

MESSIAH FOR HIRE

CURRICULUM VITAE (CV); COURSE OF LIFE

PART ONE

I am the only Jewish male alive on the planet today, born in the prophetic year of 1948, the year of the re-birth of the nation of Israel, that has the God given credentials and qualifications for the position of planetary Messiah.

Have you ever had to submit a Curriculum Vitae/CV for a job position you were applying for? A curriculum vitae is Latin for “course of life” and is a written overview of someone’s life work. The correct translation from Latin is “life’s course.” This definition needs to be brought into the 21st century to reflect the soul’s journey lifetime to lifetime in body after body in its “course of lifetimes.” All our job qualifications are cumulative from all of our lifetimes and not just this one.

In my case, I am submitting my CV for the position of world messiah. This is a spiritual leadership position. In my first book, *My Past Life As Jesus, An Autobiography of Two Lifetimes* self published in 2001 I lay out in extreme detail all the divinely mandated qualifications for the position of messiah (we are all divinely mandated). As comprehensive as the details and research are in the book, the formatting, print size, presentation, spacing, size of the book, et al, I felt were all wrong and needed to be rewritten.

Jesus quoting *Psalms 82:6*: “Is it not written in your law: ‘I have said you are Gods, you are all children of the Most High.’” *John 10:35*. Put this quote into perspective when Jesus said: “when you’ve seen me you’ve see the Father.” We are all God.

In the Book of *Job 38:31-33* God asked Job the question that pertains to all of humanity. I have written about this in all my books. “Do you know the ordinances of the heavens and can you put to effect their plan on earth and bring forth mazzoroth in its season?” In other words, do you know the celestial makeup of your soul? Do you know your life’s plan, purpose, mission and destiny? Mazzaroth is our horoscope or zodiac sign.

So we are all just bundles of vibrating energy-light or dark. The highest vibration is God, Love or Christ Consciousness. The greater our connection to God the higher our energetic vibration. To lend credence to what I am saying let's quote some famous spiritual teachers, physicists and scientists.

Paramahansa Yogananda: "Each man is stamped with his own vibratory signature of his own state of consciousness."

Dr. Walter Semkiw: "We are born with a set of frequencies...our energy signature."

Eckhart Tolle: "Every human being emanates an energy field...vibrating as a particular range of frequencies and thoughts."

Wynn Free: "As a human soul reincarnates from lifetime to lifetime its energetic signature...uniquely coded...programs...unique intelligent patternings and archetypes...receives an imprint of exact planetary configuration at the moment of birth."

Dr. Deepak Chopra: "You will...influence the lives you incarnate into."

Rodney Collin: "Form multiplied by its time yields its own unique signature."

Dr. Michael Newton: "Intelligent energy waves create subatomic particles of matter."

Physicist Paul Davies: "A unified mathematical scheme with an emerging pattern, design, plan, blueprint and intelligent design."

Physicist Gary Zukav: "A thought is a form formed out of energy or light that has been shaped by consciousness. There is light and there is shaping of light by consciousness. This is creation. "

Bruce Robert Travis, the reincarnation of Jesus was born on April 2, 1948 at 8:38 AM in Chicago, Illinois.

Bhagavad Gita: "The body changes but the soul remains the same."

John 14:1-3: "I will come again."

Jesus made a promise to "come again." He was talking about his own reincarnation. If Jesus made that promise we can be assured he would fulfill that promise and that according to *Acts 1:11* "This same Jesus will come," In other words the same energetic signature of Jesus will come again. Jesus' soul would return but in the new body of Bruce.

There is no other human Jewish male on earth today with the exact “PLANETARY CONFIGURATION” and “ENERGETIC SIGNATURE” of Jesus. When I was born on April 2, 1948 at 8:38 am in Chicago, Illinois and experienced my very first day on earth the planetary energies of my personality and character as Jesus were already encapsulated in my soul re-incarnated in the new body.

Remember, I was just born on April 2nd. The sun, moon and planets had configured and every planet in a sign, or house, aspecting each other formed a computer read out. It was up to me to fulfill the prophecy of my birth chart/mazzaroth/horoscope. When reading the qualifications for the position of Messiah apply them to Jesus and ask yourself if they describe Jesus. For now, put Bruce aside and apply the astrological aspects to Jesus.

