

YESHUA/JESUS

THE PROMISED MESSIAH

IN MY OWN DEFENSE

THE BURDEN OF PROOF

PART 1

First of all let's dispel the notion that Jesus was just a mythical character that never lived or existed. There are hundreds of prophecies relating to the promised Messiah *Yeshua* beginning with *Genesis 1:1* that he fulfilled. But, first, was Jesus a real person, a Rabbi, who lived in Roman times nearly 2,000 years ago? The historical record is incontrovertible and exists outside the Gospels of the *New Testament* attested to by many historians of Jesus' day.

“*Publius Cornelius Tacitus* was a Roman senator and considered to be one of the greatest Roman historians of the Roman Empire. In his *Annals 15.44* he wrote about Jesus' (alleged) death and the existence of Christians in Rome. ‘Hence to suppress the rumor [i.e., that he ordered the burning of Rome], [Nero] falsely charged...and punished with the most exquisite tortures, the persons commonly called Christians, who were hated for their enormities. *Christus*, the founder of the name, was put to death by *Pontius Pilate*, procurator of Judea in the reign of *Tiberius*..’” *Tacitus* is the only non-Christian historian who lived at the time of Jesus to record the name of *Pontius Pilate* as the executioner of Jesus.

Gaius Suetonius Tranquillus was a Roman historian who also mentions the Christians in *De Vita Caesarum*, 25. *Gaius Caecillus* AKA *Pliny the Younger*, a lawyer, author, and magistrate of Ancient Rome also mentions the Christians.

Titus Flavius Josephus, the most famous of historians born in Jerusalem during the time of *Jesus* was Jewish and born *Yosef ben Matityahu* mentions *John the Baptist* and the Christians. *Josephus'* descriptions of *John the Baptist* matches the Gospel accounts with slight differences. He says: “*John*, surnamed the Baptist,...was a good man, who bade the Jews practice virtue, be just one to another and pious toward God, and come together in baptism.

John taught that baptism was acceptable to God provided that they underwent it not to procure remission of certain sins, but for the purification of the body, if the soul had already been purified by righteousness...*Herod* feared that his persuasive power over men, being so great, might lead to a rising...So he thought it much better to seize him and kill him before he caused any tumult, than to have to repent of falling into such trouble later on, after a revolt had taken place. Because of this suspicion of *Herod*, *John* was sent in chains to *Machaerus*, the fortress which we mentioned above, and there put to death.” *Antiquities*, XVIII 5:2.

In another passage of *Antiquities* called the *Testimonium Flavianum* Josephus states: “About this time there lived Jesus, a wise man, if indeed one ought to call him a man. For he was one who performed surprising deeds and was a teacher of such people as accept the truth gladly. He won over many Jews and many of the Greeks.” ¹

Also, there are several passages in the Talmud which are believed by some scholars to be references to Jesus. The name used in the Talmud is ‘Yeshu’ the Aramaic vocalization (though not spelling) of the Hebrew name *Yeshua*. The name Yeshu does not appear in the Bible Code but the name *Yeshua* does.

Peter Schafer, a prolific German scholar of ancient religious studies and a Professor of Religion states that there can be no doubt that the narrative of the execution of Jesus in the Talmud refers to Jesus of Nazareth, but states that the rabbinic literature in question are from a later Amoraic period and may have drawn on the Christian gospels, and may have been written as responses to them. ²

Virtually all scholars of antiquity agree that Jesus existed. Reconstructions of the historical Jesus are based on the Pauline epistles and the Gospels, while several non-biblical sources also bear witness to the historical existence of Jesus.

Since the 18th century. Three separate scholarly quests for the historical Jesus have taken place, each with distinct characteristics and developing new and different research criteria. Scholars differ about the beliefs and teachings of Jesus as well as the accuracy of the biblical accounts, and the only two events subject to ‘universal assent’ are that Jesus was baptized by John the Baptist and was crucified by the order of the Roman Prefect Pontious Pilate. ³

For all intents and purposes the Talmud does not speak favorably of Jesus and questions his lineage and totally discredits his credentials as Jewish Messiah.

So, Jesus was real and really lived in Roman times, but, was he the promised Messiah to the Jews? Hundreds of prophecies(predictions/determinations) were fulfilled by Jesus but the majority of the Jews of the world today say the Messiah is yet to come and reject Jesus as the Messiah.

If Albert Einstein is correct when he says: “The distinction between past, present and future is only an illusion” what does he mean? He also said that “the past, present and future are happening simultaneously.” If that is the case then we need to take a different look at the reality presented to us by the illusion and duality of the third dimensional earth plane.

How does one explain prophecies/predictions/determinations about a man who was born 1,500 years or more after he was first mentioned in *Genesis 1:1*? The original Hebrew name of Jesus, *Yeshua*, was found encoded in the book of *Genesis* beginning with the very first verse *1:1* starting with the very first word in the Bible, B’raishet. “In the beginning” the name of Jesus, *Yeshua* is found encoded beginning with the fifth letter in the word; the Hebrew letter yod. Counting forward every 521st letter we can read the letters of the words YESHUA Yakhol, which translates as Jesus is able.

Yacov. A. Rabmsel, author of the book *Yeshua, The Name of Jesus Revealed in the Old Testament*, found the name of Jesus embedded in the text of *Isaiah 53:10* beginning with the second Hebrew letter Yod that appears in the phrase, “He shall prolong’ Ya’arik. Yacov counted forward every 20th letter and discovered that the phrase YESHUA Shmi, which means ‘YESHUA is my name’ was encoded in this

verse that teaches us about the suffering Messiah who died to atone for our sins. Mathematical experts that have calculated the probability of this astonishing combination, 'YESHUA is my name' would occur by random chance in this Messianic prophecy in *Isaiah 53:10* is only one in 50 quadrillion.

In the book, *The Signature of God*, Grant R. Jeffrey gives special credit to Yacov. "For many years", Jeffrey writes, "I researched the astonishing phenomenon of the Hebrew codes, an incredible pattern of codes hidden beneath the Hebrew text of the Bible. Over the years I always wondered if God had also revealed the name of His Messiah *Yeshua* in these codes."

Yacov had done his research and God had encoded the name of Jesus in hundreds of significant passages throughout the Old Testament, **in virtually every single Messianic prophecy throughout the Old Testament.**

- Rabbi Michael Dov Weissmandl, a brilliant Czechoslovakian Jewish scholar in astronomy, mathematics, and Judaic studies, found an obscure reference in a book by a 14th century Rabbi known as Rabbeynn Bachayah, that described a pattern of letters, encoded within the Torah, which later would be named *Equidistant Letter Sequences*, (ELS).

2. Wikipedia.
3. Ibid.

A group of dedicated Jewish scholars in Israel at the *Hebrew University* and *Jerusalem College of Technology*, Doron Witztum, Yoav Rosenberg and Eliyahu Rips following up on Rabbi Weissmandl's research, found many additional codes embedded within the text of the Torah. This scientific discovery reveals a staggering level of **mathematical design** and intelligence, which could only have been produced by a supernatural mind, providing **unshakable mathematical proof** that the Bible was truly inspired by God. *The Unified Field Revealed* supports this mathematical design and intelligence.

According to the Jewish mystics and scholars of *Qabala* and *Zohar*, the *Torah* is the **blueprint** by which our world was designed. *The Unified Field Revealed* demonstrates the blueprint.

Physicist Stephen Hawking posed the question: "Without a causal connection between events, there is no meaningful way that one can say that one event happened after another." Prophecy is based on cause-and-effect relationships and firmly establishes the "causal connection between events," one after the other, supporting Stephen Hawking's predictions/observations test of a theory.

Biblical prophecy satisfies seven scientific requirements while proving that:

1. God created hu-man in Its own image.
2. *Yeshua* and his reincarnation, as archtypical prototype is the **blueprint** in flesh of the standard model of reality.
3. God has a master plan for humanity.

When applied in a scientific manner, Biblical prophecy:

- 1) Is a consistent mathematical model.
- 2) Makes predictions that can be tested by observations.
- 3) Makes further predictions which can also be tested against observations.
- 4) Provides observations that agree with the predictions.
- 5) Explains predictions and observations in a natural manner.
- 6) Tells people about the modern understanding of space and time.
- 7) Corresponds to reality with new laws and new ways to describe the universe, which should be understandable to everyone.

Stephen Hawking said: “If we can find a **consistent model** that describes everything in the universe it would be a real triumph for the human race.” **Jesus is the “consistent model.”** *The Unified Field Revealed* satisfies the “consistent model” requirement as does Biblical prophecy. The fact that Jesus fulfilled ALL the prophecies describes “everything in the universe” that is, God is Love and all humans are created in the “image and likeness” of that Love. There is nothing beyond this “in the universe.” As children of God we are that Love and **One** with God if we so choose to be.

Biblical scholars indicate there are hundreds of prophecies/predictions/determinations, concerning Jesus. What are the laws of probabilities of just eight prophecies being fulfilled? When reading **these** eight prophecies ask yourself the question: Do these predictions relate to the nation of Israel, or a man?

THE BIG EIGHT

1. The place of the Messiah’s birth.
2. His being preceded by a messenger.
3. How he was to enter Jerusalem.
4. His betrayal by a friend.
5. He would be betrayed for 30 pieces of silver.
6. The money would be thrown in God’s house.
7. He would be mute before his accusers.
8. He would be crucified.

Using statistical probabilities in reference to these eight prophecies, we find the chance that any man might have lived down to the present time and fulfilled all eight prophecies is one in ten to the 17th power; or, 1 in 100,000,000,000,000,000.

Let’s examine the “causal connection between events that say that one event happened after another.”

1. 710 B.C.E. *Micah* 5:2-5. **Cause/prediction/determination.** “But as for you, **Bethlehem** Ephrathah, too little to be among the clans of Judah, from you One will go forth for Me to be ruler in Israel. His goings forth are from long ago, from the days of eternity. And he will arise and shepherd his flock in the strength of the Lord, in the majesty of the name of the Lord His God. And they will remain, because at that time He will be great to the ends of the earth. And this One will be our peace.”

7 B.C.E. *Matthew 2:1. Effect/Future prediction fulfilled.* “Now when Jesus was born in **Bethlehem** of Judaea in the days of Herod the king, behold, there came wise men from the east to Jerusalem.”

2. 397 B.C.E. *Malachi 4:5,6. Cause/prediction/determination.* “Behold, I will send you Elija the prophet before the coming of the great and dreadful day of the Lord. And he shall turn the heart of the fathers to the children, and the heart of the children to their fathers, lest I come and smite the earth with a curse.”

712 B.C.E. *Isaiah 40:3. Cause/prediction/determination.* “**The voice of him that crieth in the wilderness,** prepare ye the way of the Lord, make straight in the desert a highway for our God.”

A.D. 29. *John 1:22,23. Effect, future prediction fulfilled.* “Then said they unto him, Who art thou that we may give an answer to them that sent us? What sayest thou of thyself? He said, ‘**I am the voice of one crying in the wilderness,** make straight the way of the Lord, as said the prophet *Isaiah.*’”

7 B.C.E. *Luke 1:13. Effect, future prediction fulfilled.* “But the angel said unto him, fear not Zacharias; for thy prayer is heard; and thy wife Elizabeth shall bear thee a son, and thou shall call his name John. And thou shalt have joy and gladness; and many shall rejoice at his birth. For he shall be great in the sight of the Lord, and shall drink neither wine nor strong drink; and he shall be filled with the holy ghost, even from the mother’s womb. And many of the children of Israel shall he turn to the Lord their God. And he shall go before him in the spirit and power of Elias, to turn the hearts of the fathers to the children, and the disobedient to the wisdom of the just; to make ready a people prepared for the Lord.”

Although not one of the eight prophecies above, it is important to note that Jesus was well aware of *Malachi 4:5,6 and Isaiah 40.3* and who *John the Baptist* was the reincarnation of as recorded in *Matthew 17:10-13.* “The disciples asked him, ‘Why then do the teachers of the law say that Elijah must come first?’ Jesus replied, To be sure, Elijah comes and will restore all things. But I tell you, **Elijah has already come,** and they did not recognize him, but have done to him everything they wished. In the same way the Son of Man is going to suffer at their hands. Then the disciples UNDERSTOOD that he was talking to them about John the Baptist.” *New International Version Bible. 2011 by Biblica Inc.*

Matthew 13:13. “This is why I speak to them in parables: Though seeing, they do not see; though hearing, they do not hear or understand. In them is fulfilled the prophecy of *Isaiah*; ‘You will be ever hearing but never understanding; you will be ever seeing but never perceiving. For this people’s heart has become calloused; they hardly hear with their ears, and they have closed their eyes. Otherwise they might see with their eyes, hear with their ears, understand with their hearts and turn, and I would heal them...” Jesus was speaking of his own Jewish people through *Isaiah* who predicted Jesus would be rejected by them.

3. 518 B.C.E. *Zechariah 9:9. Cause/prediction/determination.* “Rejoice greatly, O daughter of Zion! Shout, daughter of Jerusalem! See, your king comes to you, righteous and having salvation, gentle and riding on a donkey, on a colt, the foal of a donkey.”

A.D.33. *Mark 11:4-9. Effect, future prediction fulfilled.* “They went and found a colt out in the street, tied at a doorway. As they untied it, some people standing there asked, ‘What are you doing untying

that colt? They answered as Jesus had told them to, and the people let them go. When they brought the colt to Jesus and threw their cloaks over it, he sat on it. Many people spread their cloaks on the road, while others spread branches they had cut in the fields. Those who went ahead and those who followed shouted, Hosanna, Blessed is He who comes in the name of the Lord. Blessed is the coming kingdom of our father David. Hosanna in the highest.”

4. 1047 B.C.E. *Psalms 41:9. Cause/prediction/determination.* “Yea, mine own familiar friend, in whom I trusted, which did eat of my bread, hath lifted up his heel against me.”

712 B.C.E. *Isaiah 41:9. Cause/prediction/Determination.* “Even my close friend, in whom I trusted, who ate my bread, has lifted up his heel against me.”

A.D. 33. *Mark 14:18-22. Effect, future prediction fulfilled.* “Verily I say unto you, one of you which eateth with me shall betray me. It is one of the twelve, that dippeth with me in the dish. The Son of Man indeed goeth as it is written of him, and as they did eat, Jesus took **bread** and blessed.”

