AFTER JUST TWO DAYS OF CONCLAVE ROBERT PREVOST IS ELECTED POPE

His Holiness Pope Leo XIV

Dear Pope Leo XIV,

I am presenting you with some remarkable synchronicities that indicate some how, some way, and some day soon in time you and I will meet. Please scan the QR Code on the enclosed image for *The Solution to a Permanent and Lasting Peace* in the Middle E*ast, Messiah For Hire Curriculum Vitae Parts 1-10 Course of Life* and my website *The Center For World Peace.Love* where you will find all my works since 1973.

It is refreshing to know that besides theology you have a math degree, taught physics and, thus, must have an understanding of the *Theory of Everything,* the *Grand Unified Theory* and the *Unified Field Theory.* Over the course of the past fifty plus years I successfully decoded the Unified field. As a Jewish man I am a student of Gematria, which in numerology, is the practice of assigning a numerical value to a name, word or phrase by reading it as a number, or sometimes by using an alphanumeric cipher. It is based on the Pythagorean tradition which originated in the 6th Century BCE.

The *Unified Field* and the secret to its decoding is rooted in ***Genesis 1:27,*** "...in the image of God he created them" and ***Psalms 82:6*** as quoted by Jesus in ***John 10:34.*** "You are Gods, children of the Most High." When Jesus said: "Don't look out there for the kingdom of God, for behold the kingdom of God is within you" ***Luke 17:20,21,*** he declared human as the unified field. In my essay, *The Unified field Revealed* I decode the mathematical framework of the universe. Jesus, then, is the standard model of reality and the embodiment of the *Unified Field* as revealed through his reincarnation, Bruce **ROBERT** Travis son of **LOUIS** Travis.

Bruce was born on April 2, 1948, i.e. 4-2-1948 = **28=10=1.**
Louis was born on January 17, 1918, i.e. 1-1+7+1+9+1+8= **28=10=1.**

Both Bruce and Louis were born in **Chicago,** Illinois in the United States of America.

Bruce was born on **Chicago's south side** at the Lying In Hospital in Chicago's **Hyde Park.** The rest of the incredible synchronicities follow later in this letter to your Holiness

Albert Einstein, died the year you were born, **1955.** "His work, and his reflections on it suggest a "block universe" concept, where all moments in time, past, present, and future-coexist. In a letter to the family of his recently deceased friend, Michele Besso, in **1955,** Einstein wrote, 'To those of us who

believe in physics, the distinction between past, present, and future is only a stubbornly persistent illusion.' This statement implies our perception of time as flowing from past to present to future is a subjective human construct, not necessarily the fundamental nature of time itself. Einstein's theories suggest that all moments in time coexist, and our experience of time's passage is an illusion."

Einstein, as a Jew, was familiar with the Old Testament and I believe he got this notion of the past, present and future "coexisting" from ***Ecclesiastes 3:15***. "Whatever is has already been, and what will be has been before; and God will call the past to account." He also said: "Condemnation prior to investigation is the highest form of ignorance" and "Great spirits have always encountered violent opposition from mediocre minds." I ask that when reading this information you keep an open mind and heart.

Confessions of Saint Augustine, 354 A.D. to 439 A.D. Book 1

Edward Pusey, translator

In his confessions, Augustine ponders the common sense viability of reincarnation: "Did my infancy succeed another age of mine that dies before it? Was it that which I spent in my mother's womb?...And what before that life again, O God of my joy, was I anywhere or in any body?" Augustine also speculated that philosopher Plotinus was the reincarnation of Plato. Saint Augustine wrote: "The message of Plato...now shines forth mainly in Plotinus, a Platonist so like his master that one would think...that Plato is born again in Plotinus." *

POPE VIGILIUS ARRESTED FOR BELIEVING IN REINCARNATION

Pope Vigilius was arrested for believing in reincarnation. In 545 A.D. Roman Emperor Justinian forced the ruling cardinals to draft a papal decree stating that anyone who believes that souls come from God and return from God will be punished by death. ***John 16:28.*** "I came forth from the Father and have come into the world. Again, I leave the world and go to the Father." History shows that the early Christian church Fathers believed in reincarnation and that souls journey back and forth (reincarnate) **(Genesis 28:10-17**) until they become One with God. In 250 A.D. the theologian Origen wrote of the pre-existence of the soul, that the soul's source was God and after lessons learned in multiple lifetimes on earth the soul can return to being ONE with God.

In the 6th century, Pope Vigilius and Emperor Justinian disagreed about **the teachings of Origen being consistent with the teachings of Jesus** so Justinian condemned all the teachings on reincarnation. Pope Vigilius refused to sign the Papal decree, was arrested and sentenced to prison. However, he escaped. To this day Christianity finds reincarnation anathema to their faith. This could not be farther from the truth. ***Hebrews 9:27*** does not disprove reincarnation. Upon reading the entire chapter 9 one discovers the subject was about whether or not Jesus had to be sacrificed more than once.

