

# THE UNIFIED FIELD REVEALED

by

## THE REINCARNATION OF JESUS/YESHUA

Ever since Albert Einstein discovered the *Special Theory of Relativity*, theoretical, particle and nuclear physicists have sought to find, decode and define the *Unified Field*, also referred to as the G.U.T (*Grand Unified Theory*) and the T.O.E., (*Theory of Everything*). As long as the scientific community continues to look “out there” instead of looking within they will never find it. The *Unified Field* does not exist outside of our “selves” because a human being IS the *Unified Field*.

In order to decode the mathematical framework of the universe a cipher is needed. The person who embodies the cosmic universal code IS the embodiment of the cipher and the arch-typical prototype and the *Standard Model of Reality* of the *Unified Field*. The reincarnation of Y’shua is that person. That said, every human being has the cipher encoded in their being but we need to go very deep within to find it. We need to go back (within) to the Source of all Creation, to the Unity, to the One (**1**).

The Jewish mystical Qabalah (to receive wisdom) teaches that the “soul is **measured** at birth.” and that **the birth numbers reveal the state of the soul** and is a **measure** of its spiritual alignment in relation to God. Modern mathematical physics retains the ancient Greek assumption that the universe is rationally **ordered** according to mathematical principles. This **mathematical order** has to do with the coded number **28=10=1**.

Pythagoras, the founder of modern day mathematics was convinced the **cosmic order** was based on numerical relationships, and that **number was the measure of all things**; that the perfect numbers were 6 and **28=10** with greatest respect for the number **10** which reduces to **1**. He devised a system relating to the number **10=1**.

Physicist Paul Davies in *The Mind of God* said: “The natural world is not just any old concoction of entities and forces, but a marvelously ingenious and **unified mathematical scheme**. Each new discovery is a clue which finds its solution in some new mathematical linkage and one begins to see **a pattern** emerge. To what purpose has God produced this design? The universe looks as if it is unfolding according to some **plan** or **blueprint**, the product of intelligent design.”

*Genesis 1:1*: “In the beginning God created the heaven and the earth.” **10** words and **28** Hebrew letters. **10=1** and **28=10=1**.

What does this “beginning” look like in relation to material Creation? Before the “beginning?” The immaterial spiritual realm is not being discussed in this article.

To show God’s omnipotence as the Creator of time and space we will start at the “beginning” called the Big Bang. In the first trillionth of a second of material creation, all four known forces were **ONE**; i.e. **1**.

In the world of physics this moment is called singularity (**single/one**) when the physical universe, time and space began.

**10-42**: The Big Bang. Matter comes out of no-thing, not nothing.

**10-10-** The universe is about the size of our solar system. At this point, this common origin comes from the **UNIFICATION (unity/united/28)** of the four forces. **10=1 & 10=1.**

“Albert Einstein suggested that **ONE (1)** underlying field exists as the background for all transformations of space-time and mass-energy. This implies a level of nature that is totally **fused**, that is “joined or blended to form a **single (1)** entity.” So we see that the laws of physics must provide simple **patterns** that underlie all physical phenomena.

The mathematical formula in physics for the *Gravitational Cutoff* in outer space is: **10<sup>-28</sup> Ev. 10=1; 28=10=1.**

The mathematical formula in physics for the *Unexplored Region* in outer space is **10<sup>-10</sup> Ev. 10=1; 10=1.**

*Ecclesiastes 3:1-8.* “To everything there is a season, and a time to every purpose under the **heaven.**” These verses represent the **28** periods of time representing positive and negative forces in nature. **14 X’s 2= 2+8=10=1.**

Particle physicists in the 20<sup>th</sup> century determined there are **10** dimensions in the universe. **10=1.**

*Matthew 25:1.* Then the kingdom of heaven (28) shall become like 10 virgins.” 10=1.

Physicist John Barrow said: “Particular laws of the universe represent some sort of optimal coding.”

The ancient Tree of Life as it applies to a human being has 10 gates.

The number **10** is the perfect number. **10=1.**

The Kether, the top crown of creation on the Tree of Life is represented by the number **1**, the **Unity**, the **root** of all things. In *Revelation 22:16 Yeshua* said “I am the **root** and offspring of David and the bright and morning star.”

The Malkuth at the bottom of the Tree represents the material world and is represented by the **#10=1.**

The Tree of Life has been mis-represented visually throughout history. On this tree the **roots** are at the top (kether/God) and the branches (malkuth/material world) and hu-man are at the bottom. The tree is upside down but it is correct.