A.D. 33. *John 13:18,21,26. Effect, future prediction fulfilled.* “I do not speak of all of you; I know the ones I have chosen; but it is that the Scripture be fulfilled, “He who eats my bread has lifted up his heel against me.” “When Jesus had said this, he became troubled in spirit, and testified, and said: ‘Truly, truly I say to you, that one of you will betray me.’” “Jesus therefore answered, ‘That is the one for whom I shall dip the morsel and give it to him.’ So when he had dipped the morsel, He took and gave it to Judas, the son of Simon Iscariot.”

33 A.D. *Mark 14:10 . Effect, future prediction fulfilled.* “And Judas Iscariot, one of the twelve, went unto the chief priests to betray Him unto them.”

5. 487 B.C.E. *Zechariah 11:12. Cause/prediction/determination.* “And I said unto them, if ye think good, give me my price; and if not, forbear. So they weighed for my price thirty pieces of silver.”

33 A.D. *Matthew 26:15. Effect, future prediction fulfilled.* “And I said unto them, what will you give me, and I will deliver Him unto you? And they covenanted with him for thirty pieces of silver.”

6. 487 B.C.E. *Zechariah 11:13. Cause/prediction/determination.* “And the Lord said unto me cast it unto the potter; a goodly price that I was priced at of them. And I took the thirty pieces of silver and cast them to the potter in the house of the Lord.”

A.D. 33. *Matthew 27:6,7. Effect, future prediction fulfilled.* “And the chief priests took the silver pieces and said: ‘It is not lawful to put them into the treasury because it is the price of blood.’ And they took counsel and bought with them the potter’s field, to bury strangers in.”

7. 712 B.C.E. *Isaiah 53:7. Cause/prediction/determination.* “He was oppressed, and he was afflicted, yet, he opened not his mouth; he is brought as a lamb to the slaughter, and as a sheep before his shearer is dumb, so he openeth not his mouth.”

A.D. 33. *Matthew 26:52,63. Effect, future prediction fulfilled.* “And the high priest arose and said

unto him, ‘Answereth thou nothing? What is it which these witness against thee?’ But Jesus held his peace. Then the high priest stood up and said to Jesus, ‘I adjure thee by the living God, that thou tell us whether thou be the Christ(Messiah) the Son of God?’

In *Matthew 26:56* Jesus says: “But this has all taken place that the writings of the prophets might be fulfilled.” Christianity recognizes what the Jewish high priest wanted Jesus to admit to so they could prosecute him for blasphemy but, Jesus, knowing the prophecy of *Isaiah 53:7* said nothing.

Jesus knew his identity in relation to the prophecies but in order to display high humility and to put himself on a level playing field with humanity he quoted *Psalms 82:6* “I have said, ‘you are gods, you are all children of the Most High.’”

The high priest was deaf, dumb and blind to the truth. 2000 years later, sadly, the vast majority of the Jewish population are exactly like the high priest; i.e. still in denial about Jesus’ identity as the “Christ(Messiah) Son of God” as the high priest referred to the Messiah/Christ as. The purpose of this chapter is to shift the consciousness surrounding that energy of not knowing the truth so the Jews can finally escape the bondage of slavery of still being in (spiritual) captivity and denial.

Nobody killed Jesus! The world needs to stop blaming the Jews for killing Jesus and any guilt the Jews consciously or unconsciously harbor for Jesus’s death needs to stop. Jesus made sure the Jews crucified him. If he hadn’t he would not have fulfilled the prophecies.

A.D. 33. *Matthew 27:12-14*. **Effect, future prediction fulfilled.** “And while he was being accused by the chief priests and elders, He made no answer. Then Pilate said unto Him, ‘Do you not hear how many things they testify against you?’ And he did not answer him with regard to even a single charge, so that the governor was quite amazed.”

8. 1047 B.C.E. *Psalms 22:16*. **Cause, prediction, determination.** “For dogs have compassed me; the assembly of the wicked have enclosed me; they pierced my hands and feet.”

487 B.C.E. *Zechariah 12:10*. **Cause, prediction, determination.** “...and they shall look upon me whom they have pierced.”

712 B.C.E. *Isaiah 52:13*. **Cause, prediction, determination.** “He was pierced for our transgressions.”

712 B.C.E. *Isaiah 53:12*. **Cause, prediction, determination.** “Therefore will I divide him a portion with the great, and he shall divide the spoil with the strong; because he hath poured out his soul unto death; and he was numbered with the transgressors; and he bare the sin of many, and made intercession for the transgressors.”

Crucifixion is a method of capital punishment in which the victim is tied or nailed (pierced) to a large wooden beam and left to hang, perhaps for several days, until eventual death from exhaustion and asphyxiation. The earliest use of crucifixion was in the 6th century B.C.E. It was unknown when the *Psalms* were written in 1047 B.C.E. or during the life of *Isaiah* in 712 B.C.E.

33 A.D. **Effect/future prediction fulfilled.** *Matthew 27:38*. “Then there were two thieves crucified with him, one on the right hand and the other on the left.”

John 20:25. Effect/future prediction fulfilled. “But he said unto them, except I shall see in his hands the print of the nails, and put my finger into the print of the nails and thrust my hand into his side, I will not believe.”

John 20:27. Effect/future prediction fulfilled. “Then saith he to Thomas, reach hither thy finger, and behold my hands; and reach hither thy hand, and thrust it into my side: and be not faithless, but believing.”

From just these eight prophecies/predictions we have shown scientifically that:

1. Prophecy is a consistent mathematical model which will be demonstrated in other prophecies and their fulfillment. The birth of Israel (*Matthew 24:32*) e.g. was the fulfillment of a 3,830 year old prophecy to the day which began in 1883 B.C.E. The “*Time of the Gentiles*” A.D. 1914 (*Luke 21:21-24*) ended a 2,520 year prophetic period which began in 607 B.C.E.
2. The predictions can be tested by the observations. The predictions are the prophecies and their fulfillment are the observations.
3. The sheer number of predictions can also be tested against the observations; i.e. the fulfillment of the prophecies.
4. Prophecy provides observations that agree with the predictions.
5. Prophecy explains predictions and observations in a natural manner; that is, the Prophet as a vessel of God predicts the future event which hundreds of years later is fulfilled.
6. Prophecy defines a modern understanding of space and time. Einstein said it best. It’s all happening at the same time; past, present and future. That should be the “modern understanding of space and time.”
7. Prophecy (once understood) “corresponds to reality with new (ancient laws of the universe) laws and new ways to describe the universe which everyone should understand.” The reality is God has created the “script-ure” channeled through His prophets which Jesus fulfilled. The laws of the universe are God’s laws. If we do not follow them we suffer the consequences. Karma. Everyone needs to understand that our Mazzaroth/horoscope/*Job 38:31-33* is our own script to act out in this world. We are no different from Jesus in that sense. Jesus demonstrated the theatrical nature of reality by making sure those predictions were fulfilled on time. In other words when Jesus said: “When you have seen me you have seen the Father” he is talking about *Psalms 82:6*. “Ye are gods. We are all Children of the Most High.”

Physicist Leon Lederman has it all wrong. He says: “The purpose of predictions is to describe events following sequences of interactions. The predictive process due to the amplification of uncertainty, fails to predict reality. What the amplification of uncertainty means for philosophers, theistic or secular, is that our future is unknowable. Mankind cannot quantify the infinite either mathematically or philosophically.”

This outmoded, antiquated and erroneous thinking flies in the face of the prophecies Jesus fulfilled; i.e. “describing events following sequences of interactions.” There is absolutely zero “uncertainty” in the fulfillment of the prophecies by Jesus. Just those eight prophecies alone “predicts reality” i.e. the illusion of our three dimensional reality. These eight prophecies make for a “good candidate theory” as the world of observation is connected to the data and should move into the realm of a law of the universe like the law of cause and effect. 1,500 B.C.E. the events of the future had already happened in multi-dimensional non-linear time.

To illustrate further the precision of Biblical prophecy, let’s examine three specific predictions about Jesus made by three different Prophets and the detailed fulfillment hundreds of years later. As further evidence and corroboration I also present the probability and the odds of these events occurring by chance alone so you can see how impossible it is that these prophecies/predictions were made of man’s own wisdom and invention.

First: The Prediction.

Second: The Event.

Third: The Probability.

1. *Genesis 49:10*. 1450-1400 B.C.E. **Cause/ Prediction/ Determination.** The Messiah would come from the Tribe of Judah, one of the twelve Tribes descended from Jacob.

Matthew 1:1-6; Luke 3:31,34; Revelation 5:5. **Effect/Future prediction fulfilled.** The Event. Around 30-33 A.D. Jesus is described as a member of the Tribe of Judah.

The Probability: One chance in twelve as there were twelve known Tribes of Israel.

2. The Prediction: 710 B.C.E. *Micah 5:2*. The future Messiah would be born in Bethlehem.

The Event: 7 B.C.E. *Matthew 2:1*. “After Jesus was born in Bethlehem in Judea...”

The Probability: One chance in 200 assuming there were 200 villages in Judea.

3. The Prediction. 487 B.C.E. *Zechariah 11:12*. The Messiah would be betrayed for thirty pieces of silver.

The Event: 33. A.D. *Matthew 26:15*. “And they covenanted with him for thirty pieces of silver.”

The Probability: Once chance in fifty. The combined probability: 12 X’s 200, X’s 50 = 1 chance in 120,000.

There were around seventy nations in the world in Roman times. The odds of the Messiah being born in Yisrael by chance are 70-1. For him to come from the Tribe of Judah, one of the 12 Tribes of Yisrael, the odds are 12 to 1. To find the law of probability multiply 12 X’s 70=840 to 1 he would come from Judah in Yisrael. There were thousands of villages at the time. For the Prophet to predict the right village the odds are 2000 to 1 using only 2000 villages for this calculation. Now that we have the nation, the tribe, the village, to calculate the law of probability multiplying 70 X’s 12 X’s 2000 which = 1,680,000 to 1 of Jesus fulfilling just these three predictions.

Let's move on to the code embedded in the Bible.

1. *Micah 5:1*, starting with the 4th Yod in verse two, counting every 49th letter from left to right spells *YESHUA*.
2. *Zechariah 9:9*. Starting with the first yod in rejoice, counting every 22nd letter from right to left spells *YESHUA*. There are five events in this prophecy fulfilled by Jesus. The Law of Probability tells us that the odds of these five events occurring by chance are 168,000,000 to 1.
3. *Psalms 41:7-10*. In verse 8 there is a sentence, "Yach Shvu Rah'ah" which means "they plot evil." 7.' All my enemies whisper together against me; they imagine the worst for me..." Every other letter starting with the first yod right to left spells *YESHUA*. Starting with the second to the last yod in verse 9, counting from right to left, every 14th letter spells *YESHUA* chaii which means 'polished jewel.'
4. *Zechariah 11:12*. "And I said to them, if it is good in your eyes, give my price; and if not let it go. And they weighed my price for 30 pieces of silver." The Hebrew word for "my price" is 'Se'kari.' Starting with the yod, counting every 24th letter from right to left spells *YESHUA*. The odds of Yeshua being betrayed by a friend are 12 to 1. Fulfilled in *Matthew 26:15*. The odds at this point should be around 200,000,000,000 to 1. This figure does not include the Law of Probability that the name of Yeshua would be hidden in the Scriptures in each of the above prophecies.
5. In the four verses of *Psalms 22:14-17* at least 10 prophecies concern Yeshua. This brings us to the awesome amount of 20,000,000,000,000 to 1; i.e. 20 trillion to 1 that all these EVENTS were fulfilled by one man.
6. *Isaiah 53: 7-10* contains at least 17 prophecies that were fulfilled by one man within a span of 4 days. This brings the Law of Probability of 2,000,000,000,000,000 to 1; i.e. 2 quadrillion to 1 by just figuring 9 of the prophecies in these 6 sets of scriptures. In *Isaiah 53:10* starting with the 6th to last yod, counting every 20th letter from left to right spells *YESHUA* shmi which means, *YESHUA IS MY NAME.*"

Dr. Robert Harlick, Boeing professor of electrical engineering at the University of Washington, Seattle, is an independent researcher of *The Bible Code* and pattern recognition. He says *Qabala* has to do with receiving the will of God. He says we receive the will of God when we so align our will with God's that we become totally servants of God. This means transforming the mind and body so that our physical resistance to receiving God's will is nullified. *Yeshua* was 100% aligned with the will of God. His reincarnation is also 100% aligned with the will of God. Nothing in that regard has changed. Same soul but different body.

Nuclear physicist Dr. Gerald L. Schroeder in his book *Genesis And the Big Bang* said that "Simon de Laplace (1749-1827) argued that by knowing the conditions of the universe at any one time and knowing the laws that govern the functioning of the universe, one can predict all future events. Because every act or event is a reaction to preceding ones, we could apply the laws of nature and know the future. This is determinism."

John 13:1. "Now, because he **knew** before the festival of the Passover that his hour had come for him

to move out of this world to the Father.” Jesus knew the “conditions of the universe” because he knew the “laws that govern the functioning of the universe” so he could “predict all future events.”

1047 B.C.E. *Psalms 27:12. Cause/Prediction/Determination.* “Deliver me not over unto the will of mine enemies; for false witnesses are risen against me, spouting malicious accusations and such that breathe out cruelty.”

33 A.D. *Matthew 26:60,61. Effect/Future Prediction Fulfilled.* “But found none: yea, though many false witnesses came, yet found they none. At the last came two false witnesses, and said, ‘This fellow said, I am able to destroy the temple of God, and to rebuild it in three days.’”

712 B.C.E. *Isaiah 50:6. Cause/Prediction/Determination.* “I gave my back to the smitten, and my cheeks to them that plucked off the hair. I hid not my face from shame and spitting.”

33 A.D. *Mark 14:65. Effect/ Future Prediction Fulfilled.* “And some began to spit on him, and to cover his face, and to buffet him, and say unto him, prophecy: and the servants did strike him with the palms of their hands.”