Matthew 11:13-14. "For all the prophets and the law have prophesied until John. And if you are willing to receive it, he is Elija who was to come." Jesus is saying: "Those who have an ear will hear." ***Matthew 11:15***, ***Mark 4:23, Revelation 2:7.*** These verses are a call for attentive listening and

understanding of Jesus' teachings. While many may be physically present, not all are truly hearing and grasping **THE DEEPER MEANING OF WHAT IS BEING SAID.**

Matthew 17:10-13. "And the disciples asked him saying, 'Why then do the scribes say that Elija must come first?' But he answered them and said, 'Elija/Elias is indeed to come and will restore all things. But I say to you that **Elija has come already,** and they did not know him, but did to him whatever they wished. So also shall the Son of Man suffer at their hand. Then the disciples **understood** that he had spoken of John the Baptist." Those who have an ear will hear.

"While it is difficult to give an exact number, several prominent early Church Fathers believed in pre-existence and reincarnation, including Origen, St. Clement of Alexandria, Justin Martyr, Saint Gregory of Nyssa, Saint Jerome, Arnobius, Rufinus and Saint Augustine. However, the official stance of the Church has always been against reincarnation."

The following are amazing synchronicities between Pope Leo XIV and Bruce **ROBERT** Travis who my be 'twin-flames."

Pope Leo XIV was **born in the United States of America.**
Bruce was **born in the United States of America.**

Pope Leo's birth name is **ROBERT** Prevost.
Bruce's birth name is Bruce **ROBERT** Travis.

Pope Leo's father's name was **LOUIS.**
Bruce's father's name was **LOUIS.**

Pope Leo XIV was **born in Chicago, Illinois.**
Bruce was **born in Chicago, Illinois.**

Pope Leo XIV was **born on Chicago's south side.**
Bruce was **born on Chicago's south side.**

Pope Leo XIV attended the Catholic Theological Union in **HYDE PARK,** Chicago from 1978 to 1982.
Bruce Robert Travis was born at the Lying In Hospital in Chicago's **HYDE PARK** on April 2, 1948.

Pope Leo XIV was a **TEACHER** at St. Rita High School at 63rd and Fairfield in Chicago's **MARQUETTE PARK.**

Bruce lived at 3118 w. 67th Street and 6516 S. California Avenue in Chicago's **MARQUETTE PARK.**

Bruce went to **MARQUETTE** Elementary School to the 5th grade.

Bruce is a **TEACHER** and a **TEACHER** of mystic matters. (*Neptune in the 5th House*)

Louis and Rosamond Travis opened *Travis and Travis Real Estate, Inc.*, in **1955** on **63rd Street** less than three blocks from St. Rita's Church at **63rd** and Fairfield.

Pope Leo XIV was born in **1955.**

Pope Leo XIV was born on September **14th.**

Bruce's daughter Danielle was born on September **13th .**

Pope Leo XIV is a **CHICAGO WHITE SOX** fan.

Bruce is a **CHICAGO WHITE SOX** fan.

Pope Leo XIV is a **TENNIS** fan and has described himself as "quite the amateur **TENNIS PLAYER,**" according to *Sky News*. He even met with Jannik Sinner, the world number 1 tennis player, who gifted him a tennis racket during an off-day at the Italian Open.

In a 2023 interview, Pope Leo XIV said that he "had a few occasions to practice so I am looking forward to getting back on the court (laughs)" according to Sky News. But Leo, who became the 267th pontiff in a(n) historic election earlier this month, declined a suggestion to go for a hit with the **three-time grand slam winner,** as he looked at the lights on the ceiling and said to laughter: "Better not."

It is (almost) beyond comprehension that in Bruce's first book, *My Past Life As Jesus-An Autobiography of Two Lifetimes*, 2001, on page H of the photos and illustrations Bruce is pictured with **three-time Wimbleton champion** John Newcomb at the Wailea Tennis Club once called Wimbledon West because of its two grass tennis courts.

The caption under the photograph states: "What incredible synchronicity of the Jesus Jacket with XXVIII (28) **Tennis Games**-Wimbledon champ and Wimbledon West." The number **28** is the key number to decoding the Unified Field. (See enclosed photo.)

And now, look at the beyond belief synchronicity of Pope XIV, a **tennis player,** being with a "**three-time grand slam winner"** and Bruce, who at one time was rated a 4.0 **TENNIS PLAYER.** What is the statistical probability of this occurrence?

You can't make this stuff up. And, there's much more.

When **Robert** Prevost became Pope **Leo** the XIV on May 8, 2025, the planet **Mars was in Leo.**

When Bruce **Robert** Travis was reborn on April 2, 1948, the planets **Pluto, Saturn and Mars were in Leo.**

Leon/Leo, Latin for lion. Jesus was the **Lion of Judah.** ***Revelation 5:5.*** "Then one of the elders said to me, 'Do not weep! See the **Lion** of the tribe of Judah, the root of David, has triumphed. He is able to open the scroll and its seven seals." ***Revelation 22:16*** identifies Jesus as both the "root and offspring of David" and the "bright and morning star."

Pope Leo XIV will be a roaring **Lion** just like Leo the XIII and Leo 1. "I believe the shoes of the fisherman will fit Cardinal Prevost (now Pope LEO XIV) . Let us pray that, like his predecessors, he

possesses the soul of a lion and the unshakable love of Saint Augustine, who proclaimed: 'In him we are one.'" world wide web.