The Kether of the Adam Kadmon are the Hebrew letters AHIH, The I AM. God said to Moses: “I AM that I AM.” Adam Kadmon is the Body of Man.

On June **28 =10=1**, 2011 Joanne Walmsley of *Sacred Scribes Australia* published the following on the internet: "(The)Angel Number **28** is made up from the energies and vibrations of the number **2** and number **8**.

Number **2** resonates with the attributes of diplomacy and cooperation, balance and harmony, insightfulness and service to others, sensitivity and adaptability. Number **2** also relates to your Divine life purpose and soul mission.

Number **8** relates to the qualities of manifesting wealth, abundance and prosperity, problem solving and achieving success, inner-wisdom and knowledge, stability and integrity. Number **8** also resonates with Karma and the Universal Spiritual Law of Karma. This makes **28** a number of receptivity, partnerships, duality and attainment; as well as a number of wealth, authority, finances and leadership.

Angel number **28** is a message from your angels that your self-belief, confidence and positive attitude have ensured that abundance will enter your life, and you are encouraged to make the most of these auspicious energies. Be grateful for your blessings and remember that the more you have, the more you have to share with others. Give and so shall you receive.

You have worked steadily towards achieving long-term goals and aspirations and have used your personal integrity and wisdom to their utmost. Your angels encourage you to keep up the good work.

Angel number **28** is also a message from your angels that a door is about to close for you, and your angels are assuring you intuitively that another is about to open. This will prove to be most beneficial to you. Trust that your material needs will be taken care of during these changes.

Angel number **28** may also be an indication that it is time for you to consider beginning a spiritually based profession (*Messiah For Hire*), practice and/or career or heart based service.

Number **28** also relates to the number ( $2+8=10/1$ ) and the Angel Number **1**.” Joanne Walmsley can be reached at: [sacredscribes@gmail.com](mailto:sacredscribes@gmail.com)

IBM produced a movie called the Power of  $10=1$ . It was filmed in Chicago with Lake Point Tower in the background. The only year in the 20<sup>th</sup> century to add up to the number **28** was  $1999=28=10=1$ .

The reincarnation of Yeshua drives a white **1999** vehicle.  $1999=28=10=1$ .

On  $1/17/1981=28=10=1$  the *Orde De Sion*, aka the *Knights Templar* elected the 27<sup>th</sup> Grand Master. The next one will be the  $28\text{th}=10=1$ . This is a symbolic synchronicity. Yeshua and his reincarnation is the “Grand Master.” *The Orde De Sion* was debunked as a fabrication and did not really exist.

On this very same date,  $1/17/1981=28=10=1$ , Henry Lincoln, one of the authors of the book *Holy Blood Holy Grail* penned the words: “Something extraordinary is waiting to be found and in the not too distant future it will be.” What do you think this “extraordinary” thing is?

There are  $28=10=1$  nations in the European Union which is on the verge of becoming 27 if England does its Brexit trip. This is highly symbolic of the dis-unity and chaos on the planet.

$1986=6$  was a year of destiny. It was a number 6 year, the other perfect number. God gave us clues of Its master plan for humanity that year.

In January, the 1<sup>st</sup> month. On the

$28^{\text{th}}$  day.  $2+8=10=1$ .

On the  $10^{\text{th}}$  mission of the space shuttle *Challenger*.

On the  $28^{\text{th}}$  anniversary of the day America first hurled a man into space  $2+8=10=1$ .

73 seconds into the flight  $7+3=10=1$  the Challenger exploded.

19 years before  $1+9=10=1$ , the United ( $28=10=1$ ) States had its first space related death.

Of the crew, one was a civilian, a teacher named **CHRIST**a whose goal was to de-mystify NASA. She was 37 years old,  $3+7=10=1$ .

The reincarnation of Yeshua, the Messiah, which means **CHRIST** was also 37 years old,  $3+7=10=1$  at the time of the disaster. He was born with the planet *Neptune in the 5<sup>th</sup> House* which is the teacher of mystic matters.

Is this all just amazing coincidence or a pattern of God’s plan for humanity?

In 1986, just two days before the Shuttle disaster the Chicago ( $37=10=1$ ) Bears won Super Bowl XX(20/two 10’s) **46 to 10** with its famous  $46=10$  defense.  $4+6=10$ ;  $4+6=10$ .

There was a 28 yard field goal  $2+8=10=1$ , a 28 yard run  $2+8=10=1$ .