1047 B.C.E. *Psalms 69:4. Cause/Prediction/Determination.* “They that hate me without a cause are more than the hairs of mine head: they that would destroy me, being mine enemies wrongfully, are mighty; then I restored that which I took not away.”

33 A.D. *John 15:23-25. Effect/Future Prediction Fulfilled.* “He that hateth me hateth the Father also. If I had not done among them the works which none other man did, they had not had sin: but now have they both seen and hated both me and my Father. ‘But this cometh to pass, that the word might be fulfilled that is written in their law; they hated me without a cause.”

One hundred -fifty years after LaPlace formulated his theory the theoretical physicist and one of the originators of modern quantum mechanics, Warner Heisenberg, presented his theory that nature itself is intrinsically uncertain. His “uncertainty principle” said we can never know all the properties of a particle at the same time; e.g. measuring the particle’s position would allow us to know its position, but this measurement would necessarily disturb its velocity, by an amount inversely proportional to the accuracy of the position measurement; i.e. a limit to the precision by which the conditions of any particle can be measured.

“The uncertainty principle maintains that uncertainty was an inherent aspect of the universe and that the future could never be determined. Perhaps at a large scale, say at the size of humans or larger, we might still be able to predict what the future will hold. Alas, this too, is not possible.” *Genesis and The Big Bang.*

Jesus, by knowing the Old Testament prophecies and their time frame for fulfillment in his lifetime, knew the events before they occurred. Jesus knew the “condition of the universe” and he knew the “laws that govern the functioning of the universe” so he could predict all future events; like the destruction of the Jewish temple in 70 A.D.

Remember what physicist Leon Lederman said before? "...what the amplification of uncertainty means for philosophers, theistic or secular, is that our future is unknowable. Mankind cannot quantify the infinite (God) either mathematically or philosophically." Oh really? Are Lederman and Heisenberg right? What about Albert Einstein? He said, "The distinction between past, present, and future is only an illusion."

What then is the true nature of reality if third dimensional reality that we live in is "only an illusion?" Prophecy blows out any "uncertainty." Do you really believe the physicist's viewpoint that the "predictive process" is unknowable?

If the life of Jesus was scripted then all our lives are scripted. We are reminded of that in *Job 38:31-33*. We have been given the freedom of choice to change our script if we so choose. Jesus could change his script knowing all the prophecies in advance but if he did that he would alter the fate of the world. For Jesus it was all determined and because he was doing the will of God he chose to stay with what the script called for.

Prophecy confirms there is no "uncertainty" in God's plan for humanity. Jesus knew way in advance the impending crucifixion drama because at the "larger-scale human size" he could predict what the future held. He knew the biblical mathematics to the prophecies and their precise timing. All he had to do was make sure he kept to the pre-scripted linear timing.

Genesis 7:11. "In the 600th year of Noah's life, in the 2nd month, the 17th day of the month.

Genesis 8:3. "And the waters returned from the earth continually: and after the end of the 150 days the waters were abated."

Genesis 8:4. "And the ark rested in the 7th month, on the 17th day of the month, upon the mountains of Ararat." Noah lived for 350 years after the flood and died when he was 950 years old.

Genesis 6:9 stated that "Noah was perfect in his generations." The word generations in Hebrew is "toledah" meaning descent. Noah was perfect in his descent from Adam, meaning his lineage had not mixed with any other species or genus of humans. This has profound implications. Not all humans on the earth were eliminated in the flood. A proliferation of species, genus, colors, and types of humans were not affected by that regional flood. Therefore, the notion that all of humanity evolved from Noah and his descendants after the flood is pure myth.

Genesis 7:11, 8:3 and 8:4 establish the reference for many of the time riddles found in the Old and New Testaments. The calendar in use in Noah's time was the Archaic calendar in which the year was comprised of 12 months of 30 days each, or 360 days in all in a normal year. Five (5) months from the 17th day of the 2nd month to the 17th day of the 7th month is 150 days.

Genesis 15:18. 1,921 B.C.E. "In the same day the Lord made a covenant with Abraham saying, 'unto thy seed have I given this land.'"

Genesis 17:18. “And I will give unto thee, and to thy seed after thee, the land for an everlasting possession: and I will be their God.”

In 1,883 B.C.E. Jacob’s name was changed to Israel, which means: “He who has struggled with God.” Jacob and his family, the children of Israel, came into the land of Caanan. The Israelites entered the Promised Land, received the confirmation of the covenant of Abraham and came into Divine favor.

The mathematical riddles are all encoded. We just need to know the language to the decoding; e.g.

Jeremiah 16:18: “And first I will recompense their iniquity and their sin double.”

Zechariah 9:12. “Turn you to the stronghold, ye prisoners of hope: even today do I declare that I will render double unto thee.”

Isaiah 40:2. “Speak ye comfortably O Jerusalem, and cry unto her, that her warfare is accomplished, that her iniquity is pardoned: for she hath received of the Lord’s hand double for all her sins.”

The Hebrew word translated as “double” in *Jeremiah 16:18* and *Zechariah 9:12* is “***mishneh***,” meaning a repetition or second equal portion. In these verses they have a chronological application.

The Hebrew word rendered as “double” in *Isaiah 40:2* is “***kephel***” which signifies double in the sense of something folded in the middle.

Deciphering the verses, then, we have something repeated or a second equal portion and we have something folded in the middle. It took the ten (10) generations from Adam to Noah to spell out the message and to decode the timing of events that were recorded in Biblical history.

The time from 1883 B.C.E. to the crucifixion drama in A.D 33 was **1,915 years**. The time from A.D. 33 to the birth of Israel on May 14, 1948 (and the re-birth of the reincarnation of Jesus) was **1,915 years**.

The law dispensation of the Israelites ended with the crucifixion drama on April 3, A.D. 33.

1883 B.C.E. + A.D. 33 – 1 = 1,915 years. One year must be subtracted for the transition period of B.C.E. to A.D.

1948 – 33 = 1,915 years.

Jacob = 1883 B.C.E.

Crucifixion drama A.D. 33

1,915 years

1,915 years

From the end of the 1,915 years in the spring of 33 A.D., plus another equal portion or double of 1,915 years ends in the spring of 1948. The entire period of 3,830 years from Jacob in 1,883 B.C.E. to A.D. 1948 is the *mishna* and the crucifixion drama in A.D. 33 is the “*Kephel*.”

Do you still believe the physicist’s viewpoint that the “predictive process” i.e. prophecy, “fails to predict reality?” Do you think the future is “unknowable?” Do you believe that God, the “infinite” cannot be quantified mathematically given the structured framework of prophecy and the number 10 presented in *The Unified Field Revealed*?

The next sequence of prophecies/predictions also describes events scheduled to happen hundreds of years into the future. You decide if there is uncertainty and a failure to predict reality. There is no Jewish person on earth that can deny these prophecies, the amazing accuracy of the prophecies and the incredible science behind the prophecies. The Holy Koran addresses this Jewish dilemma of denying Jesus was and is their “chosen” Messiah.

2 Timothy 3:16. “All scripture is inspired by God and profitable for teaching, for reproof, rebuking, correcting, for conviction and training in righteousness.” In other words, All scripture is inspired by God and is useful to teach us what is true and to make us realize what is wrong in our lives. It corrects us when we are wrong and teaches us to do what is right.

Holy Koran Surah V. 69. “Lo! Those who believe, and those who are Jews, and Sabians and Christians; whosoever believeth in Allah/God and the Last Day and doeth right; there shall no fear come upon them neither shall they grieve.”

Surah V. 70. “We made a covenant (emphasis added throughout) of old with the **children of Israel** and we sent unto them messengers. As often as a messenger came upon them with that which their souls desired not (they became rebellious). Some (of them), they denied, and some they slew.”

Surah V.71: “They thought no harm would come of it, so they were **willfully blind and deaf**. And afterward, Allah/God) turned (in mercy) toward them. Now, (even after that) are **many of them willfully blind and deaf**. Allah/God is seer of what they do.”

Surah V. 72: “They(the Jews) surely disbelieve who say, Lo! Allah/God is the Messiah (Christ Jesus) son of Mary. The Messiah (himself/Jesus) said, ‘O children of Israel, worship Allah/God my Lord and your Lord. Lo, whoso ascribeth partners unto Allah/God hath forbidden Paradise. His abode is the Fire. For evil-doers there will be no helpers.’”

Surah II 87-88. “And verily We gave unto Moses the scripture and We caused a train of messengers to follow after him, and we gave unto **Jesus**, son of Mary, **clear proofs** (of Allah’s/God’s sovereignty), and We supported him with the Holy Spirit. Is it ever so, that, when there cometh unto you (the Jews) a messenger (from Allah/God) with that with which ye yourselves desire not, ye grow arrogant, and some ye disbelieve and some ye slay? And they say, our hearts are hardened. Nay, but Allah/God hath cursed them for their disbelief. Little is that which they believe.”

Isaiah 53:1-3. “Who has believed our message? To whom will the Lord reveal His saving power? He was despised and rejected—a **man** of sorrows, acquainted with bitterest grief. WE TURNED OUR BACKS ON **HIM** and looked the other way when he went by. He was despised, and we did not care.”

Koran: “We supported Him with the Holy Spirit.”

Isaiah: “We turned our backs on Him.”

Isaiah 53 is about the Messiah Jesus as the “suffering servant.” It is NOT about Israel. Isaiah says: “a **man** of sorrows.” “we turned our backs on **Him**.”

John 1:10-11. “But although the world was made through Him, the world didn’t recognize Him when He came. Even in His own land and among His own people, He was not accepted.”

John 12:37-38. “But despite all the miraculous signs He had done, most of the people did not believe in Him, This is exactly what Isaiah the prophet had predicted: ‘Lord, who has believed our message...’

John 12:42-50. “Nevertheless, many, even of the authorities, believed in Him. But because of the Pharisees they did not confess it, for fear they would be put out of the synagogue; for they loved human glory more than the glory that comes from God. Then Jesus cried aloud: ‘Whoever believes in me believes not in me but in Him who sent me. And whoever sees me sees Him who sent me. I have come as a light into the world, so that everyone who believes in me should not remain in darkness. I do not judge anyone who hears my words and does not keep them, for I came not to judge the world, but to save the world. The one who rejects me and does not receive my word has a judge; on the last day the word that I have spoken will serve as judge, for I have not spoken on my own, but the Father who sent me has given me a commandment about what to say and what to speak. And I know that His commandment is eternal life. What I speak, therefore, I speak just as the Father has told me.’”

Matthew 23:33: “Ye serpents, ye generation of vipers! How will you escape the sentence of hell”

Matthew 5:17. “I did not come to abolish the law of Moses or the writings of the prophets. No, I came to accomplish their purpose.”

Surah II 136. “Say, (O Muslims) We believe in Allah(God) and that which is revealed unto us and that which was revealed unto Abraham and Ishmael, and Isaac and Jacob, and the Tribes, and that which Moses and **Jesus** received, and **that which the Prophets received from their Lord**. We make no distinction between any of them, and unto Him we have surrendered.”

Surah II 253. “Of those messengers, some of whom we have caused to excel others, and of whom Allah/God spoke, while some of whom we have caused to excel others, and of whom Allah/God spoke, while some of them He exalted (above others) in degree: and we gave **Jesus**, son of Mary, **clear proofs** (of Allah’s/God’s sovereignty) and we supported him with the Holy Spirit. And if Allah/God had so willed it, those who followed after them would not have fought one with another after the **clear proofs**

had come unto them. But they differed, some of them believing and some disbelieving. And if Allah/God had so willed it, they would not have fought one with another; but Allah/God doeth what He will.”

The “clear proofs” are being given to the Jews that “disbelieve” so they no longer are “willfully blind and deaf” to the truth. The gates close on 5779=28=10 in the 10th month (October).

Surah IV 157: “...And because of their saying; (the prophecies)We slew **the Messiah Jesus**, son of Mary, Allah’s/God’s messenger. - they slew him not nor crucified, but it appeared so unto them; and lo! Those who disagree concerning it are in doubt thereof; they have no knowledge thereof save pursuit of a conjecture; they slew him not for certain.”

What is extremely important in these verses is the recognition by the Koran that Jesus is recognized as “the Messiah”. He is specifically identified as the “son of Mary” and “God’s messenger.”

1. The Jews of Jesus’ day were given “clear proofs” of God’s domain and sovereignty.
2. The Jews in Jesus’ time were “arrogant.” Their hearts were hard with pride, power and materialism; they disbelieved one of their own and “slew him.” At least they thought they did.
3. Whether it be Abraham, Ishmael, Isaac, Jacob, Moses, or Jesus, one thing is clear; there is no distinction between any of them because it is to God they have surrendered. The purest form of any religion is TRUTH.
4. Even though “clear proofs” came to those filled with the holy Spirit they still fought one with another-those who believed and those who disbelieved. They were all in clear denial of the truth of God’s plan and who was sent to deliver the message of that plan.

Let’s look even deeper into God’s prophetic plan conceived before the physical universe was born.

538 B.C.E. *Daniel 9:24-27*. “Seventy (70) weeks are determined upon thy people and upon thy holy city, to finish the transgression, and to make an end to sins, and to make reconciliation for iniquity, and to bring in everlasting righteousness, and to seal up the vision and prophecy, and to anoint the most holy.

Know therefore and understand that from the going forth of the commandment to restore and to build Jerusalem unto **Messiah the Prince** shall be seven (7) weeks and threescore (60); and two (2) weeks; the street shall be built again, and the wall, even in troublesome times.

And after threescore (60) and two (2) weeks (69 weeks) shall **Messiah be cut off**, but not for himself. And the people of the Prince that shall come shall destroy the city and the sanctuary; and the end therefore shall be with a flood, and unto the end of the war desolations are determined.

And he shall confirm the covenant with many **for one week** and **in the midst of the week** he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation and that determined shall be poured unto the desolate.”

The prediction in *Daniel 9:24-27* specifies that “Messiah the Prince” would appear 69 weeks of years from the going forth of the word, to restore and rebuild Jerusalem. That’s seven (7) weeks and three score (60) and two (2) weeks. A score is a set of twenty (20); threescore equals sixty (60). $7 + 60 + 2 = 69$.

Shortly after the rebuilding of Jerusalem, Jerusalem and its Temple would be destroyed. “Seventy weeks are determined upon thy people.” At the half of the 70th week ‘Messiah would be cut off.’