The very first qualification in my CV for the job position of Messiah must be *Sun trine Saturn* which means **SOUL OF HONOR**. Any other Jewish male making the claim for the job position must have this planetary aspect. No other aspect means this. No one can deny that Jesus was a SOUL OF HONOR.

The next qualification in my CV is I must be **A BORN SPIRITUAL LEADER**. The *Sun* was *trine to Pluto* at my birth and that is what it decodes to. No one can deny that Jesus was a BORN SPIRITUAL LEADER.

The next aspect is *Saturn conjunct Pluto* which means a **SPIRITUAL MISSION** for a **SPIRITUAL MAGICIAN**. Everyone knows that Jesus had a SPIRITUAL MISSION to fulfill the prophecies. Were the miracles a form of magic? Albeit white magic? Or was fulfilling the prophecies magical?

Sun in the 11th House means **A MISSION ON EARTH**. No human being can deny that Jesus has a MISSION ON EARTH.

Sun trine Mars. Jesus' conviction was so strong he was “**SECURE IN HIS DESTINY**.” If he wasn't he would not have fulfilled the prophecies.

Sun trine Pluto. For all intents and purposes Jesus was in Israel 2000 years ago to **RESTORE ORDER FROM CHAOS**. His ministry proved just that. Jesus represented the “order” of God in the most chaotic time in history. His crucifixion restored the ORDER.

Neptune in the 5th house – When a person is born with this aspect they are **A TEACHER OF MYSTIC MATTERS**. In many books Jesus has been described as a MYSTIC and a MYSTICAL TEACHER.

Neptune trine the ascendant. Can there be any doubt that Jesus was born to **DEMONSTRATE HIS SPIRITUAL CONCERN FOR MAN?**

Pluto in 3rd house - By fulfilling the prophecies and deliberately getting himself crucified Jesus **TURNED THE TIDE FROM A HOPELESS TO A FAVORABLE SITUATION.** The fate of humanity rested in the hands of Jesus. You would think the opposite was true but the crucifixion was “favorable” for humanity.

Saturn sextile ascendant – **EFFECTIVE IN POSITIONS OF LEADERSHIP.** The fact that billions of human beings know about the person of Jesus attests to his spiritual leadership in the world today. 2000 years ago Jesus demonstrated every trait of a spiritual leader.

Sun opposition Neptune - Jesus, knowing he was the Promised Messiah, knew that it was his responsibility to fulfill the prophecies. His **GOAL TO FULFILL AN IMPORTANT SOCIAL RESPONSIBILITY.**

Sun sextile ascendant - Jesus, knowing he is the Jewish Messiah, had a humble yet **AUTHORITATIVE MANNER.** Jesus spoke with authority. He commanded the elements.

Mars sextile Uranus - Jesus’ life was lived specifically to **CHALLENGE OLD IDEAS AND DOCTRINES THAT HAD OUTLIVED THEIR USEFULNESS.** He showed that it was the spirit of the law and not the letter of the law that was important. He healed on the sabbath and called the Jewish authorities vipers and hypocrites.

Mars sextile Neptune - Everything Jesus said and did pissed off the religious Jewish Sadducees and Pharisees. His life’s mission was dedicated to **STIR UP DISSENT TO PROVOKE NECESSARY CHANGES.** Can there be any doubt that this was an integral part of his character and personality? Jesus was labeled a blasphemer, an enemy of the state and executed for treason.

Pluto sextile ascendant – Jesus admonished his followers to “do unto others as they would do unto you.” He taught us to love one another, to help one another and to serve one another. It was his spiritual duty to **AROUSE PUBLIC INTEREST IN SOUND SOCIAL PROGRAMS.** His teachings exemplified this.

Neptune trine ascendant - OMG. The very essence of Jesus’ ministry was to **HELP TO AROUSE EVERY INDIVIDUAL TO USE THEIR HIGHEST VALUES TO MAKE THE WORLD A BETTER PLACE TO LIVE.** Can there be any doubt about this?

Saturn sextile Neptune - Hand in hand with the above description Jesus dedicated

his life to and **WORKED TO MAKE A SPIRITUAL CONTRIBUTION TO STEM THE TIDE OF SOCIAL INJUSTICE.** Jesus was all about justice and social equality. He treated women as equals with men. He restored dignity to the oppressed and the socially rejected of society.