What is God telling us? The *Ursa Major* constellation symbolizes the *Great Bear*, a sacred animal associated with **mystery** and **sacrifice**. The Chicago Bears? The Chicago Cubs? These two events were two days apart. One was a “shuffle” and the other was a “shuttle.” Humanity is being “challenged” to raise the bar of consciousness to bring about peace and love on the planet. Did the crew of the shuttle Challenger “**sacrifice**” themselves for humanity? It looks like it!! Who else on the planet solved this mystery?

Later that year in 1986=6 the reincarnation of Yeshua and his wife were in Vancouver B.C for the World Exposition. On July 2, 1986, a 33 master frequency day, while shopping in a clothing boutique my wife finds a powder blue jacket she thought I should buy. The label inside the jacket is JESUS/ LOOK PERFECTLY. On the front of the jacket is a badge with the words: 1955 Tennis Garden **XXVIII** games (**28=10=1**) JESUS with two olive branches. I am a tennis player. What is the statistical probability of this happening? Of any of this happening?

Why 1955? In 1955 Albert Einstein said: “the distinction between past, present and future is only an illusion.” Also, in 1955 *The Urantia Book* was published and recounted the lost 18 years of Jesus’ life absent from *The New Testament*. The reincarnation of Yeshua lived just a few blocks away from the *Urantia Foundation* headquarters in Chicago before moving to Lake Point Tower.

On Yom Kippur 2018 we entered the Jewish year 5779=**28=1**. 5778=27=9 ended and a new cycle began.

The last Jewish year in the 20<sup>th</sup> century adding up to **28** was 1938, the Jewish year **5,698=28**. **2+8=10=1**.

December 6, 2017=**28=10=1**. Even though Jerusalem has been the center of Jewish life since the time of King David over three thousand years ago and that Israel declared Jerusalem as its capital in 1948, President Donald Trump, the **28<sup>th</sup>=10=1** Republican nominee on this day that is a #**28** vibration day declared Jerusalem as Israel’s capital. Is this just amazing coincidence or part of God’s divine plan for humanity? Isn’t it equally amazing that nearly 100 years before On November 2, 1917 the Balfour Declaration, a public statement issued by the British government during the First World War, announced support for the establishment of a “national home for the Jewish people” in Palestine.

Donald Trump is the **45<sup>th</sup>=9**(completion/ending) President of the United States of America. The **28<sup>th</sup>=10-1** nominee and the **45<sup>th</sup>=9** President. **1 and 9=10=1**. The beginning and the ending. Who do you think is writing this script? Will Trump be the last of presidents in this archaic and no longer functional political system that is divisive and not unifying?

Former Israeli President Shimon Peres said: “As human beings Palestinians must be accepted and have a state of their own.” In 2019 Good Friday and Passover were on the same day for the 2<sup>nd</sup> time in the 21<sup>st</sup> century. On the **19<sup>th</sup>** of April. **1+9=10=1**. Friday **night** April 19, 2019 will be the closest modern timeline of how events would have happened in what is believed to be 33 A.D. “For only the 2<sup>nd</sup> time this century, the Christian remembrance of Good Friday and celebration of Passover for Jews coincides, adding significance for some.

Jesus himself celebrated Passover as a faithful Jewish man. On what is believed to be Thursday, **April 2**, of 33 A.D., Jesus had his last supper on Passover. The next day Jesus was crucified and on Sunday April 5, Christians believe he rose from the dead.” Article by Cody Shepard posted on **April 2**, 2015 on the internet. What is highly significant are the two dates of **April 2<sup>nd</sup>**. Is it merely coincidence that the reincarnation of Jesus was born on **April 2<sup>nd</sup>**? And now, 2000 years later Passover and Good Friday are on the same day; a # **19** day of the Alpha and Omega in a **28** Jewish year, (5779). Passover is about liberation of the Israelites from Egyptian slavery. Pope John Paul II died on **April 2<sup>nd</sup>** and the first of four tetrad blood moons was on Passover April 2, 1493 and again on Passover April 2, 1950, two years after my birth. Coincidence or Divine planning?

Now, it is time for all of humanity to “pass over” from a purely materialistic perspective to a spiritual one. This shift in consciousness will have a liberating effect on those who chose to “Pass over” on a very “Good Friday.”

On Yom Kippur 2019 the gates close on  $5779=28$ . There are  $10=1$  days between Rosh Hashanna and Yom Kippur known as the  $10=1$  days of Awe.