In precise conformity to the prediction of Daniel, the crucifixion drama transpired on Passover day, April 3rd in the spring of 33 A.D., **exactly** half a week of years or 3.5 years, after the Messianic career of Jesus began at baptism at the river Jordan by John the Baptist, the reincarnation of Elias/Elija when Jesus was thirty (30) years of age. So, how was this incredibly complex time heavy prophecy fulfilled?

A decree for the restoration and the rebuilding of Jerusalem was given by the Persian king *Artaxerxes Longimanus* during the twentieth (20th) year of his reign. The decree went into effect in the fall of that year which was 455 B.C.E.

Get out your calculators. Counting forward sixty-nine (69) weeks of years (each week being seven (7) years long according to the time scale given in *Ezekial 4:5,6*, in which one biblical day is equal to one (1) year), $69 \times 7 = 483$. This is the only definitely stated time scale in the entire Bible. Chance?

Ezekial 4:5,6: Here we go. “For I have laid upon thee the years of their iniquity according to the number of the days, three hundred and ninety (390) days, so shalt thou bear the iniquity of the House of Israel. And when thou has accomplished them, lie again on thy right side, and thou shalt bear the iniquity of the House of Judah (Jesus was from the tribe of Judah) forty (40) days; I have appointed thee **each day for a year.**”

With Noah we received the decoding to the length of the month and now we have a day for a year. So, we have the cipher to decode the timing to the prophecies. Verses 5 and 6 above state that the 390 days and the 40 days in the prophecy are 390 years and 40 years in actual time. Using the year- for -the -day formula, each week is seven (7) years long. Using this formula, count forward 483 years from 455 B.C.E., which brings us to the year of A.D. 29. According to scriptural historical record, that was precisely the year in which Jesus presented himself as Messiah.

Luke 3:21-23: “Now, when all the people were baptized, it came to pass, that Jesus was also baptized. And Jesus began to be about thirty (30) years of age.”

Seventy weeks (70): $7 \text{ times } 7 = 490$ days (7 days in a week) or 490 years.

Sixty-nine weeks (69); $69 \text{ times } 7 = 483$ years.

Subtract the year 455 from 483 and we arrive at **28**. Add one (1) year for the time period between B.C.E., and A.D., and we arrive at A.D. **29**.

The prophecy clearly states the Messiah would be “**cut off** in the midst of the week.”

Seven (7) weeks divided by two (2) is equal to 3.5 weeks or years since one (1) day is one (1) year.

Subtract the year 455 B.C.E. from the 490 years = A.D. 35. Add one (1) year for the time period between B.C.E. and A.D. and we arrive at A.D. 36.

Subtract the 3.5 years from A.D. 36 and we arrive at 33.5 weeks/years. Jesus was crucified in A.D. 33 in the “midst of the 70th week” fulfilling the prophecy of *Daniel 9:24-27*.

Isaiah 53:8. “He was taken to prison and from judgement; and who shall declare His generation? For he was **CUT OFF** out of the land of the living; for the transgression of my people was He stricken.”

When Jesus reincarnated on April 2, 1948 just 42 days before the re-birth of Israel on May 14th his mid-heaven in his Mazzoroth/horoscope/zodiac was exactly conjunct the fixed star Nashira 20 degrees 17 minutes (within 23 celestial minutes) 20 degrees 40 minutes. The meaning of this conjunction is: From *Al Sa'd al Nashirah*, “the fortunate one, the **Bringer of Good tidings** and the **Record** of the **CUTTING OFF**.” Jesus was “**cut off**” and this planetary placement is the “**record**” of that “cutting off.”

Isaiah 61:1-2. Cause, Prediction, Determination. “The spirit of the Lord God is upon me, because the Lord has anointed me: He has sent me to bring **good news** to the afflicted, to bind up the brokenhearted, to proclaim liberty to the captives, release to the prisoners.”

Isaiah 40:9. Cause, Prediction, Determination. “O Zion that brings **good tidings**, go up into the high mountain. Lift up thy voice with strength O bearer of **good tidings** of Jerusalem, lift it up.....”

Luke 4:18. Effect, Future Prediction Fulfilled. “The spirit of the Lord is upon me, because He has anointed me to bring **glad tidings** to the poor. He has sent me to proclaim liberty to captives and recovery of sight to the blind, to let the oppressed go free.”

“Seventy (70) weeks are DETERMINED upon thy people...and unto the end of the war **desolations** are DETERMINED...and for the overspreading of abominations he shall make it desolate.”

DETERMINED, DETERMINED, DETERMINED. Doesn't this predict the future? Don't the predictions match up with the observations?

Luke 21:5-38. Effect, Future Prediction Fulfilled. “Then, as some spoke of the Temple, how it was adorned with beautiful stones and donations. He said, ‘These things which you see-the days will come in which not one stone shall be left upon another that shall not be thrown down.’ (“**desolations**”)

Mark 13:1-2. “Then as He went out of the temple, one of His disciples said unto Him, ‘Teacher, see what manner of stones and what buildings are here!’ And Jesus answered and said to him, ‘Do you see these great buildings? Not one stone shall be left upon another, that shall not be thrown down.’ (“**desolations.**”)

The Temple was destroyed in A.D. 70. Jesus could predict the destruction of the Temple because it was in the prophecies.

“If you believe, then, that the universe is not arbitrary, but governed by definite laws, you ultimately have to combine the particle theories into a complete unified theory that will describe everything in the universe, yet, if there really is a complete unified theory, it would also presumably determine our actions; but it might as well not because we can never know what is determined.” *Stephen Hawking’s Universe* by Kitty Ferguson.

1. The universe is “governed by definite laws and is not arbitrary.”
2. These “definite laws” define everything in the universe.
3. *The Unified Field Revealed* is the incontrovertible proof that the universe is unified.
4. Human’s “actions are determined” when we live in an unconscious spiritually unaware state of being. Living unconsciously is being spiritually dead and spiritually blind.
5. We can determine our actions now by being cosmically conscious and spiritually aware. This is “liberation of the captives.”

Jesus proved that His actions were determined by that which was scripted. What does that say about our actions? All our lives are scripted. By being aware and cosmically conscious we can change the script at any time. It is our choosing.

END OF PART 1

PART 2

IS ALL DETERMINED?

Physicist Stephen Hawking asks several questions which I will attempt to answer.

1. Are we really masters of our fate?
2. Is everything we do determined and preordained?
3. Is God omnipotent and outside time?
4. Does God know what is going to happen?
5. How can we then have free will?
6. If we don't have free will, how can we be responsible for our actions? It can hardly be one's fault if one has been preordained to rob a bank. So why should we be punished for it?
7. How can a relatively simple and compact theory give rise to a universe that is as complex as the one we observe?
8. There is not much survival advantage to be gained from discovering a *Grand Unified Theory (GUT)* or answering questions about determinism.
9. We feel subjectively that we have the ability to choose who we are and what we do. This may just be an illusion. Some people think they are JESUS CHRIST, but they can't all be right.
10. What we need is an objective test that we can apply from the outside to distinguish whether an organism has free will.
11. The ultimate objective test of free will would seem to be; can one predict the behavior of an organism? If it can, then it clearly doesn't have free will, but is predetermined.
12. Without a causal connection between events, there is no meaningful way that one can say that one event happened after another.
13. If we can find a consistent model that describes everything in the universe it would be a real triumph for the human race.

I am going to answer a few of Hawking's questions and you are going to answer the rest because you now have the information to answer his questions.

1. Yes! Knowing (not believing) that life in the 3rd dimension is but a scripted movie, ('All the worlds a stage and all the men and women merely players') we can fulfill our destiny, accomplish our mission on earth, and reach for and achieve our higher spiritual purpose.
2. Yes and no. Once we become fully cosmically conscious, aware and awake (enlightened), we become co-creators with God of our own real life movie. As "masters of our fate" we become "determined" to fulfill our self imposed preordained destiny. If we do not raise our consciousness sufficiently to the Christ/Love vibration, we are at the mercy of the earthly karmic three-dimensional forces and our actions remain unconsciously determined, and we remain bound to the wheel of rebirth and reincarnation.
3. Yes! Time, as one of the material forces, is part of the material creation which God created. Thus, God is omnipotent. Since God created "time" God can only be "outside time."

4. Yes! Since God created the creation, the movie of our scripted 3rd dimensional reality, the drama, the script, picked the actors and their roles to be played out God is beyond “time” and knows everything that is going to happen. The prophecies and their fulfillment answer #4.

5. “Free will” is an illusion. We have the freedom of choice. By doing the will of the Creator, by living to fulfill our spiritual destiny, spiritual mission and spiritual higher purpose we can gain free will, which in itself is a cosmic paradox. Did Jesus have free will NOT to fulfill the prophecies. No! He chose to fulfill them to serve his higher spiritual purpose laid out in the prophecies. It could not have been otherwise.

6. By knowing the laws of the universe, the karmic law of cause and effect, we willingly conform to those laws so our actions become cosmically responsible automatically, knowing the consequences of negative actions. “What we sow we reap.” “What goeth around cometh around.”

7. Cause and effect is a “relatively simple and compact theory.” Prophecy proves it. The Chinese book the *Tao Te Ching* is an instruction manual on how the universe works; so Tao means how! It’s relatively “simple.”

8. Knowing the *Grand Unified Theory* (GUT), the *Unified Field* and the *Theory of Everything* (TOE) gives us total “survival advantage.” Having a road map means you can chart your journey. Our “mazzaroth/horoscope/zodiac is our road map.

9. We do have the “ability to choose who we are and what we do.” *Psalm 82:6* answers this one. “Some people think they are Jesus Christ, but they can’t all be right.” None of them are right. I AM the only one who is right.

10. Prophecy is the “objective test we can apply from the outside to distinguish whether an organism has free will.” Do you think or believe Jesus as the “organism” had free will? Do any of us have “free will?” Could he not fulfill the prophecies?

11. If Stephen Hawking is right that “the ultimate objective test of free will would seem to be; can one predict the behavior of the organism? If it can, then it clearly doesn’t have free will, but is determined.” Clearly, the prophecies predict the future behavior of Jesus and Judas! After all, Jesus acted them out in complete and total cosmic consciousness. He knew he was the chosen actor and he had his role in the real life movie to act out and to make sure every scene was staged properly. Like the “colt” he would enter Jerusalem on. Like the seeming betrayal of Jesus by Judas for 30 pieces of silver. What if Jesus taught the disciples the prophecies and they agreed to be actors in the movie with him? If the disciples UNDERSTOOD that John the Baptist was the reincarnation of Elija/Elias wouldn’t it make sense that they understood everything else Jesus taught them? The events were pre-determined. Scripted.

12. Jesus fulfilling the prophecies most definitely proved the “causal connection between events...and that one event happened after another.”

13. The “real triumph for the human race” is that the reincarnation of Jesus (same soul/new body) is the “consistent model that **describes** everything in the universe” i.e. Bruce is the arch-typical prototype of

the standard model of reality; the “consistent model.” Bruce IS the UNIFIED FIELD.” Everything in the universe, in relation to God (*Psalm 82:6*) in relation to hu-man, in relation to Love (which is God), can be “**described**” through the arch-typical being of his “self.” Of **your** self. **You** are the unified field. **You** are the consistent model. **You** are created in the image and likeness of God/Love. Prophecy is linear time’s manifestation of the illusion and shatters the notion of duality; ie, being separate from the One Creator of all there is in the universe.

Luke 17:20,21. “And when he was demanded of the Pharisees when the kingdom of God should come, he answered them and said; ‘the Kingdom of God cometh not with observation; neither shall they say, lo here! Or lo there! For behold, the Kingdom of God is within **you.**’”

1451 B.C.E. Deuteronomy 18:15. **Cause, Prediction, Determination.** “The Lord thy God will raise up unto thee a **Prophet** from the midst of thee, of thy brethren, like unto me, unto him ye shall harken; I will raise them up a **Prophet** from among their brethren, like unto thee and will put my words into his mouth; and he shall speak unto them all that I shall command him.”

AD 33. *John 6:14.* **Effect, Prediction Fulfilled.** “Then those men, when they had seen the miracle that Jesus did, said, ‘This is of a truth, **that prophet** that should come into the world.’”

A.D. 33. *John 7:40.* “Many of the people, therefore, when they heard this saying, said, ‘of a truth this is **the prophet.**’ The people, then, expecting the Messiah knew the prophecies of old.”

1004 B.C.E. *Psalms 110:4.* **Cause, Prediction, Determination.** “The Lord hath sworn, and will not repent, thou art **a priest forever after the order of Melchizedek.**”

33 A.D. *Hebrews 6:20.* **Effect, Prediction Fulfilled.** “Whether the forerunner is for us entered, even Jesus made **a high priest forever after the order of Melchizedek.**”

740 B.C.E. *Isaiah 9:1-2.* **Cause, Prediction, Determination.** “Nevertheless the dimness shall not be such as was in her vexation, when at the first he lightly afflicted **the land of Zebulun and the land of Naphtali**, and afterward did more grievously afflict her **by the way of the sea, beyond Jordan**, in **Galilee** of the nations. The people that **walked in darkness have seen a great light**; they that dwell in **the land of the shadow of death**, unto them **hath the light shined.**”

32-33 A.D. *Matthew 4:12-16.* **Effect, Prediction Fulfilled.** “Now when Jesus had heard that John was cast into prison(‘delivered up’), he departed unto **Galilee**; and leaving Nazareth he came and dwelt in Capernaum, **which is upon the sea coast**, in the borders of **Zabulon** and **Nephthalim**; that it might be fulfilled which was spoken by Esaias, the Prophet, saying, **the land of Zabulon**, and **the land of Nephthalim**, **by the way of the sea, beyond Jordan**, **Galilee** of the Gentiles(‘nations’); the people which **sat in darkness saw great light**; and to them which sat in the **region and shadow of death light is sprung up.**”

740 B.C.E. *Isaiah 7:14.* **Cause, Prediction, Determination.** “Therefore the Lord Himself shall give you a sign; behold a young woman (*alma*) (not a virgin) shall conceive, and bear a son, and shall call his name **Emmanuel, which being interpreted is God with us.**”

Tovia Singer is an orthodox Rabbi and has this to say about *Isaiah 7:14*. “Had *Isaiah* wished to speak about a virgin he would have used the word *Betulah*, not *Alma*. The word *betulah* appears frequently in the Jewish scriptures, and is the only word-in both Biblical and modern Hebrew that conveys sexual purity. Although *Isaiah* used the Hebrew word *Alma* only one time in his entire corpus (*7:14*) the Prophet uses the word virgin (*betulah*) five (5) times throughout the *Book of Isaiah*. *23:4; 23:12; 37:22; 47:1; 62:5*.” “*Betulah/virgin*” does not appear in *Isaiah 7:14*.