Mercury in 10th house – To “stem the tide of social injustice” he always **COMMUNICATED WITH AND WAS ALWAYS IN FRONT OF THE PUBLIC.** This was evident from the time of his baptism at the age of 30 until his alleged death in 29 AD at the age of 33. His public ministry for that short 3.5 years was very high profile and Jesus garnered a lot of attention. The years of Jesus’ life from the age of 12 until the age of 30 is absent from the New Testament but the record of those years can be found in several spiritually inspired works.

Inconjunct Venus to Jupiter -There can be no doubt that Jesus was a completely selfless human being who **GENEROUSLY OFFERED TO SERVE THE NEEDS OF OTHERS.”** He gave of himself unconditionally to the people.

Moon on 2nd house cusp - Jesus was adept at many disciplines. He was a biblical scholar and by the age of 12 he was teaching the elder priests in the temple so **HE WAS REQUIRED TO PLAY A VARIETY OF PUBLIC ROLES.** He was a teacher to Nicodemus who was a Pharisee and a member of the Jewish Sanhedrin mentioned three times in the Gospel of John. He first visits Jesus one night to discuss Jesus’ teachings. The second time Nicodemus is mentioned, he reminds his colleagues in the Sanhedrin that the law requires that a person be heard before being judged.

Mars in 3rd house - Being the Messiah it was incumbent upon Jesus to bring about the right timing to fulfill the prophecies and in order to do that he had to **INTERVENE IN THE WORLD OF PUBLIC DUTIES.** Every action was geared towards this intervention. He had to be very public and arouse the ire of the Jewish authorities to make sure they arrested him at the right time determined only by Jesus and nobody else. Being Messiah was his “public duty.” No way around that.

Jupiter in 7th house – Jesus had the **ABILITY AND GOOD FORTUNE TO BRING INTO HARMONY ALL ENMITIES AND OPPOSITIONS.** This is most evident with Nicodemus and Governor Pontious Pilate. *Matthew 27:11-14.* “now Jesus stood before the governor. And the governor asked him, saying, ‘Are You King of the Jews?’

Jesus said to him, ‘It is as you say.’ And while he was being accused by the chief priests and elders, he answered nothing. Then Pilate said to him, ‘Do you not hear how many things they testify against you?’ But he answered him not one word, so that the governor marveled greatly.’ (Jesus by saying nothing fulfilled one of the prophecies). 19...”while he(Pilate) was sitting on the judgment seat, his wife sent to

him saying, 'Have nothing to do with that **just** man, for I have suffered many things today in a dream because of him....23 "then the governor said, 'what evil has he done?' But they cried out all the more, saying, 'Let him be crucified.' 24 "when Pilate saw that he could not prevail at all, but rather that a tumult was rising, he took water and washed his hands before the multitude saying, 'I am innocent of the blood of this **just** person. You see to it. 25 "And all the people answered and said, 'His blood be on us and on our children.' " Jesus was effective on Pilate but not on the multitudes that opposed him. Jesus "**brought into harmony the opposition and enmity**" of Pilate.

Moon trine Venus - This was a good demonstration how Jesus was **GOOD AT HANDLING PEOPLE AND PUBLIC RELATIONS**. Jesus was his own PR person but he also enlisted the help of the Disciples to do more PR for him. There are hundreds of instances of how "**good Jesus was at handling people.**" Fulfilling the prophecies was the greatest PR event in the history of humankind.

Moon in 8th house - Jesus had a direct connection to God. In order to receive the messages and inspiration from God he had to have had **a STRONG SENSITIVITY TO UNSEEN FORCES**. He went off by himself to pray and commune with God and he did this often.

Uranus conjunct ascendant - In order to perform the miracles, heal the sick, bring sight to the blind, feed the multitudes Jesus was **ABLE TO TAP A SUPER-CONSCIOUS LEVEL OF KNOWLEDGE**.

Sun trine Pluto - Because Jesus fulfilled ALL the prophecies demonstrating he was in fact the promised Messiah he was **QUALIFIED TO GAIN POSITIONS OF POWER AND AUTHORITY ASSERTING HIS WILL BECAUSE OF A SPIRITUAL MOTIVATION WITH TREMENDOUS POWER AND WILL**.

Sun in the 11th house - From a very early age Jesus knew what was required of him and he knew his **DESTINY WOULD COME TO BE FULFILLED** on the fulfillment of the last prophecy. This destiny was not limited to the lifetime as Jesus. He knew that his "**destiny would come to be fulfilled**" in the future lifetime as Bruce.

