

MESSIAH FOR HIRE

CURRICULUM VITAE (CV) COURSE OF LIFE

PART V

SUCCESS

“A favorable outcome, as of endeavors; the attainment of wealth, position.”

Add the word *spiritual* in front of the words “*wealth*,” “*servant*” and “*position*.” The only “favorable outcome” in this third dimensional scenario is spiritual success as the greatest treasure is having the honor to serve God and our fellow humans. Material success is only a consolation prize and is not the proper measure.

For Jesus, **success** was fulfilling the prophecies and enduring the suffering that they demanded. Achieving union with the Oneness made Jesus one of the most **successful** people in history. God measures us by the breadth of our heart and our deeds. Love is the greatest success. The giving, the sharing and the receiving.

Matthew 6:20. “Store up for yourselves treasures in heaven where neither rust nor moth consume and where thieves do not break in and steal.”

See Blog post for April 26, 2020.

Albert Schweitzer. “Reincarnation contains a most comforting explanation of reality by means of which Indian thought surmounts difficulties which baffle the thinkers of Europe.”

Even Napoleon Bonoparte was known to have told his generals that he believed in the law of reincarnation and even disclosed to them who he believed he was in a prior lifetime.

Freidrich Nietzsche. “Live so thou mayest desire to live again-that is thy duty for in any case thou wilt live again.”

Henry Ford. “I adopted the theory of reincarnation when I was 26. Genius is experience. Some seem to think that it is a gift or talent, but it is **the fruit of long experience of many lives.** “

I believe Henry Ford had it right. However, the gifts and talents we bring into this world, as I have shown in all my writings, are earned from the experience of all our prior lifetimes.

2.

Genius is but reducing the complex to the simple for reincarnation is the great teacher in explaining so many of life's unsolved mysteries of the human condition. What we are, right here, right now, is the sum total of all our lifetimes. We must take responsibility for this and make the necessary changes to further the positive evolution of our soul's journey back home.

TURN THINGS AROUND

There is no dictionary definition for this static state. When things are at a standstill and going nowhere it's time to **turn things around**. In order to do this we must pursue spiritual things, read spiritual books, do good deeds. Help someone who is worse off than we are. Love everyone and everything with your heart. Be kind and considerate. Things will definitely **turn around** for us. It is the law of the universe to get back what we give out.

When the timing is right, I will help turn things around for humanity on a global level. This event has already been programmed into my being.

Karmic Astrology by astrologer Martin Schulman. "To a qualified expert, a knowledge of the Sun, Moon, and nodal positions can reveal the entire life of the individual. It is through the nodes that western astrology is now able to make its first inroads into relating this divine science to the Hindu concept of reincarnation."

JESUS-PAST LIFE-CAUSE

Jesus CEO page 166. "Jesus was **a turnaround specialist**."

BRUCE-PRESENT LIFE-EFFECT

Pluto in the 3rd House. "He will **turn the tide** from a hopeless to a favorable situation."

3.

North node in the 12th House. “**Turn adverse conditions** to your favor.”

EXPRESS YOURSELF

“To put in words; to show; reveal; clearly stated; explicit; specific.”

Everything Jesus said was purposeful. He always said what needed to be said and he **expressed** himself in an authoritative, forceful, but gentle manner. He did so convincingly. The forcefulness was through his gentleness. Jesus was able to **express** his power and authority through his humility, which did not mean that he was always humble. The act of casting the money changers out of the temple with a whip was hardly an act of humility. When it was showtime and the curtain went up Jesus got the show on the road in a most dramatic way.

JESUS-PAST LIFE-CAUSE

Passover Plot page 137. “Jesus, well knowing what he was doing, had quite deliberately **forced** them...”

Passover Plot page 150. “Jesus **forced** them to proceed against him.”

FINISH WHAT YOU START

“To bring to an end; to come to the end of; the final part or last stage; end or **conclusion.**”

4.

For Jesus, the **conclusion** could have gone either way. The prophecies in the Psalms gave two possible outcomes. Death or life.

For me, the outcome of this lifetime's long project has already been successfully predetermined. God will have to **finish** me off before I will give up the **finish**.

JESUS-PAST LIFE-CAUSE

Passover Plot page 66. “To pursue a chosen course **to the end.**”

Passover Plot page 64. “To **carry out** certain actions calculated to have particular effects and leading up to a **predetermined conclusion.**”

BRUCE-PRESENT LIFE-EFFECT

Sun trine Saturn- “He has the moral stamina to **carry any** project **determined** onto a **successful conclusion.**”

BE THE CEO OF YOURSELF

CEO, Chief Executive Officer.

It is far more difficult to manage our self spiritually than it is to run a large corporation. Staying in the unity and out of duality and illusion takes a lot of hard work. Become a master of your self. Pay attention! Let's all wake up. Laurie Beth Jones called her book *Jesus CEO* for a reason.

Sun trine Saturn- “**Executive** ability.”

DO THE UNEXPECTED

“Not expected; unforeseen.”

Venture out into the unknown. Study astrology. Study numerology. Study Chinese mysticism. Read everything spiritual and raise your vibration level. It’s all about frequencies. The higher our rate of vibration the more good things we attract to our selves. It is a process. It does not happen overnight. Learn about who you really are!

Demonstrate a random act of loving-kindness. Experiment with the universe. Be conscious of your consciousness. Look at your self in the mirror and see the reflection as someone outside of your self. Observe your self; witness your self; observe your self; separate your self from yourself.

MEDIATOR

4-19-2020

“To settle (a dispute); as an intermediary; to act as an intermediary.”

It takes trust to have faith in something unseen. Our faith will always be tested. After 47 years I still have an intense **faith** that I will fulfill my mission and destiny. The sacrifice is miniscule compared to the reward for “loyalty and fidelity” to God, eternal life in full cosmic consciousness. That eternity is here now!

Jesus CEO page unknown. “Jesus was **calm** when his work seemed to unravel.”

Passover Plot page 146. “Jesus had fully regained his composure.”

BRUCE-PRESENT LIFE-EFFECT

CALL IT OUT!

When you see injustice are you willing to **call it out**? Do you call a spade a spade? Jesus did and so do I! I went to prison for what I believed and to demonstrate to humanity how the patterns repeat themselves. I put myself in prison. Nobody put me there.

SENSITIVE

“Endowed with sensation; readily or excessively affected by external influences; responsive to the feelings of others.”

Once we have opened up ourselves to infinite spiritual possibilities we acquire a profound spirituality to everything around us. Perception becomes keener. Intuition expands. Everything becomes more vibrant and alive.

Sympathy is a good thing but empathy is better. Jesus said, “There will always be the poor and the suffering.” It is better that we teach and empower souls with the ability to understand why they are suffering. Sympathy and **compassion** are a temporary fix. Until the soul/person understands the “why” can they determine the “how.” What we sow we reap.” **Compassion** is a good thing. Action to change the situation is better. “Actions speak louder than words of sympathy. Do a good deed and speak the truth.