7 B.C.E. *Matthew 1:23*. **Effect, Prediction Fulfilled**. “Behold, a young woman (not virgin) shall be with child, and shall bring forth a son, and they shall call his name **Emmanuel, which being interpreted is, God with us.**”

712 B.C.E. *Isaiah 53:3*. “**Cause, Future Prediction**. “He is despised and **rejected** of men; a man of sorrows, and acquainted with grief; and we hid as it were our faces from him; he was despised, and we esteemed him not.”

AD 33. *John 1:11, 5:43, Luke 4:29, 17:25*. **Effect, Prediction Fulfilled**. “He came unto his own, and his own received him not. I AM come in my Father’s name, and ye receive me not; and rose up, and thrust him out of the city, and led him unto the brow of the hill whereupon their city was built, that they might cast him down headlong. But first must he suffer many things, and be **rejected** of this generation.”

1047 B.C.E. *Psalms 22:6-8*. **Cause, Future Prediction**. “But I am a worm, and no man: **a reproach of men, and despised** of the people. All they that see me laugh me to scorn; they shout out the lip, they **shake the head** saying, He trusted on the Lord that He would deliver him: let him deliver him, seeing he delighted in him.”

AD 33. *Matthew 27:39,40*. **Effect, Prediction Fulfilled**. “And they that passed by **reviled him, wagging their heads**, and saying: ‘thou that destroyest the temple, and buildest it in three days, save thyself. If thou be the son of God, come down from the cross.’”

1040 B.C.E. *Psalms 69:21*. **Cause, Future Prediction**. “They gave me also gall for my meat, and in my thirst they gave me **vinegar to drink.**”

AD 33. *John 19:20-33*. **Effect, Prediction Fulfilled**. “Now there was set a vessel full of **vinegar**: and they filled a sponge with **vinegar**, and put it upon hyssop, and **put it in his mouth.**”

1047 B.C.E. *Psalms 22:18*. **Cause, Future Prediction**. “**They part my garments** among them, and **cast lots** upon my vesture.”

AD 33. *Luke 23:34*. **Effect, Prediction Fulfilled**. “Then said Jesus, ‘Father forgive them: for they know not what they do.’ And they **parted his raiment, and cast lots.**”

A.D. 33. *Mark 15:24-33*. **Effect, Prediction Fulfilled**. “ And when they had crucified him, they **parted his garments, casting lots upon them**, what every man should take.”

487 B.C.E. *Zechariah 12:10. Cause, Future Prediction.* “And I will pour upon the house of David, and upon the inhabitants of Jerusalem, the spirit of grace and of supplications; and they shall look upon me with whom they **pierced** and they shall mourn for him, as one mourneth for his only son, and shall be in bitterness for him, as one shall be in the bitterness for his firstborn.”

A.D. 33. *John 19:34. Effect, Prediction Fulfilled.* “But one of the soldiers with a spear **pierced** his side, and forthwith came there out blood and water.”

1047 B.C.E. *Psalms 34:20. Cause, Future Prediction.* “He keepeth all his bones: **not one of them is broken.**” Crucifixion was unknown in 11th century B.C.E. but in Roman times they broke the legs to hasten death in crucifixion.

A.D. 33 *John 19:33. Effect, Prediction Fulfilled.* “But when they came to Jesus, and saw that he was dead already, **they broke not his legs.**”

712 B.C.E. *Isaiah 53:9. Cause, Future Prediction.* “And he made his grave with the wicked, and with **the rich** in his death: because he had done no violence, neither was any deceit in his mouth.”

A.D. 33. *Matthew 27:57-60. Effect, Prediction Fulfilled.* “When the even was come, there **came a rich man** of Arimathaea named Joseph, who also himself was Jesus’ disciple.”

Since there are hundreds of prophecies in the Old Testament I will list a few more and then we will move on to the next level.

Cause, Future Prediction. *Genesis 3:15*-Would be **the seed of a woman.**

Effect, Prediction Fulfilled. *Galatians 4:4.* “But when the SET TIME had fully come, God sent His son, **born of a woman**, born under the law.”

Genesis 17:19. Cause, Future Prediction. “Promised seed of Isaac.”

Matthew 1:2. Effect, Prediction Fulfilled. “Abraham was the father of Isaac, the father of Jacob....Matthan the father of Jacob, and Jacob the father of Joseph, the husband of Mary, the mother of Jesus who is called the Messiah. Thus there were 14 generations in all from Abraham to David, fourteen from David to the exile to Babylon, and fourteen from the exile to the Messiah.” So, **28=10** generations from David to Jesus.

Numbers 24:17. “Promised seed of Jacob.” “A star will come out of Jacob.” **Cause, Future Prediction.**

Luke 3:34. Effect, Prediction Fulfilled. The lineage of Jacob to Jesus.

Isaiah 9:7. Cause, Future Prediction. “...**He will reign on David’s throne** and over his kingdom, establishing and upholding it with justice and righteousness from that time on and forever. The zeal of the Lord Almighty will accomplish this.”

Matthew 1:1. Effect, Prediction Fulfilled. Because there is conflict between the gospel of *Luke* and the gospel of *Matthew* on the genealogy of Jesus' father Joseph, Matthew says the father of Jesus' father Joseph was Jacob while Matthew says Joseph's father was Heli. *Luke 3:31* connects Jesus to Nathan the son of King David through the biblical figure Heli the son of Matthat. This is the correct lineage.

Revelation 5:5 lends some clarity. "But one of the elders said to me, 'Do not weep. Behold, the Lion of the tribe of Judah, the **Root of David** has prevailed to open the scroll and loose its seven seals."

Revelation 22:16 has Jesus affirming his lineage. "I, Jesus, have sent mine angel to testify unto you these things in the churches. **I AM the Root and Offspring of David**, and the bright and morning star(Venus).

Jeremiah 31:13. Cause, Future Prediction. "Thus says the Lord: 'A voice is heard in Ramah, lamentation and bitter weeping. Rachel weeping for her children; and refuses to be comforted for her children, because they are no more.'"

Matthew 2:16. Effect, Prediction Fulfilled. "Then Herod, when he saw that he had been tricked by the wise men, became furious, and he sent and killed all the male children in Bethlehem and in all that region whoe were two years old or under, according to the time that he had ascertained from the wise men.."

Hosea 11:1. Cause, Future Prediction. "When Israel was a child, I loved him, and **out of Egypt I called my son.**"

Matthew 2:13-15. Effect, Prediction Fulfilled. "Now when they had departed, behold, an angel of the Lord appeared to Joseph in a dream and said, 'Rise, take the child and his mother, and flee to Egypt, and remain there until I tell you, for Herod is about to search for the child, to destroy him.' And he rose and took the child and his mother by night and departed to Egypt and remained there until the death of Herod. This was to fulfill what the Lord had spoken by the prophet, "**Out of Egypt I called my son.**"

Isaiah 9:1,2. Cause, Future Prediction. "...By way of the sea, beyond Jordan, in **Galilee** of the nations."

Matthew 4:12-16. Effect, Prediction Fulfilled. "Now when he heard that John had been arrested, he withdrew into **Galilee**. And leaving Nazareth, he went and lived in Capernaun **by the sea**...that what was spoken by the prophet Isaiah might be fulfilled..."

Isaiah 11:2. Cause, Future Prediction. "And the spirit of the Lord shall rest upon him, the Spirit of **wisdom** and understanding, the Spirit of counsel and might, the Spirit of Knowledge and the fear of the Lord."

Luke 2:52. Effect, Prediction Fulfilled. "And Jesus increased in **wisdom** and in stature and in favor with God and man."

Psalms 109:7. Cause, Future Prediction. "When he shall be judged, let him be condemned and let his prayer become sin. Let his days be few; and **let another take his office.**"

Acts 1:18-20. Effect, Prediction Fulfilled. “With the payment he received for his wickedness, Judas bought a field: there he fell headlong, his body burst open and all his intestines spilled out. And it became known to all those dwelling in Jerusalem; so that the field is called in their own language, *Akel Dama*, that is, Field of Blood. ‘For it is written in the Book of Psalms: ‘Let his dwelling place be desolate, And let no one live in it; and, **let another take his office.**”

Isaiah 53:4.5. Cause, Future Prediction. “Surely he has borne our griefs and carried our sorrows; yet we esteemed him stricken, smitten by God and afflicted. But he was pierced for our transgressions; he was crushed for our iniquities; upon him was the chastisement that brought us peace, and with his wounds we are healed.”

Matthew 8:16-23. Effect, Prediction Fulfilled. “When evening came, they brought to him many who were demon- possessed: and he cast out the spirits with a word, and healed all who were ill. This was to fulfill what was spoken through Isaiah the prophet: He himself took our infirmities and carried away our diseases.”

Prophecy is the perfect example of meaningful causal connections of events that happened one event after another. Prophecy is linear time’s manifestation. Jesus knew the cosmology, the prophecies and the mathematical timing to all past, present and future events to occur 2,000 years into the future. Jesus knew from Jacob the 3,830 year prophecy of his staged death in 33 A.D and his future reincarnation on April 2, 1948 42 days prior to the re-birth of the nation of Israel on May 14th.

Jesus knew in advance the betrayal for 30 pieces of silver. He knew ALL the prophecies and what the script and role called for. Jesus was playing the character of him-self as Messiah who was his “self” as Messiah. He was co-producing the movie with the Producer God and was star in the movie. Get it??? Life is just a script. “All the world’s a stage.” “Do you know the ordinances of the heavens; can you put to effect their plan on earth?”

The “triumph for the human race” is that Jesus and his reincarnation Bruce (eu and ue) as the “consistent model” played out the entire pre-scripted drama to demonstrate the true nature of reality in the 3rd dimension and to “prove” “that the future is knowable.” Jesus created his own determination to “come again,” to reincarnate, as we all do. The difference is: he remembered.

What, then, in light of prophecy, is the true nature of reality? Is life eternal and everlasting? Yes! Is Love the Foundation of Hu-man and the universe? Yes! The cosmos itself IS Love. Stephen Hawking got it wrong when he said: “Even though we may know the relevant laws that govern the universe, we may not be able to use them to predict far into the future.” We now know this is incorrect.

The only real “relevant law that governs the universe” is cause and effect karma. What we sow we reap. It is the causal connection between events that links the past life as Jesus to his present reincarnation as Bruce. Just as the prophecies and predictions were fulfilled, the record of his life as Jesus left tracks in the sand to follow. Soul pattern tracks. The record of Jesus’ personality persists through time, through space, and through eternity. Once we become God conscious, ie, Love conscious, we can transcend the limitations of cause -and effect karma, and we can transcend the material limitations of time and space itself. Those soul pattern tracks are revealed in *My Past Life As Jesus-An Autobiography of Two Lifetimes* I self published in 2001.

PART 3

PROPHECY, QUANTUM PHYSICS AND THE NEW- PARADIGM METAPHYSICS

Based on the seven criteria for testing the validity of a theory, I now propose a Theory of Everything (T.O.E) to explain the true nature and a modern understanding of space and time. Physicist David Wick in his book *The Infamous Boundary: Seven Decades of Controversy in Quantum Physics* (1996) said: “The role of theory is to predict what we see on the dials of our apparatus and if the predictions are accurate, the theory is good.”

Biblical prophecy in these parameters are the dials on the apparatus. The predictions of the dials on the apparatus are 100% accurate-all of them. The “theory” that human was created in the “image and likeness of God” is a good theory, unless the rules are different for particles than those for prophecy.

Stephen Hawking in his book: *A Brief History of Time* said: “The task is to discover the laws that will enable us to predict events up to the limits set by the uncertainty principle.” Since the prophecies relating to Jesus have shown incontrovertibly that the future is knowable, thus determined, the uncertainty principle is part of the old-paradigm physics. The precision by which Jesus fulfilled the measured prophecies was conditioned (caused) by the Creator(God) and brought about (effect-ed) by the created. This is certain. No “uncertainty” exists at all.

Mathematical physicist William R.Ferris said: “There exists some totally new way of looking at nature, as subtle as quantum mechanics, perhaps to violate locality in some special way, but the resulting world view will be sharp and clear. School children will assimilate it and fundamental science will have reached its end.”

Prophecy is a totally new way of “looking at nature.” Fundamental science as we know it has “reached its end.” Most physicists believe that any new T.O.E. must depend upon a quantum-field theory incorporating Einstein’s special theory of relativity. This thinking must be relegated to the 20th century as outmoded and obsolete.

The Unified Field Revealed demonstrates the new “world view that “school children can assimilate” is that we are One humanity, Unified, United, and One with the God that is Love. Ask any school child what Love is. We can all “assimilate” Love/God into our beings. The problem with quantum mechanics(besides being too complicated for most people to understand) is that its “equations are known but not its principles.” Biblical prophecy, on the other hand, reveals the principles behind the equations, because the predictions and the observations always match.

Physicist Ferris goes on to say: “This new way will violate locality in some way.” Prophecy violates locality, as the predictions and observations are hundreds even thousands of years apart. Physicist John Bell challenged the idea of locality in quantum mathematical theory by concluding through a purely logical exercise, that if quantum mechanics was right, some events in the physical world will be interdependent even if they are so far apart that they cannot be physically connected.

Prophecy, being non local, defies logical science because the events cannot be physically connected. Thus, a new view is needed to understand the dynamics of the process of determinations and their fulfillment so many years apart. It is the non-locality that allows the paranormal event of prophecy to occur.

Physicist John Boslough says it is the force of “gravity that determines which events can be causally related to each other.” Gravity, then, is the carrier force for the electromagnetic frequency of the law of cause and effect and is the standard bearer, the benchmark of linear time.

