”

Passover Plot page 162. “Jesus used his **intelligence** to assure the fulfillment of the predictions.”

Passover Plot page 54. “Those present were amazed at his **intelligence**.”

BRUCE-PRESENT LIFE-EFFECT

Mercury sextile north node trine south node- “You’ve earned an **intellectual** ease through efforts in other lives. In this life you use these gifts to overcome any limitations or restrictions that hold you back.”

Saturn in the 3rd House- “You funnel your **intellectual** interests through great discipline and ambition.”

Pluto in the 3rd House- “You regenerate and transform your environment through your **intellectual** efforts and your learning experiences.”

Henry Ford: “..the fruit of long experience of many lives.”

REGENERATION AND TRANSFORMATION

“Reformed or reborn, especially in a spiritual or moral sense.”

“To change in condition, nature or character.”

Jesus wanted to **transform** reality from a materially oriented one to one based on spiritual principles. He knew he would not accomplish this **goal** in that lifetime. It was enough just fulfilling the prophecies. That earned him a berth in the palyoffs and a world championship in the life to come as Bruce.

The Third Jesus: “Jesus intended a completely new view of human nature, and unless you **transform** yourself you misunderstood what he had to say.”

A New Earth-Eckhart Tolle page 280 (2006). “..then comes the reconciliation of outer and inner purpose; to bring that essence-consciousness into the world of form and thereby **transform** the world. That **transformation** is the **task** allotted to us.”

The Lost Symbol by Dan Brown pages 488, 466. “One day soon the light would dawn and mankind would finally begin to grasp the simple **transformative** truth of the ancient teachings....the lost word has the power to **transform** humankind by unlocking the ancient mysteries.” leading to:

AN ENLIGHTENED SOCIETY FOR GLOBAL **TRANSFORMATION**

JESUS-PAST LIFE-CAUSE

Passover Plot page 67. “The messiah would be revealed as the instrument of the great change, the **regeneration**.”

BRUCE-PRESENT LIFE-EFFECT

Sun trine Pluto- “There is an ability to **regenerate**, upgrade and **transform** all aspects of life.”

Saturn conjunct Pluto- “His ideas and projects will have a **transforming** effect upon the world.”

Aspect unknown- “Great power of **regeneration.**”

Pluto in the 3rd House- “You **regenerate** and **transform** your environment.”

Pluto in Cancer- “**Regeneration** comes through deep emotional involvement.”