Sun trine Saturn - Means the person who has this aspect is "**JUST IN HIS DEALINGS WITH ALL MEN**". Pontious Pilate's wife told her husband: "Have nothing to do with that **JUST** man" and Pilate said "I am innocent of the blood of this **JUST** man."

Saturn sextile Neptune - Jesus was a teacher to Nicodemus who sought his wisdom and spiritual prowess. Because of his tremendous knowledge and spiritual power and authority he was **USEFUL AS A GUIDE AND ADVISOR TO INDIVIDUALS IN POWER**.

Mars sextile Uranus –If you are truly the promised Messiah you are endowed with **ENORMOUS ENERGY.**

Sun in 11th house – Jesus’ mission and destiny was bound up in fulfilling the prophecies. If he didn’t then he was not the Messiah. His life then **WAS ENFOLDED BY A SINGLE DESIRE.** There is no denying this energy.

Pluto in 3rd house – Jesus had a **HIGHLY DEVELOPED WILL POWER AND WAS AIDED BY AN INSPIRATION OF UNKNOWN ORIGIN.** This “unknown origin” was from God.

Sun trine Pluto - Jesus had **HEALING ABILITIES AND COULD TRANSFORM OTHERS MERELY BY HIS PRESENCE.** *Matthew 8:16, Matthew 12:15, Matthew 14:14, Matthew 14:36, Matthew 15:30, Matthew 21:14, Luke 4:40, Luke 5:17, Luke 5:17, Luke 9:11, Matthew 9:35, Matthew 19:2, Mark 3:10, Mark 6:56, Luke 6:18, Acts 10:38, Luke 5:15, Mark 6:5, Mark 7:37, Matthew 8:7, Luke 13:32, Acts 9:34, Isaiah 53:5, 1 Peter 2:24, Matthew 4:24, **Matthew 8:8; “But the Centurion said, ‘Lord, I am not worthy for You to come under my roof, but just say the word, and my servant will be healed.”** Sun trine Pluto- “...transform others merely by his presence.” *Matthew 9:21, Mark 1:34, Luke 6:17, Luke 6:19, Luke 7:21, John 5:11, John 6:2, Luke 4:23, Luke 13:14, Matthew 12:10, Luke 14:3, Mark 3:2, Luke 6:7, John 7:23, John 9:14.* Can there be any doubt that Jesus had healing abilities?*

Saturn conjunct Pluto - After 2,000 years Jesus is still impacting the masses of humanity and has made far reaching and long lasting effects on the physical, spiritual, and mental environment. His reincarnation also **WILL MAKE FAR REACHING AND LONG LASTING EFFECTS ON THE ENVIRONMENT** especially the atmospheric environment.

Sun trine Saturn - When you read the next description think if it describes Jesus to the tee. **WHEN HE BELIEVES A CERTAIN COURSE OF ACTION TO BE RIGHT, HE WILL NEVER SWERVE THEREFROM THOUGH HEAVEN AND EARTH BE MOVED AGAINST HIM.** Put this in perspective in relation to fulfilling the prophecies and allowing himself to be falsely accused, falsely tried and then crucified.

Pluto in 3rd house - Other than the Prophets who received the prophecies from God, Jesus was the only human being on earth who knew how the entire drama would play out from start to finish. Can there be a shadow of a doubt Jesus **WAS RESPONSIBLE FOR SECRET AND EXCLUSIVE INFORMATION PERTAINING TO MATTERS OF GREAT IMPORTANCE?**

Wouldn’t you believe if you lived back during the time of Jesus that **WHAT HE THINKS AND COMMUNICATES WILL HAVE SERIOUS CONSEQUENCES.** Look at

the past 2,000 years and see if Jesus's actions have had "serious consequences" for humanity. Wasn't the crucifixion a "serious consequence?" His actions created energetic patterns for the life to come.

Saturn conjunct Pluto – **HIS IDEAS AND PROJECTS WILL HAVE A TRANSFORMING EFFECT UPON THE WORLD BECAUSE OF HIS ABILITY TO CHANNEL SPIRITUAL POWERS THROUGH STRUCTURED SYSTEMS.** Think about this energetic aspect. There are few people in history that had a monumental effect on humanity in this manner. Mahatma Ghandi, Martin Luther King, the Apostle Paul. We are talking about "channeling spiritual powers through structured systems." The historical Jesus best fits this planetary description.