As shown in *The Unified field Revealed* the four forces at Unification 10⁻¹⁰ were One.

TIME
SPACE
GRAVITY
ELECTRO-MAGNETISM bound together in N=8 or Super Gravity.

Before the four forces separated, they were One force UNITED=28. $2+8=10=1$ as in Unification 10⁻¹⁰.

The key words to decode the riddle of prophecy are:

Gravity---determines---events---causally---related---to each other.

Gravity is the vehicle that carries the cause-and-effect relationships to their destination. Isaac Newton’s laws of motion dictate that, for every action, there is an equal and opposite reaction. If this is true, which it is, physicist John Bell’s theorem proves precisely that the determination of the macroscopic response must be non-chance. Physicist Gerald Schrodinger says, “The development of standing patterns in atoms are deterministic.”

Gravity, as the vehicle, carries time and space along electromagnetically. Events and atoms are determined causally. Thus we have cause and effect, cause and effect, cause and effect ad infinitum.

God, aka the macrocosm, is the Cause of the forces. The determinations of prophecy are certain, non-chance. Gravity assures the predictions of prophecy will be fulfilled because of causal predetermination, by virtue of the nature of the force. **Prophecy then is just a method to measure the illusion of time and space related events in relation to the appearance of mass.**

“The most dramatic contemporary development in physics has been a new recognition that mass may not exist at all. The concept of mass may be neither fundamental or necessary in physics. The physical universe is made up of mass-less electric charges, immersed in a vast, energetic, all pervasive electromagnetic field that creates the *appearance of mass*.” Physicist Dr. Brian O’Leary. *Miracle in the Void* (1995).

PART FOUR

WONDERS IN THE HEAVENS

Let's now look at prophecy from a different lense; ie, Jesus making predictions into the future which I call the past, present, future tense; i.e., we look back into the past life of Jesus when in his present reality he predicted events that would happen in the future.

Luke 21:24. Around 33 A.D. "And they SHALL fall by the edge of the sword, and SHALL be led away captive into all nations; and Jerusalem SHALL be trodden down of the Gentiles, until the times of the Gentiles be fulfilled." All future tense. Shall Shall. Shall. Jesus is predicting events into the future. The Jews were to be led away and Jerusalem and the Jews would be captive until the Gentile rule ended. The Gentile rule was a certain period of time God gave to the non-Jewish (Gentile) empires to rule over the earth but only for that time.

Jesus publicly established the time line for his reincarnation and subsequent reappearance on to the world stage. In *Matthew 24:32* Jesus explained to the disciples the meaning of the parable of the fig tree, which historically has symbolized the nation of Israel. Jesus being well versed in the 3,830 year prophecy time line from scripture, knew he and Israel would both be born at almost exactly the same time in 1948. Jesus says: "When you see these things, know that it is near." The "it" refers to the events in *Matthew 24th* chapter. The most major of them all is the re-birth of the fig tree, Israel.

Matthew 24:3. "Tell us when SHALL these things be! And what shall be the sign of thy coming and the end of the age?" *Luke 21:24* established which events needed to be fulfilled in modern history before the other events to come. The Gentile period needed to end first. Then the next timeline and so on.

A prophetic "time" in biblical years is equal to 360 years. The time period is the seven (7) times from the dream of King Nebuchadnezzar in the year 607 B.C.E. When this seven-times period is up, another part of the mathematical prophetic equation follows.

Daniel 2:1. "And in the second year of the reign of Nebuchadnezzar, Nebuchadnezzar dreamed dreams, wherewith his spirit was troubled, and his sleep brake from him.

Daniel 2:44,45. "And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed; and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand forever. For as much as thou sawest that the stone was cut out of the mountain without hands, and that it break in pieces, the iron, the brass, the clay, the silver and the gold, the great God hath made known to the king **what SHALL come to pass** hereafter; and the dream is **certain**, and the interpretation **sure**." This was DETERMINED. "What SHALL come to pass is a future event, God says through Daniel. It is "certain" and "sure."

Daniel 4:16,23,25. "Let his heart be changed from man's, and let a beast's heart be given unto him; and

let seven (7) times pass over him..." "Let his portion be with the beast's of the field, till seven (7) times pass over him..." "And they shall wet thee with the dew of heaven, and seven (7) times shall pass over thee, till thou know that the Most High ruleth in the kingdom of men, and giveth it to whomsoever He will."

God is making some things very clear.

- 1) God as the Most High rules over everything on earth, especially humankind.
- 2) God gives whatever It wants whenever It wants.
- 3) God knows all future events because It is outside time.
- 4) Daniel's dream is certain.
- 5) The interpretation of the dream is sure because God wrote the entire script in advance. The real life movie is certain to play frame by frame as DETERMINED.

Seven (7) times in Hebrew is "Iddan," meaning a set time or set period, as can be verified by reference to a Hebrew Lexicon. The record states that during Nebuchadnezzar's insanity, seven (7) times would pass over him.

In *Daniel 7:25* we see time expressed another way. "...and they SHALL be given unto his hand until a **time and times and the dividing of time.**" In the revised version of the Bible it reads; "...and they SHALL be given into his hand until **a time, two times, and half a time.**" In other words **three-and-a-half-times**. This very expression occurs in the New Testament in the book of *Revelation 12:14*.

Revelation 12:14. "And to the woman were given two wings of a great eagle, that she might fly into the wilderness into her place, where she is nourished for **a time, and times, and half a time** from the face of the serpent."

This period of three and a half times is also expressed two other ways.

Revelation 11:2,3. "But the court which is without the temple leave out and measure it not; for it is given unto the Gentiles: and the holy city SHALL they tread under foot **forty and two months**. And I will give power unto my two witnesses and they SHALL prophecy **a thousand two hundred and three score** days clothed in sackcloth."

Revelation 13:5. "And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue **forty and two months.**"

Revelation 12:6. "And the woman fled into the wilderness, where she hath a place prepared of God, that they should feed her there

Here is the cipher to the *Iddan* or set period of time.

One(1) time	=12 months
12 months	=360 days
3.5 times	=42 months
42 months	=1260 days

Revelation 12:14 =3.5 times
Revelation 11:2

Revelation 13:5
Revelation 11:3 =42 months

Revelation 12:6 =1260 days

The prophetic time in these expressions is based on the archaic calendar in which the year was comprised of **12 months of 30 days each**, with **360 days in all in the normal year**. This is the calendar that was in use in Noah's time. As time equals in the above formula, **seven times** is therefore expressed this way.

7 TIMES (7 X 12) = 84 months.
84 months X 30 days = 2520 days).

Daniel 12:8. "And I heard, but I understood not: then said I, O Lord, what shall be the end of these things?"

God says to Daniel:(**12:9**) "Go thy way Daniel; for the words are closed up and sealed till the time of the end." The prophecy that Daniel had just recorded in *verse 7* was a chronological one. God distinctly declared that He wanted the meaning sealed and hidden until a later age, the Information Age.

Let's look again at *Luke 21:24*: "And they SHALL fall by the edge of the sword, and SHALL be led away captive into all nations; and Jerusalem SHALL be trodden down of the Gentiles, until the times of the Gentiles be fulfilled."

Using the same formula of *Ezekial 4:5,6*, and equating one (1) year for one (1) day, 7 times from 607 B.C.E. is equal to 2,520 years; ie., 7 X's 360 days= 2,520 years." One day = one biblical year. Count forward from 607 B.C.E. 2,520 years or subtract 607 years from 2,520 years and add one year for the time period between B.C.E. and A.D. and you arrive at the year 1914, which is the year the 2,520 year Gentile rule over humanity officially **ended**. With that ending brought the beginning of World War I.

Think about this for a few moments. God, as you have seen thus far, has a very specific timetable about its plan for humanity. Jesus, as (one of) God's representatives, delineated exactly when the "times of the Gentiles were fulfilled." That is, finished; as in over. God is in total control now over humanity and what God wants for humanity is for everyone to Love One Another. "C'mon people now, smile on your brother... let's get together and love one another right now."

So, Jesus knew two thousand years into the future the prophetic time frames and their fulfillment.

In 604 B.C.E. King Nebuchadnezzar came against Jerusalem and began the Babylonian captivity of Judah. From 604 B.C.E. to April 1915, when the British mounted their offensive against Turkey (the Ottoman Empire), which was occupying Jerusalem, was 2,519 years. Add one (1) year for the time period between B.C.E and A.D. and we arrive at 2,520 years.

Deliverance of Jerusalem by the British over Turkey was forty-two (42) months and God predicted in *Isaiah 31:5*, nearly 2,700 years before, exactly how the deliverance of Jerusalem would occur. “As birds flying, so will the Lord of Hosts defend Jerusalem; defending also he will deliver it; and passing over, he will preserve it.” Let’s decode the meaning of this prediction/prophecy.

1. “As birds flying.”-The British Royal Flying Corps, now known as the RAF, flew over Jerusalem at high speed, almost at roof level, and scared the Turks into surrendering without firing one round of ammunition.
2. “So will the Lord of Hosts defend Jerusalem.” The British defended Jerusalem from Turkish planes. History bears this out. Bomber squadron No. 14 fulfilled the prophecy of *Isaiah*. The motto inscribed on their badges was, “I spread my wings and keep my promise.”

Divine orchestration in minute detail 2,700 years into the future. Causal predetermination? The observations support the predictions. You be the judge.

In early autumn of that year, 1914 A.D., the last year of the “Gentile times” the appointed time of the nations ended. According to the words of Jesus in *Luke 21:21-24*, the time had arrived after 2,520 years for God to stop the further trampling by the nations on what Jerusalem symbolized, so in the summer of 1914, World War 1 broke out between the 7th world power and the principal leftover parts of the previous 6th world power for some time known as the *Holy Roman Empire* of the German nation.

The main issue in dispute was world domination on earth, a quarter of which the British Empire then controlled. God’s messianic kingdom was of no interest or concern to the warring countries, and yet they were fighting over that which God’s messianic kingdom held the title; namely, world ruler-ship.

According to *Revelation 12:1-10*, at the close of the Gentile times in 1914, God brought to birth in the heavens its promised messianic kingdom in the hands of the Messiah Yeshua. In order for the kingdom of God to be a living reality on earth, God first created the thought of it. As co-producer, Jesus would install it; like software into hardware, at the appointed hour possible on January 12, 2020 when Saturn, Pluto, Sun and Mercury are conjunct in Sagittarius(sidereal) 22* or on December 21, 2020 when Jupiter and Saturn are conjunct 0* of Capricorn. But, “only God knoweth the hour.”

This is how the stone in Nebuchadnezzar’s dream was cut out of the mountain without the aid of human hands. The messianic kingdom is the tone of the dream, the royal stone cut out of divine power from the universal mountain at the end of the Gentile Times in 1914.

The nature of reality in the material world is the struggle between the forces of light and darkness. God set up a leasehold situation with the empires of humanity for a “set period of time,” like the lease the Chinese gave to the British, which expired in 1997. God, knowing all future events (as the Creator of

same) created the story line in advance. The 3,830-year prophecy, the staged death of Jesus, his re-birth (reincarnation) on April 2, 1948 and the re-birth of Israel on May 14, 1948, the “time of the Gentiles being fulfilled in 1914, the three-and-a-half times, the 42 months, the 1,260 days and World War 1 that began as a result of the termination of the lease for the 2,520 years. God set up its Kingdom so Jesus and his subsequent reincarnation could implement God’s plan at the appointed time on earth.

The dark forces, subconsciously knowing their pseudo rule on earth was officially over, waged world war to challenge the eviction but lost. The 1,260 days ending in 1918 when World War 1 ended demonstrates God’s dominion over human. $1918=19=10=1$. As God declares: “I AM the Alpha and the Omega, the beginning and the ending.”

The 2,520 year prophetic Gentile time that ended in 1914 checks out mathematically. We can be assured that both of these determined chronological time prophecies have already manifested. That part of the script was fulfilled exactly how God planned.

Let’s go deeper into *Luke 21:24*. This verse gives reference to the destruction of Jerusalem by Roman emperor Titus in AD 70. As foretold in *Daniel 9:26*, the Holy Place, the temple of Jerusalem, was destroyed by the Romans. “...and the people of the Prince that SHALL come, SHALL destroy the city and the sanctuary.”

Knowing the scriptural script in advance Jesus could predict these events to come; i.e. SHALL. Jesus knew the exact timing because he was a master of the scriptures and knew the mathematics to the prophecies. Let’s look at yet another fantastic example of the prediction/observation requirement of science being satisfied to the utmost.

Isaiah 44:28 740 BCE. **Cause, Future prediction/Determination.** “That saith of Cyrus, He is my shepherd, and he shall perform all my pleasure; even saying to Jerusalem, thou SHALT be built; and to the temple, thy foundation SHALL be laid.”

The Prophet Isaiah predicts 200 years into the future that a future king named Cyrus would rebuild the temple in Jerusalem.

Ezra 1:1-11 536 BCE. “Now, in the first year of Cyrus, King of Persia, that the word of the Lord by the mouth of Jeremiah might be fulfilled, the Lord stirred up the spirit of Cyrus of Persia, that he made a proclamation throughout all his kingdom, and put it also in writing, saying, ‘Thus saith Cyrus King of Persia, the Lord God of heaven hath given me all the kingdoms of the earth; and he hath charged me to build him a house at Jerusalem, which is in Judah. Who is there among you of all his people? His God be with him, and let him go to Jerusalem, which is in Judah, and build the house of the Lord God of Israel, (he is the God) which is in Jerusalem,’”

Two hundred and six (206) years later, a king named Cyrus rebuilds the Temple in Jerusalem.

Isaiah 7:8, 735 B.C.E.. **Cause, future prediction/determination.** “For the head of Syria is Damascus, and the head of Damascus is Rezin; and within threescore and five years shall Ephraim be broken, that it be not a people.”

Here is yet another demonstration by God of His determination. This time the specified time reference will occur three times as determined. Threescore plus five years equals **65 years**. Syria is confederate with Ephraim and they jointly invaded the Kingdom of Judah with the object of attacking Jerusalem, the capital of Judah in 735 B.C.E.