Since God is Love and we have proven through the law of statistical probabilities that God is represented by the #1 and LOVE= 9, it only makes sense that since we are made up of God as evidenced by Jesus quoting *Psalm 82:6*, that  $1+9=10$ ; the #10 representing hu-man. We ARE Love. We are the Alpha and the Omega, the beginning and the ending. The #9 represents the completion of the human sojourn on earth. Only through Love can we become **One** with God. Love is the journey AND the destination. “*Love is the Key*” and “understanding is the key to living.”

“Kabbalah is the oldest and most comprehensive wisdom of the world. Abraham, Moses, Jesus, Mohammed, Pythagoras, Plato, Isaac Newton and other great souls studied this wisdom deeply...Kabbalah reveals the spiritual laws of life and the physical laws of nature...these spiritual laws influence *all* mankind regardless of faith, race or gender...” *The Holy Zohar; The Book of Avaraham* page V.

Christ-mas eve **1990**.  $1+9+9+0=19=10=1$ .  $12-24-1990=28=10=1$ . On this Christ-mas (love more) eve we celebrated our first of many Christmas eve dinners in our new home.

5-29-2019= $28=10=1$ . The Associated Press. Mueller: Report did not exonerate president. **"If we had had confidence that the president clearly did not commit a crime, we would have said so,"** Mueller declared. In volume II of the Mueller report there are **10** instances of obstruction by the president. Impeachment is in the air. Mr. President, "you're fired!" You are a pathological liar and not worthy of the high office of presidency. You and your vice president need to resign now. Your presidency has harmed the democracy of the United States of America. Your election was illegitimate as the Russians helped you get elected. "The handwriting is on the wall." *Daniel 5:1-30*.

May 30, 2019. According to Chabad Rabbi Itchel Krasnjansky of Honolulu, Hawaii: “3,331” ( $=91=10= 1$ ) years ago, the children of Israel stood at the foot of Mt. Sinai and received the Torah from God and became uniquely empowered to bring heaven (**28**) down to earth. This is in the year  $5779/28=10=1$ .

Is this the year of the final emendation? Or, is 2020 on January 12th when Saturn, Pluto, Sun and Mercury are exactly conjunct to the minute  $22^{\circ} 40'$ ? (the Sun is slightly off). Is it a coincidence that these planets are all conjunct  $22^{\circ}$  in a master 22 year? i.e.  $2020=22$ ? Is it a coincidence that all four planets are exactly inconjunct( $150^{\circ}$ ) from my natal Uranus(sudden occurrence)  $22^{\circ}40'$ ?

What is the significance of this inconjunct aspect also called a quincunx? Because it is so exact it is explosive. Inconjunct energy is “redirecting, challenging, requiring adjustments and diverting.” Put this in the perspective of a global shift in consciousness. 1-12-20 could quite possibly be the day the old paradigm of the purely material perspective gets” redirected, and diverted” requiring challenging adjustments” to a massive change in consciousness.

Or, will the great shift occur on December 21,  $2020=19=10=1$  when Jupiter and Saturn are exactly conjunct like when Jesus was born on March 1, 7 B.C.E.? One thing for sure; the upcoming planetary energies are going to be quite a ride.

On a lighter note. In 1972=**19=10=1**, Bruce bought a Martin D-**28=10=1** guitar which was made in **Nazareth**, Pennsylvania. They called Jesus, Jesus of **Nazareth**.

In Hebrew Gematria, koakh meaning “power,” “energy” is a word that corresponds to the number **28**. The number of Hebrew letters in *Genesis 1:1*, the first verse of the Bible.”

Twenty-eight (**28**) is the second perfect number, it is related to the Mersenne prime 7, since  $2(2^3 - 1) = 28$ . Twenty-eight (**28**) is the sum of the totient function of the first nine integers.

There are just too many more instances of the number **10=1** to list here but the point has been made. The “soul is measured at birth and the birth numbers reveal the state of the soul and is the measure of spiritual alignment in relation to God.” Ask yourself this question: What is my “spiritual alignment in relation to God” and what can I do to become **One** with God? “Know thyself and to thine own self be true.” Be conscious. Be aware. Be awake. Be Love. Go out there and “repair the world.” *Tikkun Olam*.

In conclusion the figure of Jewish Messiah was **One** who would deliver the Jews from oppression and usher in *Olam Haba* or the world to come or Messianic age. We are in the Messianic age now and the oppression is not exclusive to the Jews. The oppression is the materialistic perspective and until we shift our focus on to God and Love we will all remain in bondage and oppressed in symbolic Egypt.

The Messiah belongs to all of humanity and not just one group of people. The world to come is here and now. We are all Messiahs!

True Creation comes when we re-member and re-create who we truly are. ....Gods. *Psalm 82:6*
