

CURRICULUM VITAE/CV/COURSE OF LIFE

PART IX

DRAMA

“A composition presenting a story in dialogue to be performed by actors; a play; a series of vivid, exciting or suspenseful events; the quality of being vivid or striking.”

Humanity, itself, as a collective whole will make a transformative shift when it awakens from its dream state and realizes that life is but a scripted real time **movie** in full 3D, in living technicolor. God’s idea for a messiah, a savior, was to write a very **dramatic script** for its main **actor to play the role** for what the **scenes** called for to demonstrate the true nature of reality. Bruce, the reincarnation of Jesus is no longer required to play the role of “savior.” This time around everyone must dig deep and save themselves.

Life in the material world is pure illusion. It looks and feels real and in that sense, it is. But it really isn’t. It only becomes real upon trans-formative transcendence. “Row, row, row your boat gently down the stream merily, merily, merily, merily life is but a dream.”

The illusion disappears when we do the will of God. I have said this before. We do NOT have free will. We have been given the power of choice. We only earn free will when we do the will of God. Until we do it’s all illusion and duality. Serving God is the ultimate emancipation. Until then we are all just slaves to our egos and lower self.

Once humanity recognizes the **drama** it is caught up in it can make the shift, and transition from duality to unity and oneness. Then the illusion, the smoke and mirrors will vanish. Christians call this waking up being “born again in Christ.” Now, Christianity needs to up its game and become present here now and stop waiting for the “rapture.” It’s here and nowhere else.

As You Like It- William Shakespeare. “All the world’s a stage and all the men and women merely players. They have their exits and their entrances and one man in his time plays many parts...”

The “exits and the entrances” can be likened to the words of Jesus. “I go away. I come

again. Again I go away and I will come again.” *John 14:28.*

Passover Plot- “We may consider that Jesus had a strong sense of the **dramatic**. In his own person he **dramatized** his people’s history and saw himself **acting out** the prophecies, acquiring the form of a **drama**. His visualization of the **role** of the messiah was highly **theatrical** and he **played out the part** like an **actor**...and what every **act** called for.”

The Transformation of Man-Lewis Mumford. “By becoming human, man exchanges the stable, natural self native to each biological species, for a countless multitude of possible selves, molded for the working out of a **special drama and plot**, he himself helps to create.”

Passover Plot- “Jesus’ life was a **well evolved drama** to accomplish the great mission of his life.”

The Aquarian Gospel of Jesus the Christ of the Piscean Age- “You know all my life was **one great drama** for the sons of men, a **pattern** for the sons of men...”

Dr. Schoenfield labeled the psychological energy that made up the personality and character of Jesus as “**dramatic consciousness.**”

The reason God fed the heads of the prophets was for Jesus to **act** the prophecies out to demonstrate to the world the true nature of reality. As said before, life is just a movie. We are all **playing out** our **roles** in the **script**. The mazzaroth/zodiac/horoscope/chart, (*Job 38:31-33*) is the energetic record of our past lives in **script** form.

Cutting Through Spiritual Materialism. “We must accept the **melodramas** we get involved in as we live out our current crop of addictions...you are unconsciously playing out the **drama** of your life... as **actors** in the daily **drama** of life. You are not the actor. The real you is your conscious awareness and your conscious awareness is just digging the whole **show** from the audience...you watch the entire **drama** of your life, the addictive **dramas** that you have to **play out** on the **stage** of your life...it feels so good to be able to just open up and let people see all of you. You’ll be amazed at how quickly they can cut through their **drama** and accept you.

You have been involved in complex **role playing**; you can cut through these ensnaring **dramas**; try to see that **it’s all drama**; watch the **drama** of your life; clarify your minute to minute **drama**; watch your **drama** by seeing your **dramas** as you witness it; when you see how it all is...when you see everything that happens..in your life as a

moment-to-moment **acting out** of the great **drama**; to see your **drama** clearly is to be liberated from it so you do not have to compulsively **act out** the subject-object **scripts**. When you are enough through higher consciousness, everything can be enjoyed as part of **the great drama of your life.**”

Finite and Infinite Games. “Infinite play is always **dramatic** and that the death of an infinite player is **dramatic.**”

The crucifixion proves this point exactly. Jesus was an “infinite player.” Jesus volunteered to “come again” to show how the **dramatic script** continues lifetime to lifetime by demonstrating that neither time nor space can change the pattern of our basic character and personality.

Reference unknown. “We choose to live out the **patterns** that will most effectively manifest these situations in our lives...we reincarnate with the same people when we understand reasons, **patterns**, and causes. The grace of understanding allows us to transcend the traditional idea of karma, so that we do not have to **reenact** the same old **dramas.**”

Reference unknown. “It was Jesus’ way to be as **dramatic** as possible.”

FATE

“Something that unavoidably befalls a person; fortune; the ultimate agency by which the order of things is presumably prescribed; destiny; the ultimate outcome.”

Unlike most people, Jesus knew his **fate** from a fairly early age. The prophecies were the “ultimate agency by which the order of things Jesus presumably prescribed.” To suffer at the end was destined. Was death the “ultimate outcome” or was surviving the crucifixion the “ultimate outcome?”

I Ching 5th Hexagram *Hsu Waiting*. “Only a strong man can stand up to his **fate**, for his inner security enables him to endure to the end...for only the man who goes to meet his **fate** resolutely is equipped to deal with it adequately...**fate** comes when it will.”

The term means literally, ‘**what comes after physics.**’”

Metaphysics implies that which is spiritual, esoteric, mystical, “occult” or hidden. Metaphysics takes material physical applications and applies them in a spiritual context and framework.

Ibid page 337 “**Meta means beyond**”. i.e. “beyond physics.”

JESUS-PAST LIFE-CAUSE

BRUCE-PRESENT LIFE-EFFECT

Sun in Pisces/Scorpio decante- “Passionate involvement in **metaphysics.**” Bruce was born on the 2nd of the month and came 2nd.

Both Jesus and Bruce are mystics who have been “passionate about metaphysics” for the past 2000 years. Nothing has changed.

Herein ends Part IX on this 27th day of May 2020. Over 100,000 deaths due to Covid-19 in the United States. Trump makes no mention of the virus or emits any sympathy or empathy to those that have died. A perfect example of an anti-Christ resides in the White House.