Mars conjunct Pluto – If Jesus was who he said he was according to the prophecies there can be absolutely no doubt he had **TREMENDOUS ENERGY AND POWER IN HIS ACTIONS,** (and) **A GREAT POWER OF REGENERATION** (which) **WILL** (did) **MAKE POSSIBLE A SPIRITUAL LEADERSHIP IN IMPROVING THE AFFAIRS OF HUMANITY. BECAUSE OF HIS SPIRITUAL RESERVES HE IS ABLE TO TAP THE ENERGY OF UNIVERSAL POWER.** Who else but Jesus can this possibly describe?

The "exact" "planetary configuration" from whence our "energetic signature" emanates is none other than the zodiac. The "exact" soul of Jesus is now in his new reincarnated body.

"The soul's history is written in the stars, and the heavens are her chronicles and tell the story at once of her and of God..." *The Message of the Stars* – Max and Augusta Heindel 1927

"After all it is written in the stars..." John Lennon 1979

Genesis 1:14. "And God said, 'Let there be lights in the firmament of the heavens to divide the day from the night; and let them be for signs, and for seasons and for days and for years.'"

"Signs" means literally "signs" and "signs" also means "signs" of the zodiac/mazzaroth.

"Seasons" means precessional epochs, ages and dispensations of approximately 2,000 years each.

Psalms 8:1. "O Lord our Lord, how excellent is thy name in all the earth! Who has set thy glory above the heavens."

Amos 5:8. "Seek Him that maketh the seven stars and Orion."

Jeremiah 31:35 "Thus saith the Lord, which giveth the sun for a light by day and the ordinances of the moon and of the stars for a light by night. The Lord of Hosts is His name."

Psalms 147:4. Seek God above all. "He telleth the number of the stars; He calleth them by their names."

Job 38:31-33. Canst thou bind the sweet influences of the Pleiades or loose the bands of Orion? Canst Thou bring forth Mazzaroth in his season? Or canst Thou guide Arcturus with his sons? Knowest thou the ordinances of the heavens. Canst Thou set the dominion thereof in the earth?"

When God challenged Job to answer these questions, God was challenging humankind to answer the questions of how the heavens go. Mazzaroth is the Hebrew word for zodiac. God was challenging Job/humankind to "bring forth," that is, understand our "energetic signature" of our horoscope/"planetary configuration" of the zodiac and put to effect its plan for us on earth, that is;

"Set the dominion thereof in the earth." The three stars in Orion's belt line up with the three pyramids on the Giza plateau in Egypt. God was telling Job to let go of his grip on the material world.

"Loose the bands of Orion" The Jews were in bondage and slavery in Egypt. The Pleiades in Job's time was in the constellation of Taurus the sign of the earth or material world.

God is telling humanity to let go of its focus on materialism and rather set its focus on the spiritual way, the bright light of "Arcturus."

There is an ancient Jewish saying that it is every Jew's obligation to "Repair the World." This is referred to as Tikkun Olam. The literal translation is "world repair" which is the spiritual purpose of life. It also means "perfecting the world" and the "social action in the pursuit of social justice." It is every human being's obligation to "repair the world."

When we strive to do this "repair" we enter into the Messiah or love vibration which is available to each and every human being. This is achieved merely by loving everyone and everything unconditionally. The only way to "repair the world" is for humanity to be united and not divided.

Koran Surah XLII 13. "...Be not divided therein..." Messiah=Christ which is Love which is King.

www.TheCenterForWorldPeace.Love

Completed Super Bowl Sunday, groundhog day February 2, 2020. Iowa Caucus on the 3rd, State of the Union Address by President Trump on the 4th and a final vote in the Senate to acquit or convict President Trump in the first Impeachment trial in American history without witnesses or evidence will occur on the 5th or the 6th. The Senate trial is a nullity. Even Jesus had a trial with two false witnesses. Every Republican Senator except Mit Romney has violated their oath of office and the United States Constitution and must be removed from office along with the President and Vice President. All these renegade Senators have sold their souls to the devil and are against me. Matthew 12:30-"He who isn't with me is against me, and he who does not gather with me scatters." In other words: Anyone who isn't with me opposes me and anyone who isn't working with me is actually working against me. Anyone who supports President Trump opposes me and is against me. It is time to take sides.