In 671 to 670 B.C.E. King Escarhaddon of Syria began his final campaign, exactly **65 years** later.

$$735-670 = 65$$

The next 65 year period comes in A.D. 135. The destruction of Jerusalem by the Roman Titus in A.D. 70 was precisely 65 years until every Jew was expelled from Jerusalem and forbidden to enter it under the penalty of death when the rebellion of pseudo Messiah Bar Jochab was finally crushed in A.D. 135.

$$135-70=65$$

The third 65 -year time-frame begins with the end of the Time of the Gentiles and the beginning of sorrows, A.D. 1914 and A.D. 1979 respectively.

Matthew 24:15, Mark 13:14: “When ye therefore shall see the abomination of desolation, spoken of by Daniel the Prophet, stand in the Holy Place,(whoso readeth, let him understand”).

Daniel 12:11,12. “And from the time that the daily sacrifice shall be taken away, and the abomination that make desolate set up, there SHALL be a thousand two hundred and ninety days (1,290). Blessed is he that waiteth, and cometh to the three thousand three hundred and thirty five days (1,335).” I have not found the key that unlocks the mystery of these two time frames but I think and possibly believe they are linked to the time that God reveals the reincarnation of Jesus to the world. The words: “Blessed is he that waitith and cometh...” I believe refers to the “generation” that would witness all these things.

In *Daniel 12:9,10:* “...**the words are closed up and sealed till the time of the end;** the wise shall understand.”

In *Revelation 22:10* the exact opposite holds true. “And he saith unto me, **seal not** the sayings of the prophecy of this book; **for the time is at hand.**” What “time” is “at hand?” What “time is at hand?” It is the end of the third 65 year period beginning with the end of the “time of the Gentiles” in 1914 and ending 65 years later in 1979.

$$770 \text{ BCE} \quad \text{minus } 735 \text{ BCE.} = 65 \text{ years}$$

$$135 \text{ AD} \quad \text{minus } 70 \text{ AD} = 65 \text{ years}$$

$$1979 \text{ AD} \quad \text{minus } 1914 \text{ AD} = 65 \text{ years}$$

In 1979 Bruce and his wife move to Maui, Hawaii, the “New Jerusalem.” *Revelation 21:22.*

Here we are faced with more biblical time chronology determined not quite 3,000 years in advance to mark time for God’s main event of the reappearance of Jesus onto the world stage; aka, the “Second Coming,” although “second coming” is totally inaccurate and inappropriate. Jesus, as well as all of us humans have come to earth many many times; hundreds of times and for many who never quite get it, thousands of times.

Biblical prophecy is not subject to interpretation, because the predictions and observations always match. Prophecy enables us to conceptualize the flow of time and matter. Biblical prophecy is amenable to proof. Scientists and physicists may not believe God was responsible for the creation of the universe, but the evidence presented in *The Unified Field Revealed* and *Yeshua, The Promised Messiah* is credible evidence that God did create the universe.

“To understand the universe is to understand man, **for in man lies the complete pattern in nature.**”
Kitty Ferguson and Stephen Hawking: *Quest For A Theory of Everything*.

“In humanities intellectual struggle to understand the universe and the laws that govern it, we cannot settle for anything less than a complete description and understanding of it.” Stephen Hawking: *A Brief History of Time*.

“Sooner or later we will have to accept something as given, whether it is God, or logic, or a set of laws, or some other foundation for existence. There must be a deeper level of explanation.” Paul Davies: *The Mind of God; God and the New Physics*. “But any attempt to understand the nature of reality and the place of human beings in the universe, must proceed from a sound scientific base.” *ibid*.

“Scientists, however, will never answer the question whether God was responsible for the creation of the universe.” Astrophysicist Dr. Robert Jastrow: *Until The Sun Dies*.

“Literal interpretations of the heavens are never used by scientists and interpretation is an integral and essential part of scientific inquiry. Laws of physics describing the flow of time and matter are difficult to conceptualize, but are amenable to proof. Biblical interpretations are less open to proof.” Physicist Dr. Gerald Schroeder: *Genesis And The Big Bang*.

“Know what is in front of your face, and what is hidden from you will be disclosed to you. For there is nothing hidden that will not be revealed.” *The Gospel of Thomas: The Hidden Sayings of Jesus*.

There is no mention anywhere in any scripture about 1979. Why is it relevant? It has to do with the coming of the “time of the end” “for the time is at hand.” The knowledge is no longer under seal and can be released to the world. Christians have been saying for decades that we are in the “end times.” *Revelation 22:10* lifts the veil on the mystery as Jesus himself declassified the information in the 24th chapter of Matthew.

As of this writing, September 24, 2019, it is exactly 40 years since the last 65 year period ended in 1979 so we are now in the final countdown to the shift in consciousness on planet earth. To best describe this final countdown to the so called “second coming” I will repeat a letter I wrote to Shirley MacLaine in 2011. This letter appears in my 2015 book *I AM BACK-HOW A SOUL REINCARNATES*.

Re: Correction to page 99 of *I'm Over All That*

Dear Shirley
2011

Thank you for sharing your journey with us. On May 22, 1993, I was given a copy of *Out On A Limb*. Reading it further validated my own experience of reincarnation and my own 'quest for myself.' Twenty years before in 1973, I received confirmation of a past life which I have been documenting ever since on scientific and meta-physical levels. You would think that after 38 years, I would be "over" this verification process, but I am driven by the words of Dr. Ian Stevenson, who is "looking for that one case" that will prove to the world that reincarnation exists. The **global** acceptance of reincarnation will **transform** the planet and bring about the 'brotherhood of man.' ¹ Idealistic thinking for sure, but I believe it is coming and coming soon.

On page 99 of *I'm Over All That* I think you may have misread the quote in *Matthew 16:13,14* about who Jesus thought he had been in a past life. It is the disciples, and not Jesus, who were confused as to who he was. Jesus did not 'allude to the truth that he had been Elias or Elija previously' or that he was 'Jerimias, John the Babtist or one of the prophets.' (13).

When Jesus came into the coasts of Caesarea Philippi, he asked his disciples, saying , 'Whom do men say that I, the Son of Man am?' (14) and they said, "Some say that thou art John the Babtist; some, Elias, and others, Jeremias, or one of the prophets..." The mystery is cleared up in *Matthew 11:7-15* and *Matthew 17: 10-13* when Jesus teaches the disciples that John was the reincarnation of Elija/Elias and the disciples UNDERSTOOD this. *17:13*

in *Revelation 5:5*, it is intimated that maybe Jesus was King David (in a prior lifetime) and in *Revelation 22:16*, Jesus 'alludes' to whom he may have been in one of his prior incarnations: "I am the root and offspring of David and the bright and morning star (Venus the planet of love)." I believe it should read: "I AM the root and offspring of David" as the I AM is the root of all things material and immaterial. This is merely speculation and we do not know for sure how many references to reincarnation have been edited out of the Gospels (at the Council of Nicea in 325 A.D. and in 533 A.D. by Empress Theodora of Byzantium) would give us more clues as to who was whom and when.

What we do know for sure and what the world is completely missing (it's so obvious), is that Jesus, a mystic and initiate, predicted his own reincarnation in *John 14: 3*, "I will come again and receive you unto myself" and he even told us exactly when he would reincarnate.

In *Matthew 24:3*, the disciples knowing this asked a simple question of him: "What shall be the sign of thy coming and the end of the world? Jesus gives them all kinds of 'signs' to look for, but the one that pinpointed exactly when he would reincarnate was in *Matthew 24:32-34*.

The 'fig tree' as historians know, symbolizes the nation of Israel. So, Jesus answers their question of what the 'sign' is that he has reincarnated ("come again"). Israel was re-born on May 14, 1948, coincidentally the same year that world-renowned meta-physician, Alice A. Bailey, released her book, *The Reappearance of the Christ*. So, Jesus reincarnated just prior to the rebirth of the nation of Israel, just as he predicted.

The next major clue comes in verse 34, when he discloses when he will make his 'reappearance' on the world's stage and he gives the (near) exact time for that event, i.e. "This generation shall not pass.'

First clue: How many years in a generation? The Greek historian Herodotus learned from the Pharaoh's of Egypt that there were three Pharaoh kings to a generation, or every 33.3 years.

Second clue: The 'end of the world' in *Matthew 24:3* really means 'the end of the age' (of Pisces) and that is where all the 'rapture' and 'end of the world' nonsense arises (Harold Camping and that ilk).

Third clue: In *Mark 14:13*, Jesus tells the disciples how to find the place where the Passover dinner ('Last Supper') is being held. "Go into the city and there you will meet a man bearing a pitcher of water: follow him.' Is it merely coincidence that the astrological sign of Aquarius is represented by a person 'bearing a pitcher of water' and that this clue coincided with the Passover dinner? Jesus is telling us that the precessional sun will have 'passed over' from Pisces to Aquarius and that the generation born when Israel was born will still be alive to witness his 'reappearance' event, i.e. 'receive you unto myself.'

The precessional sun 'passed over' from Pisces to Aquarius on January 26, 2008 when the planet Pluto entered the sign Sagittarius (in the sidereal system) 'marking a period of spiritual regeneration at the beginning of the Aquarian age...' ¹

1. *The Astrologer's Handbook* by Sakoian & Acker 1973 p. 227.

The greatest of 'fundamental laws' is the law of cause and effect (karma and reincarnation).

Thank you for taking the time to read my letter. (She never read it.)

Joy, truth and love,

Sincerely,

Bruce Robert Travis

Let's look again at the date of January 26, 2008. $2008=28=10=1$; $1+2+6+2+0+0+8=19$. $1+9=10=1$. The day was an alpha and omega day; i.e. the Beginning and the End. The "end" of the age of Pisces and the "beginning" of the age of Aquarius. The "time of the end" of *Revelation 22:10*. "Those who have an ear will hear." The precessional Sun "passed over" as Jesus predicted.

Again, *Matthew 24:3*. "What shall be the sign of thy coming?" In *Luke 21:25* Jesus tells them: "...there shall be SIGNS in the sun, and in the moon and in the stars..."

In the Shemitah year of 1987 a supernova could be seen by the naked eye for the first time since 1604 A.D. *Genesis 1:14*. "And God said: let there be lights in the firmament of the heaven to divide the day from the night; and let them be for SIGNS and for seasons." A "season" is an appointed time. The appointed time is a "set time" (*Psalms 102:13*) and represents the reappearance on the world stage of the soul of Jesus in the physical body of Bruce.

800 years before the birth of Jesus, *Joel in 2:30,31* said: “I will show wonders in the heavens and in the earth, blood and fire, and pillars of smoke. The sun shall be turned into darkness and the moon into blood before the great and terrible day of the Lord come.”

In *Luke 21:19,20* Jesus quoting *Joel* says: “I will show **wonders in the heavens** above and signs in the earth beneath; blood and fire, and vapor of smoke. The sun shall be turned into darkness, and the moon into blood, before the great and notable day of the Lord come.” *Psalms 19:1*.

“The heavens declare the glory of God.” Revelation 6:12. “...the sun became black...and the moon became as blood.”

WHAT ARE THESE WONDERS IN THE HEAVENS?

Remember, we are counting down from 1,883 B.C.E. to the day and hour possibly in 2020 that everything on planet earth changes in God’s favor. After all, this is God’s show. God’s infinite wisdom, gave us “signs” to track and follow and the “signs” are incontrovertible.

Prior to the last 65 year period that ended in 1979, there were other “wonders in the heavens” fulfilling the prophecy of *Joel 2:30,31* and *Luke 21:19,20*.

According to the National Aeronautics and Space Administration (NASA) there have been several Tetrads of four consecutive blood moons since the agency first recorded their occurrences. Tetrads coinciding with major Jewish historical events have only occurred three times in the past 500 years and have occurred on Jewish high holy days.

The first series of Tetrad blood moons occurred from Passover **April 2**, 1493 following the expulsion of the Jews from Spain to Sukkot on September 15, 1494. Remember, the Last Super Passover dinner the night before the crucifixion drama was on **April 2**, 33 AD.

September 24, 1493. Total solar eclipse. “The sun became black.”

The 2nd series of Tetrad blood moons and the most important of the four occurred from Passover April 13, 1949 to Sukkot on September 26, 1950. On **April 2, 1948** Jesus reincarnated and 42 days later on May 14, 1948 the nation of Israel was reborn.

The summer solstice is June 20, 1948 with a full “honey-moon” or strawberry moon.” This rare astronomical event would not occur again until the summer solstice of June 20, 2016. 68 years later.

The third blood moon in the series was on Passover **April 2**, 1950.

The total solar eclipse is on September 12, 1950.

Acts: 2:19-20. “...the sun shall be turned into darkness, and the moon into blood...BEFORE the coming of the Lord.”

Let’s go back a little bit in time to better understand the 3rd series of Tetrad blood moons.

It is now: EREV ROSH HASHANAH SEPTEMBER 29, 2019 2:59 PM as of today's writing.

In 1217 AD Rabbi Judah ben Samuel (1140 AD to 1217 AD) predicted (prophecy) that in three hundred years after his death, (in 1217) in 1517 and six (6) jubilees, Jerusalem would be taken captive by the Turks of the Ottoman Empire. That is precisely what happened.

Rabbi ben Samuel then predicted (prophecy) that 400 years later, $1517 + 400 = 1917$ and eight (8) jubilees, the Turks would lose control over Jerusalem which would be liberated by the British. That is precisely what happened. The Jews under the Balfour DECLARATION in 1917 allowed the Jews to immigrate to Palestine/Israel but were not permitted to rule over themselves.

Rabbi ben Samuel then predicted (prophecy) that: "Afterwards Jerusalem will become a no-man's land for one jubilee." (50 years). This is precisely what happened. 1917 to 1967.

He then predicted that fifty (50) years later in the next jubilee year, 1967, (on June 7th the six day war,) Jerusalem would be liberated from the Arab/Muslim/Jordan control and be reunited with Israel. This is precisely what happened.

The Rabbi's predictions stopped in 1967 but one (1) Jubilee and fifty (50) years later and one hundred (100) years and two (2) Jubilees later after 1917 President Donald Trump in December 2017 announces that Jerusalem is the capital of Israel and moves the American Embassy from Tel Aviv to Jerusalem. When the nation of Israel was re-born on May 14, 1948 it declared Jerusalem as its capital. President Trump is not responsible for making Jerusalem the capital of Israel.