Pope Leo XIV is Pope Leo the **14th**. He was born on September **14th.** Is it merely coincidence that the Dalai Lama is the **14th** reincarnation of his predecessor the 13th Dalai Lama? According to Tibetan Buddhist doctrine the Dalai Lama chooses his reincarnation. The numerical value of **14** is one half (½) of the number **28,** the universal coded cosmic number. Bruce is a number **28** by birth.* Bruce built his home on lot **14** in the Wailea Kialoa subdivision in Maui, Hawaii. This detail may be trivial but it has spiritual relevance as to the connection between Pope Leo XIV and Bruce, fate and causal predetermination. Most importantly Bruce turned 77 years of age on April 2, 2025. 7+7=**14**

"Angel number **14** and Twin Flames. A twin flame connection is a rare soul connection that can bring deep meaning and an unrivaled spiritual connection into your life. Twin flame connections are different from soulmate connections and aren't always romantic laisons. In a twin flame connection two halves of the same soul are reunited by fate, with each party having an essential lesson to learn. The number **14** (half of 28) is a positive sign for twin flames, as it can be a sign of a deep connection close by. Your angels are letting you know that **this could be in the cards for you,** so you need to keep an open heart and an open mind." By Brett Larkin, founder of Uplifted Yoga.

"What does **14** mean spiritually? The number **14** can show up when you have gone through a turbulent time, but a positive change is waiting for you. Your angels want you to know that a new journey is beginning, and it's one that will bring great progress."

*The *Unified Field Revealed.*

What is the Biblical significance of the number **14**? The number **14** appears in Matthew's geneology of Jesus with three sets of **14** generations from Abraham to David, David to the Babylonian exile, and the exile to Jesus. This repetition of **14** is seen as a way of demonstrating that Jesus is the 'Son of David.' There are **28** generations from David to Jesus.

"Angel number **14** and its Biblical meaning. In the Bible, the number **14** is said to be a sign of salvation, liberation, and release. It shows up in the bible when someone is given life-changing news or when someone is delivered to safety after a turbulent time. The number **14** also has the biblical meaning of being a sign from your guardian angels, reminding you of the importance of keeping a calm and balanced mind and infusing your thoughts with positive energy." Brett Larkin

"The meaning of angel number **14 is** balance, harmony, and commitment to your dreams and it can be a positive sign that a much-needed change is on the horizon. This number is a divine message sent from your guardian angels to give you hope, strength,, and direction, either in your daily life or when it comes to a specific set of circumstances. A number of forward momentum and carefully calculated decisions, this number urges us to stay present and positive, calm and collected, no matter what situation we find ourselves in." Brett Larkin

Revelation 22:16: "I, Jesus, have sent my angel to give you this testimony for the churches. **I am the Root and the offspring of David,** and the bright Morning Star*." (*Venus, the planet symbolizing love. ***Isaiah 14:12)***. Could it be that Jesus knew he was the reincarnation of David beyond just being descended from David through his son Nathan? ***Revelation 5:5***. "**The root of David.**"

John 16:28. "I came forth from the Father and have come into the world. **Again,** I leave the world and go to the Father." The implication is crystal clear. Jesus has been in the material world before. **"Again!"**

John 14:2,3. "...And if I go and prepare a place for you, I will come **AGAIN** and receive you unto myself, that where I AM you may be also." Jesus, like the Dalai Lama, chose his reincarnation and explained in ***Matthew 24:32*** when he would be reborn/reincarnate. He said to "learn the parable/lesson of the 'fig tree' referring to the re-birth of Israel on May **14**, 1948. Bruce was re-born on April 2, 1948.

Is this merely all coincidence or a part of God's intelligent design for humanity? I don't know for certain what this connection between Pope Leo XIV and myself means. Maybe we are "twin flames."

On the flight from San Francisco to Maui on Sunday April 13, 2025 I watched the movie *Conclave* which was released the year before. I had never seen it but always wanted to. Just eight days later on April 21st Pope Francis passed over to the other side and then the Conclave in Rome began on May 6th and on May 8, 2025 Pope Leo XIV was elected.

Pope John Paul II passed away on my birthday on **April 2, 2005.** Some how there is a papal connection going on. I suspect it has to do with my being the reincarnation of Jesus. I am Jewish and the Pope is Catholic so it's definitely not that. I think it has something to do with Saint Augustine and the Pope being an Augustinian and Augustine believing in reincarnation. Whether or not Pope Leo XIV embraces the law of reincarnation I do not know but I will attempt to find out as I plan on sending him this Letter to the Vatican. Most likely it will never reach his hands and eyes but one never knows what the universe has in store for Bruce. The synchronicities between pope Leo XIV and Bruce are way beyond coincidence.

The number 22* is also auspicious. Pope Leo was elected on May 8, 2025 which equals **22.** Bruce was born in 1948 which equals **22.** Bruce, in the Pythagorean numerical system equals **22.**

May Peace be Upon the Planet,
