

Verses Are Blessings

By Bruce Robert Travis

I have experienced the absolute power of the application of the following verses, daily. The results are truly amazing and enhance *The Secret* and the *Law of Attraction*. Apply these simple principles, understand the premise, say the prayer of Jabez, ask for God's blessings and expect miracles.

The first principle is from Mark 11:24: "*Whatsoever thing you desire when you pray, believe you have received it and you will have it.*" You must believe it. Prayer is but focused thought.

The second principle is you must ask for what you "desire." From Matthew 7:7: "*Ask and you shall receive.*"

The third principle is based on the simple cosmic truth from James 4:2: "*You do not have because you do not ask.*"

The fourth principle is the understanding that the Creator of the universe wants us to have abundance, joy, love, happiness and peace, and wants to bless us with all that.

Proverbs 10:22: "*The Lord's blessing is our greatest wealth.*"

And finally, from 1 Chronicles 4:9,10 is the most powerful prayer/thought I have ever experienced. It was said by Jabez from the tribe of Judah in ancient Israel hundreds of years BCE.

*"Oh (God) that you would bless me indeed,
and enlarge my territory (my influence to serve God)
And that your hand would be with me
And keep me from evil."*

That's it. I promise you results beyond your wildest dreams. Understand the metaphysics of all the above and the supernatural will be visited upon you. Please share this with everyone, and that we all ask God for peace and love on earth.

Remember, *Christ-Mas* means "love more," and it is an everyday event.