Jubilee years express liberation, freedom from captivity and freedom from enslavement. When Jesus read from the book of Isaiah it was a jubilee year.

1217 to 1517 and six (6) Jubilees Jerusalem taken captive by the Turks **as predicted.**

1517 to 1917 and eight (8) Jubilees Jerusalem is liberated from the Turks **as predicted.**

1917 to 1967 and one (1) Jubilee Jerusalem is a "no-man's land" **as predicted.**

1967. Jerusalem liberated from the Arab, Muslim, Jordan captivity **as predicted.**

1967 to 2017 and one (1) Jubilee President Donald Trump declares Jerusalem as the capital of Israel. This was **not predicted** as it was not an act of God but an act of man. The re-birth of Israel was an act of God as it conforms to all the prophecies and time-lines **as predicted.** What 2017 does fulfill is a marker in time to the final countdown of the "shift" in global reality.

This means that the jubilee period from September 23, 2015 until October 12, 2016, the last day of the 50th year jubilee, Israel and the Jewish people would witness some tremendous liberating event evidenced by the past two jubilees of 1967 and 1917 plus the predictions (prophecies) 700 years before in 1217 by Rabbi ben Samuel.

To better understand the history of the jubilee we look to the Old Testament and the Book of *Leviticus* 25:8-11. "And you shall count seven (7) Sabbaths of years for yourself, seven (7) times seven (7) years; and the time of the seven (7) Sabbaths of years shall be to you forty-nine (49) years. Then shall you cause the trumpet of the jubilee to sound on the tenth (10) day of the seventh (7th) month; on the day of

Atonement (Yom Kippur) you shall make the trumpet to sound throughout all your land. And you shall consecrate the fiftieth (50th) year, and PROCLAIM LIBERTY throughout all the land to all its inhabitants. It shall be a jubilee to you; and each of you shall return to his **possession**, and each of you shall return to his family. That fiftieth (50th) year shall be a jubilee to you; in it you shall neither sow nor reap what grows of its own accord, nor garner the grapes of your untested vine.”

Putting 1917, 1967 and 2017 into proper perspective with the LIBERATION of Jerusalem in all three time periods, what could we expect for the Jubilee period from September 23, 2015 to October 12, 2016? This marks another “end time.” Another “time of the end.”

We are all in some way captives of the illusion and duality of the material world. That is, some how believing we are somehow separate from God and not ONE with God. The manifestation of Jubilee in 2016 is a spiritual one. “Each of you shall return to his possession.” What is this “possession”?

Jesus said: “Store up for yourselves treasures in heaven where neither rust nor moth consume and where thieves do not break in and steal.” *Matthew 6: 19-20*. Our “possession”, our liberty, is being ONE with the Lord God Creator of all that is. That is the only “possession” that matters. Possessions of the material world create enslavement and not liberation. I have said this before many times. You can have material possessions as long as you are not possessed by those possessions. They are impermanent. God is eternal and everlasting. Which “possession” do you choose?

The fiftieth (50th) Jubilee year is about a PROCLAMATION of LIBERTY. Jesus knowing this fact opened up the scroll in a jubilee year and read from the prophet *Isaiah 61:4* and “PROCLAIMED LIBERTY for the captives.

Passover April 24, 1967. The third series of the four Tetrads blood moons. “Moon to blood.”

November 2, 1967. Total solar eclipse. “Sun turned to darkness.”

COUNTING DOWN

April 19, 1981. Passover and Easter are on the full moon on the same Sunday. The planets Jupiter and Saturn make a rare triple conjunction which is precisely what happened when Jesus was born on March 1, 7 BCE. Bruce conducts a Passover Seder dinner on Hamoa Beach in Hana, Maui, rides a white horse and nets one fish. This is just two years after the third 65 day period of 1979.

April 2, 1999 (1999=28) the movie *The Matrix*** premiered in Maui, Hawaii.

April 2, 2005. Pope John Paul II passes over to the other side. (died).

Passover April 15, 2014. The fourth series of the four tetrad blood moons. The 7th year of the Shemitah begins on Sukkot, October 8, 2014.

March 20, 2015. Total solar eclipse.

April **2**, 2015. Bruce's 67th birthday.

April **3**, 2015. Good Friday. April 3, 1891 was the birth of Bruce's mother's father. The crucifixion drama was on April 3, 33 AD.

April **4**, 2015. Passover blood moon.

April **5**, 2015. Easter Sunday

This sequence confirms that everything is in ORDER and on time.

September 13, 2015. The eve of the Jewish new year Rosh Hashanah, the last day of the Shemitah 7th year and the **28th** birthday of Bruce's first born daughter Danielle, the reincarnation of Jesus' first born daughter Damaris. Remember, according to the record of the Dead Sea Scrolls, both Jesus and Bruce conceived their first born daughters in December and both their daughters were born in September. Both Jesus and Bruce were 39 years of age at the time. Coincidence or Divine planning?

Ten (10) days later on Yom Kippur, September 23, 2015, the day of atonement (at-one-ment), the gates of the prior year close and the fifty (50) year jubilee begins. This time marks the last Jubilee year for the generation born when the nation of Israel and the reincarnation of Jesus were re-born in 1948. September 23, 2015 represents the end of the "forty-nine (49) year cycle; i.e. 7 X's 7 = 49 from *Leviticus 25:8-11*.

September **28**, 2015. The final tetrad super perigee blood moon of four blood moons that began on Passover 2014. Then the **first full moon on Christmas** December 25, 2015, another celestial "sign." This was the first Christmas full moon since 1977.

Beginning with June 7, 1967, the date when East Jerusalem was recaptured, LIBERATED and reunited with the nation of Israel, and using the seven (7) weeks of Daniel in the Jubilee/Shemitah cycle the timing to the final countdown to January 12, 2020 and December 21, 2020 is revealed.

1917/1918- World War I ends and is a Jubilee 50th year. This was the first prophetic RESTORATION.

1917 + 7 years = 1924. 1924 is a Shemitah (7th) year.

1924 + 7 years = 1931. 1931 is a Shemitah (7th) year.

1931 + 7 years = 1938. 1938 is a Shemitah (7th) year.

1938 + 7 years = 1945. World War II ends. 1945 is a Shemitah (7th) year.

1945 + 7 years = 1952. 1952 is a Shemitah (7th) year.

1952 + 7 years = 1959. 1959 is a Shemitah (7th) year.

1959 + 7 years = 1966. 1966 is a Shemitah (7th) year and the 49th year. 1967 is the Jubilee (50th) year.

****Matrix: "An environment in which something develops."**

The 6 day war and the reunification of Jerusalem on June 7, 1967 is a year of RESTORATION. It is here that week 1 of Daniel's seven (7) weeks begins.

1966 + 7 years = 1973. 1973 is the year God spoke to me and confirmed I was Jesus in a prior lifetime.
1973 is week # 1.
1973 + 7 years = 1980
1980 is week # 2.
1980 + 7 years = 1987
1987 is week # 3.
1987 + 7 years = 1994.
1994 is week #4.
1994 + 7 weeks = 2001. Exactly **28** years from 1973 I self published *My Past Life As Jesus* in 2001.
2001 is week # 5.
2001 + 7 weeks = 2008.=**28**=10=1.The age of Aquarius begins and the age of Pisces ends. The "end times" and the "time of the end." This could only happen in a #**28** encoded year.
2008 is week # 6. 6 is the other perfect number.
2008 + 7 years = 2015.
2015 is week # 7.
2015 marked the end of the 7X7=49 years of Daniel and the beginning of the Jubilee year of liberation.

Daniel's week #7 ended on Yom Kippur September 23, 2015.

So, seven (7) shemithah cycles = 49 years X's 360 days/biblical year = 17,640 days.

Counting forward from June 7, 1967, 17,640 days ends on Yom Kippur September 23, 2015. I self published *I Am Back-How A Soul Reincarnates* and *Messiah For Hire-Poems From Inner Space 1966-1982* in November 2015. Right on time. In week #5 in 2001 I self published *My Past Life As Jesus-An Autobiography of Two Lifetimes*. In final week #7 I once again make my PROCLAMATION before the world and declare: *I AM BACK-How A Soul Reincarnates*. I proclaim "the acceptable year of the Lord." "Today, this scripture is fulfilled in your hearing."

Jesus reads from *Isaiah 61:1-2*. "The spirit of the Lord is upon me, because he has anointed me to preach the gospel to the poor; he has sent me to heal the broken-hearted, to proclaim LIBERTY to the captives and recovery of sight to the blind to set at LIBERTY those who are oppressed; to proclaim the acceptable year of the Lord." Jesus then says: "Today this scripture is fulfilled in your hearing." *Luke 4:18-21*.

There is yet another important count down to the global shift in consciousness. I have shown that both World War's 1 & 2 ended in the number 19, the Alpha and Omega.

1918=19=10=1
1945=19=10=1

Is this all coincidence? Has all of this been predetermined? There is no escaping what is coming.

1939=22. World War 1 begins
1948=22. Bruce and Israel re-born
1957=22. Space Age begins.
1966=22. The “dawning of the age of Aquarius,” the Vietnam war, peace protests, hippies and the Beatles.
1975=22. The technology age is well under way.
1984=22. The computer age is in full swing. Bruce goes to London for the 2nd time to the office of the Public Trustee to claim the estate of Earnest Digweed.*
1993=22.
2002=22. Bruce goes to London for the 3rd time to claim the estate of Earnest Digweed.*
2020=22.

And then 2008 when the precessional sun went into Aquarius and marked the “time of the end” of the Age of Pisces. 2008=28=10=1. And all the years prior to 2008=28 are the “end times.”

Looks like a countdown to me don't you think?

For more instances of the number 22 please read my blog at www.TheCenterForWorldPeace.Love

The great conjunction of Pluto, Saturn, Sun and Mercury on January 12, 2020=8, is a day of celestial power. This conjunction is in my 8th house in conjunction with my natal moon. “When a person has his natal moon in the 8th house, his mind can transcend to the outer realms quite easily, making it possible to **manipulate energy for magical use.**” The astrocodex.com.

Is it merely coincidence that 72 years before on April 2, 1948 Pluto was conjunct Saturn and Mars. Pluto conjunct Saturn is called “**the aspect of the magician.**” Coincidence?

So, where do we go from here? Jupiter and Saturn made a conjunction on January 14, 1981, then again on May 31, 2000 and the final and last Saturn and Jupiter conjunction for the “generation” born around the time the nation of Israel was reborn will be on December 21, 2020=19=10=1, a day of the Alpha and Omega, just a little over a month after the presidential election.

Today is October 1, 2019. Yom Kippur is October 8 to 9th and the gates close on the year 5779=28=10=1 and a new year # 2 year begins which will resonate with the coming year 2020=22 and the great conjunction of Saturn, Pluto, Sun* and Mercury all at 22* degrees and change on January 12, (and 13) 2020=8. (*the sun is just shy of 22*).

The # 8 is the number of power and rules the 8th house and Scorpio which is ruled by Mars and Pluto. All these planets will be in the sign of Sagittarius in the sidereal Vedic system of astrology and in my 8th house conjunct my natal moon at 25* Sagittarius is the archer pointing his bow towards Heaven=28 symbolizing a new direction for humanity. The Saturn-Pluto conjunction happens every 33-38 years.

On April 2, 1948=28, when I reincarnated, Saturn was conjunct Pluto and Mars. The four celestial bodies on January 12, 2020 will be exactly 150* inconjunct (quincunx) to my natal Uranus 22* and change. Uranus symbolizes sudden occurrences. Sometime between January 12, 2020 and December 21, 2020 there will be major planetary changes in consciousness which for humanity will appear to have happened suddenly but actually was planned by God before the physical universe was created over 14.5 billion years ago. Do you think that maybe the countdown that began in 1939 to 2002, each year ending in a #22 has any connection with January 12, 2020 which is a #22 year?

So, "In My Own Defense, as the reincarnation of Yeshua, I have presented the "Burden of Proof." The biblical prophecies are incontrovertible. When the "Time of the Gentiles" ended in 1914 when World War 1 began, the leasehold interest God had given to the Gentile nations for 2,520 years ran out and that interest is now FEE SIMPLE in possession of God. What does this mean for humanity?

God is in total control of the earth situation and I Am God's envoy, ambassador, emissary, messenger and Messiah. There, I said it. All nations on earth are under God's jurisdiction now. Not mine. However, I will administer justice in the name of God; so, I do have jurisdiction officially since 1914.

The so called *New World Order* has no sustainable power. The *United Nations* are subject to God's laws and not Hu-man's laws. The political system as we know it is over. Anything that is corrupt shall become un-corrupted. Division will be replaced by unity. Wars by peace. Hate by love.

I have demonstrated prophecy going back 4000 years and every prophecy related to Yeshua/Jesus has been fulfilled. It is now up to God almighty to usher in the golden age of peace and prosperity and the "Brotherhood of Hu-man."

2000 years ago I promised to "come again" and I don't break promises.

2000 years ago I did not get a fair trial. I was falsely accused and punished for crimes I did not commit. It is time I am given a fair trial, so,

I AM BACK.

You, the reader can be the judge and jury if I AM who I say I AM.

I began this piece on May 27, 2019. Today is Saturday October 5, 2019. The gates close on Yom Kippur October 9, 2019. $5779=28=10=1$ draws to a close. I AM on time. In fact, I AM ahead of my time. As the T-shirt from London says: "Jesus is coming. Look Busy."

The time has come to draw the line in the sand. You are either with me (vibrationally) or against me. There is no in-between. Choose your sides. I know exactly where I AM going when I leave this earth. "In my Father's house are many mansions, if it were not so I would have told you." *John 14:1-3*. It is now October 7, 2019 at 9:52 PM. The gates are closing on the 9th. *Les jeux son fait*.

It is Yom Kippur - October 9, 2019. Oh, one more thing that predicts the future. $1+0+9+2+0+1+9=22$. $5779=28$ draws to a close at sundown and $5780=20=2$ begins. The ending on a #22 day portends an auspiciousness for January 12, 2020.

Peace, love and light to the planet,
